

Agenda item 7: MRV of support beyond the biennial assessment and overview of climate finance flows

1. The SCF is invited to discuss and finalize **the draft work plan** (Output # 1)
 - Agreed to revise the draft work plan inter-sessionally
 - Members are invited to provide further comments by 30 April
2. Discuss and agree on the **working modalities with SBSTA and SBI** (Output #2)
 - Agreed that technical in-session workshop is organized by the secretariat, and that the co-facilitators will interact with the chairs of the SBSTA and the SBI.
 - The Secretariat will coordinate those discussions.
3. Preliminary discussions on the **deliverables and outputs from the joint in-session technical workshop** (Output #3)
 - Agreed that the workshop will focus on i) existing reporting methodologies under the Convention and internationally (the state of play); ii) experience in reporting; both internationally, and outlining the ongoing process under the Convention; iii) ways to enhance the state of play
 - Agreed that a draft programme will be developed by the secretariat in consultation with workshop co-facilitators drawing on submissions and the secretariat's technical paper.
