3 May, 2013

Bonn, Germany

COP18 outcomes related to long-term finance

- The **extension of the work programme** on long-term finance (Decision 4/CP.18)
- Developed country Parties are encouraged to further increase their efforts to provide resources of at least to the average annual level of the fast-start finance for the period 2013-2015 (Decision 1/CP.18, para. 68)
- **Submissions by developed country Parties**, by COP19, containing information on their strategies and approaches for mobilizing scaled-up climate finance to USD 100bn per year by 2020 in the context of meaningful mitigation actions and transparency on implementation (Decision 1/CP.18, para. 67)
- In-session **High-level ministerial dialogue at COP19 in Warsaw** which will consider the progress made in the mobilization of long-term finance and efforts being undertaken by developed country Parties to scale up the mobilization of climate finance after 2012 (Decision 1/CP.18, para. 73)

MANDATE

Decision 1/CP.16 (Cancun)

Decision 2/CP.17 (Durban)

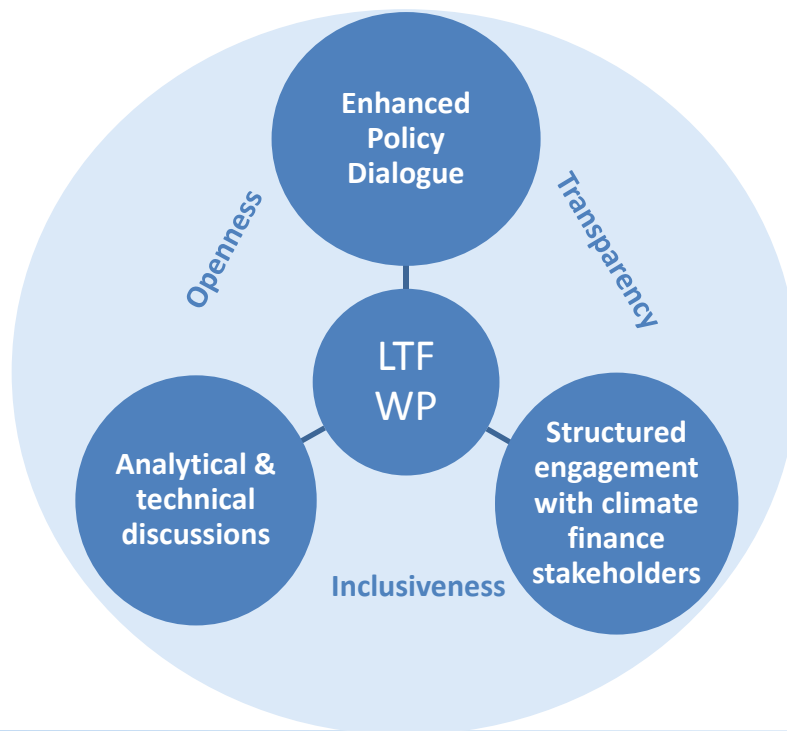

Decision 4/CP.18 (Doha)

The aim of the extended work programme is to inform developed country Parties in their efforts to identify pathways for mobilizing scaled-up climate finance to USD 100 billion per year by 2020 from public, private and alternative sources in the context of meaningful mitigation actions and transparency on implementation, and to inform Parties in enhancing their enabling environments and policy frameworks to facilitate the mobilization and effective deployment of climate finance in developing countries.

FOCUS & APPROACH

- This year's work programme will focus on areas where it can add value, building on the work programme in 2012 and taking into consideration other processes.
- "Three-tiered approach" to organizing and implementing the work programme in 2013, combining policy dialogue with focused analytical and technical discussions and structured engagement with stakeholders involved in mobilizing and delivering climate finance.

INTERACTION WITH ON-GOING PROCESSES/BODIES

- **Standing Committee on Finance**
- **Green Climate Fund**
- **Adaptation Committee/Adaptation Fund**
- **The Work Programme on REDD finance**
- **The Work Programme on Loss and Damage**
- **NAMA Work Programme**

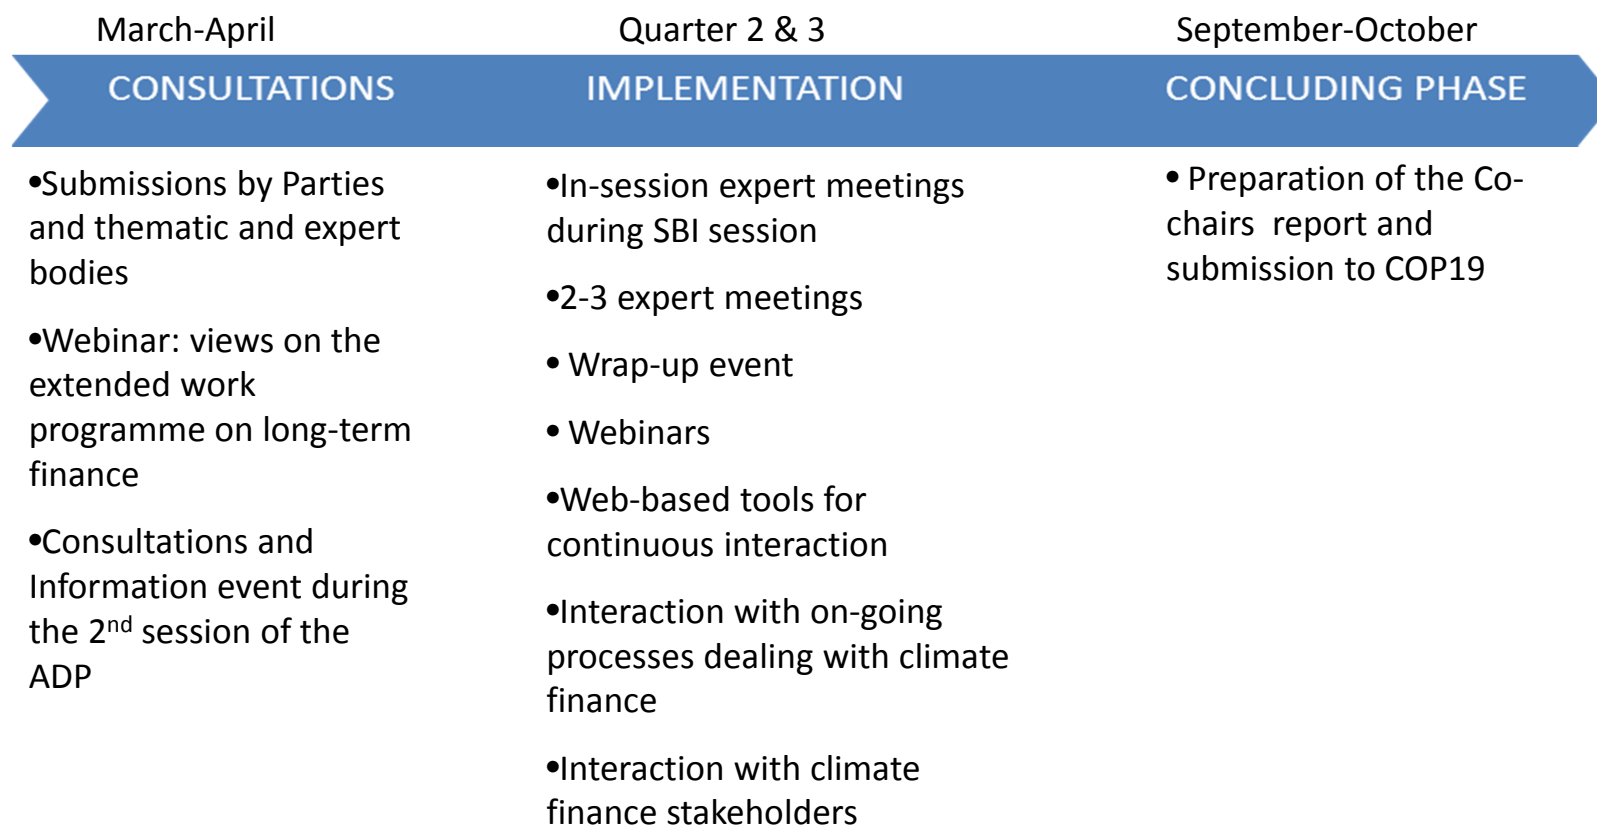

TWO PILLARS

- To inform developed country Parties in their efforts to identify pathways for mobilizing scaled-up climate finance to USD 100 billion per year by 2020 from multiple sources.
- To inform Parties in enhancing their enabling environments and policy frameworks to facilitate the mobilization and effective deployment of climate finance in developing countries.
