

Agenda item 6: 2016 forum of the SCF

Reflection of the breakout group discussion on the draft objectives:

- Constructive discussion and overall positive feedback on the overall and specific objectives
- Based on the discussion adjustments were made, such as:
 - ❑ Referring to next steps in the overall objective
 - ❑ Shortening the specific objectives and merging overlapping concepts
 - ❑ Capturing opportunities and challenges for finance providers
- Draft revised objectives prepared by the co-facilitators and considered by the breakout group this morning
- Overall acceptance of the revised draft objectives by the breakout group, though with views and comments expressed
- Draft revised objectives for consideration and adoption by the SCF

Agenda item 6: 2016 forum of the SCF

Proposed way forward:

- SCF to request the co-facilitators in coordination with the Co-chairs and, with the support of the secretariat, to further explore and assess the venue options taking into account the views expressed during the meeting and prepare a recommendation on the most suitable option for the venue for the consideration by the SCF, with the view to making a final decision on the forum venue by **30 April 2016**.
- The co-facilitators and the working group, with the support of the secretariat, to work on a draft programme for the forum for consideration by the SCF inter-sessionally also taking into consideration views expressed during this meeting of the SCF and having a first draft by **30 April 2016**.
- Once decision made on the forum venue, co-facilitators and secretariat to expedite the organization of the forum.
