

## Report back agenda item 4a: 2016 SCF forum

- During the breakout group, co-facilitators presented the draft summary report of the 2016 SCF forum and draft conclusions, recommendations and follow-up activities by the SCF.
- Overall, SCF members expressed satisfaction with the draft summary report and the proposed draft conclusions, recommendations and follow-up activities by the SCF. Few adjustments were incorporated in a revised version, which was circulated and presented to SCF members during a plenary update.

### **Next steps:**

- The revised version of the draft 2016 SCF forum report as circulated to SCF members will need to be adopted by the SCF for inclusion into the SCF report to COP22.
