

**REGIONAL WORKSHOP ON THE  
IMPLEMENTATION OF UNFCCC  
ARTICLE 6 FOR SMALL ISLANDS  
DEVELOPPING STATES**

- 
- PUBLIC AWARENESS WORKSHOPS ON GENDER AND CLIMATE CHANGE

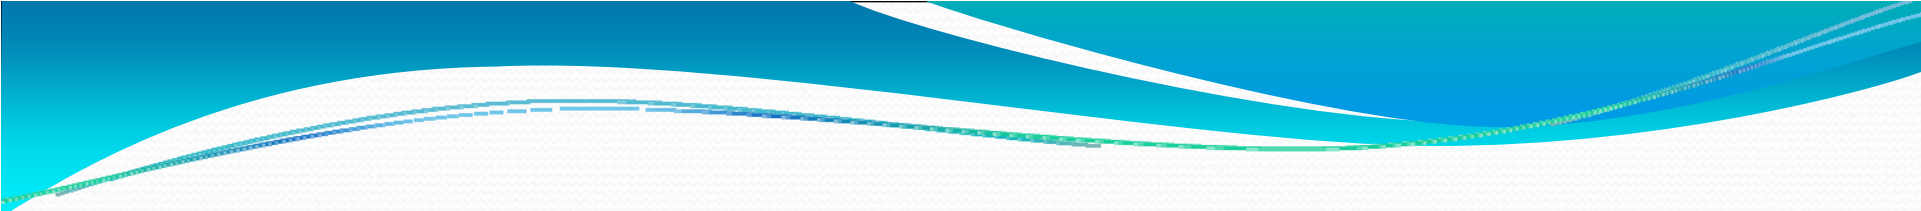

# ABOUT MY COUNTRY

- HAITI IS LOCATED IN THE CARIBBEAN SEA
- SHARING AND ISLAND WITH DOMINICAN REPUBLIC

- 
- HAITI IS ONE OF MOST VULNABLE COUNTRIES WITH ALMOST 12 MILLIONS OF PEOPLE

OUR POPULATION WAS AFFECTED BY AN TERRIFIC EATHQUAKE ON JUANARY 12, 2010

AND WE ARE FACING FLOODS AND INONDATIONS ALL THE TIME.

- 
- BUT MY COUNTRY IS, NEVERTHELESS , ONE OF THE MOST VERY BEAUTIFUL COUNTRY WHERE I INVITE YOU TO COME FOR SHARING OUR SPECIAL SUN AND CULTURE.

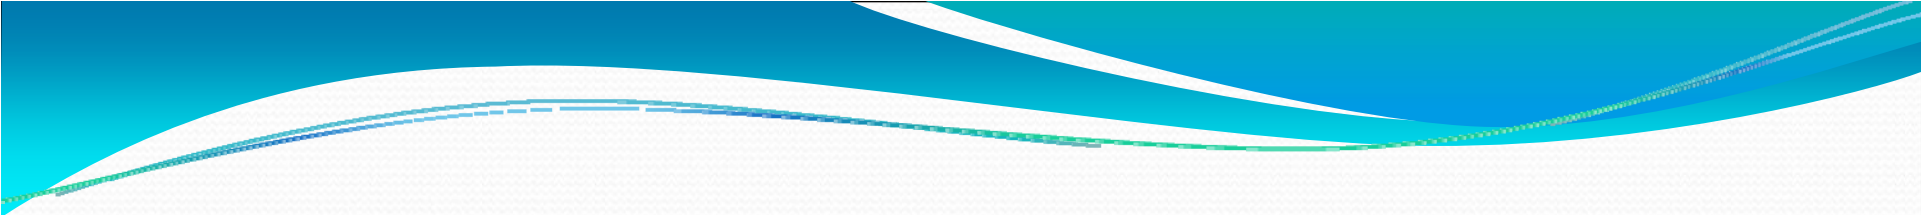

- PUBLIC AWARENESS WORKSHOPS  
ON GENDER AND CLIMATE CHANGE

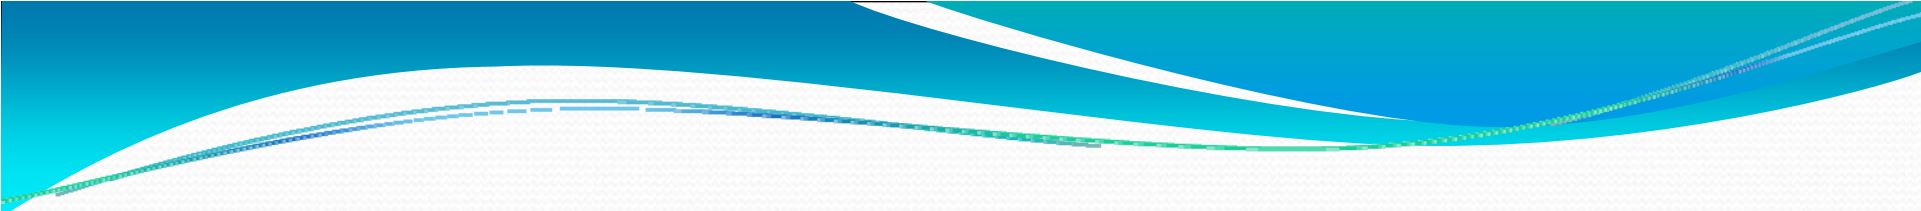

# **RELATED ON ARTICLE 6**

**HAITI HAS ELABORATED AN ACTION  
PLAN IN WHICH THE COUNTRY  
TARGETS SOME SPECIFIC GOALS**

- 
- BECAUSE WOMEN IN MY COUNTRY ARE PERCEIVING CLIMATE CHANGE AS AN ENVIRONMENTAL ISSUE, DISTANCING OURSELVES FROM THE FACT THAT GENDER ARE COMPLETELY DEPENDENT ON THE ENVIRONMENT

- 
- MY MINISTRY BELIEVES TARGETTING GENDER KEY ISSUES REQUIRES A BETTER UNDERSTANDING OF CLIMATE CHANGE HUMAN ASPECT.

- 
- THIS INCLUDES AN ANALYSIS OF POWER RELATIONS WITHIN SOCIETIES AND INSTITUTIONS AT ALL LEVELS:
    - LOCAL,
    - REGIONAL, AND,
    - GLOBAL.

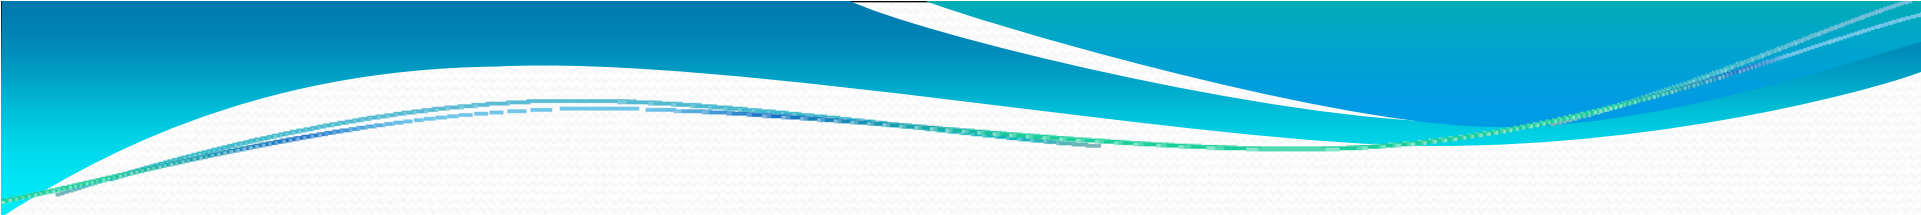

# THE PRIMARY GOAL

- IS TO WORK AT THE NATIONAL LEVEL ON ALL ENVIRONMENTAL POLICY, PROGRAM AND PROJECT TO MAINSTREAM GENDER INTO THEIR PROCESS

- 
- AND TO DEVELOP PARTNERSHIP WITH MINISTRY OF WOMEN AFFAIRS TO HELP WITH THE PROCESS WHICH SHOULD TAKE ACCOUNT OF GENDER ISSUES IN IMPLEMENTATION OF PROJECT AND PROGRAMS RELATED TO CLIMATE CHANGE CONSEQUENCES

- 
- AND SECONDLY, THE MINISTRY HAVE WORK ON THE NAPA DOCUMENT WICH IS ON HIS WAY TO BE REVISED TO MAKE SURE THAT WOMEN AND GENDER ISSUES WILL BE CONSIDERED.

- 
- AFTER ANALYSIS OF THE DOCUMENT, A GUIDE TO INTRODUCE GENDER KEY ISSUES INTO THE NAPA PROCESS HAS BEEN ELABORATED

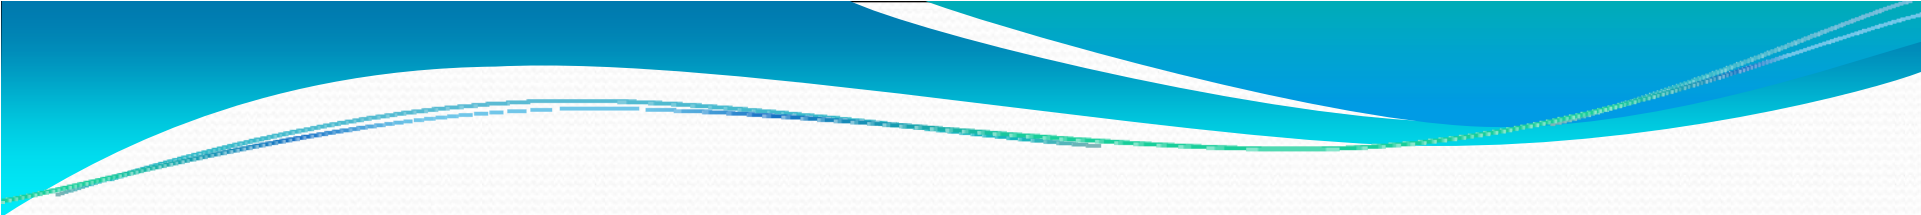

- 
- THE MINISTRY REALIZE REGULARS WORKSHOPS FOR THE BENEFIT OF HIS STAKEHOLDERS TO LET THEM KNOW ABOUT THE PROCESS OF THE NOGOTIATIONS AROUND GENDER AND CLIMATE CHANGE KEY ISSUES

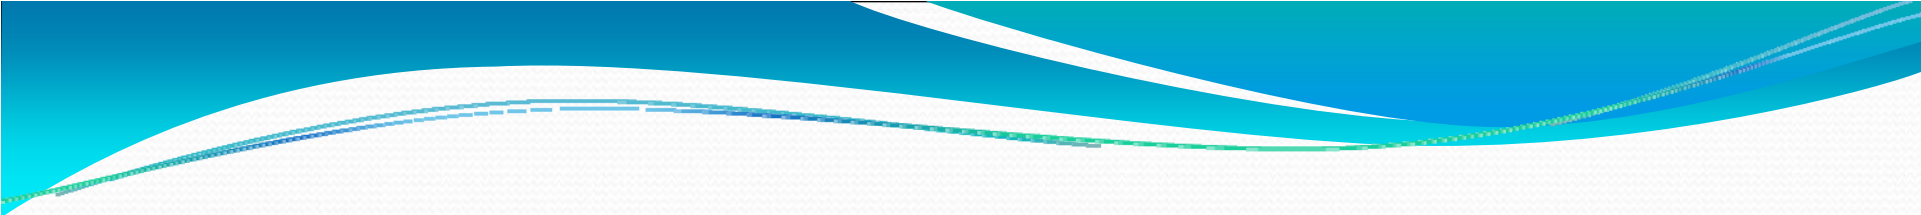

- **THE SECOND GOAL**

IS TO MANSTREAM WOMEN ORGANIZATIONS  
WORKING ON GENDER KEY ISSUES WITH THE  
GRASSROOTS INTO THE CLIMATE CHANGE  
ISSUE

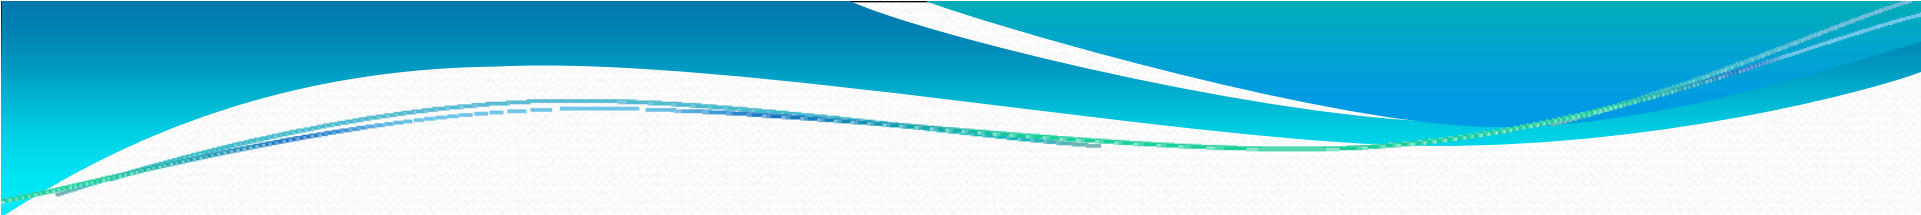

- 
- FIRST OF ALL,  
THE MINISTRY HAVE WORK WITH SOME WOMEN  
ORGANIZATIONS ON A « PLAN OF  
CONTENGENCY » WICH IS USED AT THE  
NATIONAL LEVEL TO TAKE ACCOUNT OF  
WOMEN NEEDS AFTER THE EARTHQUAKE

- 
- AND THEN, AT THE LOCAL LEVEL, THE MINISTRY OF ENVIRONMENT REALIZE MORE THAN FIVE (5) WORKSHOPS DURING THIS YEAR, FOR THE BENEFIT OF WOMEN ORGANIZATIONS AND PERSONALITIES, TO LET THEM KNOW ABOUT GENDER ISSUES AND CLIMATE CHANGE;

# THE THIRD ONE

- IS TO ENHANCE CAPACITY OF THE POPULATION TO PREVENT CLIMATE CHANGE CONSEQUENCES ON GENDER

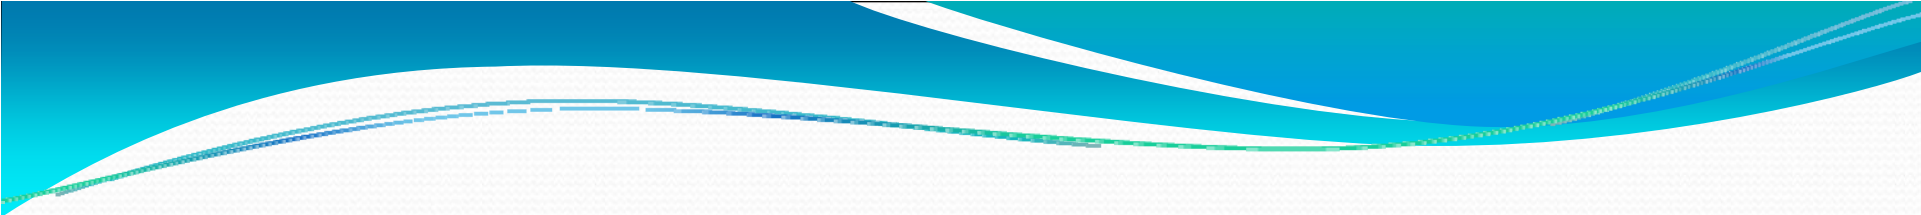

- 
- A CAMPAIGN OF COMUNICATION IS ON HIS WAY TO BE REALIZED FOR THE BENEFIT OF THE POPULATION TO BUILD THEIR CAPACITY :
  - TO PREVENT CLIMATE CHANGE CONSEQUENCES
  - TO AKNOWLEDGE POPULATION ABOUT CLIMATE CHANGE CONSEQUENCES

- **NEXT STEP**

THE MINISTRY IS WORKING TO CREATE A  
NETWORK WITH SOME ORGANIZATIONS ALL  
OVER THE COUNTRY TO SENSITIZE THE  
POPULATION ABOUT GENDER KEY ISSUES AND  
CLIMATE CHANGE

- 
- THE MINISTRY IS WORKING TO CREATE A FORUM OF WOMEN WORKING ON CLIMATE CHANGE CONSEQUENCES AND GENDER ISSUES

- 
- THE MISNISTRY IS WORKING VERY HARD TO AKNOLEWGE WOMEN ORGANIZATIONS AND THE POPULATION ABOUT CLIMATE CHANGE CONSEQUENCES AND GENDER KEY ISSUES

- 
- SO PEOPLE IN THE COUNTRY PARTICULARLY WOMEN STOP PERCEIVING CLIMATE CHANGE AS AN ENVIRONMENTAL ISSUE WITHOUT ANY CONSEQUENCES ON HUMAN BEEING.

- **I THANK YOU VERY MUCH**
