

Herman Savenije, Tropenbos International, 28 October 2014

In response to your call below I suggest following documents for your possible interest prepared by Tropenbos International and partners:

1. In attached brochure a highlighted in yellow the documents that may be useful for your working paper (all documents can be accessed by clicking on the hyperlinks)

2. In addition I would like to mention the following somewhat older documents, which :

a. Marco Boscolo, Kees van Dijk and Herman Savenije (2010). [Financing Sustainable Small-Scale Forestry: Lessons from Developing National Forest Financing Strategies in Latin America](#). *Forests* 2010, 1, 230-249.

b. Dijk, Kees van & Herman Savenije. (2009). [Towards national financing strategies for sustainable forest management in Latin America: Overview of the present situation and the experience in selected countries](#). *Forestry Policy and Institutions*. Working Paper 21. FAO, Rome.

Holopainen, Jani and Marieke Wit (eds). (2008). [Financing Sustainable Forest Management](#). Tropenbos International, Wageningen, The Netherlands. xvi + 176 pp.

2. If you are interested in all the documents on forest financing, see our [forest financing publications pages \(http://www.tropenbos.org/publications?theme_id=3\)](http://www.tropenbos.org/publications?theme_id=3)
