Video on Dutch Agro Water
Climate Alliance (DAWCA)

☰ Toolbox for companies

1. Incubator for climate innovators
2. Help map climate externalities
3. Guide transition to resilient agriculture
4. Offer climate risk analyses
5. Develop de-risking through adaptation

Nature: our treasure trove

- 1 Foundation for all economic and social development
- 2 Partner in fighting climate change

Approach

1. Nature-based solutions
2. Value chains
3. Landscapes

Examples of Dutch Initiatives

- 1 “Mobilizing More” Climate Finance
- 2 Resilient Agro-Forestry Supply Chains
- 3 Water Sector “Builds with Nature”
- 4 Companies Boosts REDD+ Demand
- 5 Social Investors transform African Energy Markets

Thanks!
