

11a Decision Structure 16/11/13

The decision should address the recommendations from the co-chairs' report where actions and work is to be taken forward by various means i.e.;

- Enhanced transparency and definitional issues related to private climate finance
- Work on finance for adaptation
- Dialogue between contributors and recipients
- Continuation of climate finance up to 2020
- Climate finance effectiveness
- Enabling environments for mobilisation of public and private finance
