1. Opening of the workshop

The pre-sessional workshop on modalities, work programme and functions under the Paris Agreement of the forum on the impact of the implementation of the response measures will be opened by the Chair of the Subsidiary Body on Implementation (SBI) and the Chair of the Subsidiary Body for Scientific and Technological Advice (SBSTA). The Chairs of the SBI and the SBSTA will propose co-facilitators to preside the workshop on their behalf.

2. Organizational matters

The workshop will be spread into two days in order to accommodate the need of delegates who will be participating other events during this period. It will be divided into three sessions for ease of organization, each of the sessions will focus on one of the three elements: functions, modalities and work programme.

Parties will have the full flexibility on the topics of discussion as they consider appropriate.

To be consistent with other Paris Agreement related pre-sessional events, the workshop will be open to Parties only. Observers, however, are welcome to join the contact group meetings of this agenda sub-item during SB 47.

3. Presentations by Parties

The presentations will be done in a round-table setting. The presenters are invited as icebreakers to initiate the discussion. Other Parties wishing to present are welcome to do so and will be included in the agenda.
