

User reference guide on E-forum long-term finance

Register for the e-forum

1. Click the 'register' button provided on the top page of the e-forum below;
<http://ec2-204-236-223-209.compute-1.amazonaws.com/>
2. Click 'I agree to these terms.'
3. Complete the registration form.
4. You will receive an email confirming your registration for the e-forum
5. Click the link to activate your account.
6. According to your preference, you can edit your profile such as occupation and interests on the User Control Panel. (Please note that this information may be viewable to other members. Be careful when including any personal details.)
7. Only after registration you will be able to post comments.

Join the e-forum

1. Click the forum and topic you would like to read and/or post a comment.
2. Please note that, according to the schedule of the e-forum, some fora allow users to only read contents of the topics.
3. Please be also informed that users cannot add a new forum or topic.
4. If you would like to post a comment, please click 'postreply' button within the respective forum and complete the message.

For more information on how to make use of the e-forum, please see the link below.
