

**Mr. James Alexander**

Head of the Finance and Economic Development Initiative, C40 Cities Climate Leadership Group

James Alexander is Director of the Finance and Economic Development Initiative for the C40 Cities Climate Leadership Group.

Prior to joining C40, James served as Senior Policy Manager for the Scottish Council for Development and Industry, where he advised Government and other key stakeholders on the priorities needed to create sustainable economic prosperity for Scotland and setup the Scottish Cities Alliance, focused on creating sustainable growth in Scotland's cities.
