

Working Group C – International and regional cooperation

BRIEFING NOTES

1. Enhance regional implementation of New Delhi Enhanced Work Programme.

2. Establish special funding mechanism to support SIDS implementation of New Delhi Enhanced Work Programme.

3. Support the integration of climate change issues into existing curricula through the establishment of collaborative partnerships with formal education systems.

4. Integrate behaviour change approaches into participatory mechanisms to support responses to climate change.

5. Establish performance target indicators to monitor and evaluate activities and outcomes.

6. Promote the role of UN bodies to extend existing, or foster development of, partnerships on climate change to address specific needs of SIDS.

7. Synergise UN bodies (UN One)

8. Develop national, regional, and international partnerships to support SIDS implementation of Article 6 activities.

EXTRAS

- Best practices must be examined
- Integrate climate change with other issues eg: energy, water, lifestyle
