## **Side-event on Intended Nationally Determined Contributions (INDCs)**

### *Provisional Agenda*

---

#### **Background**

The Conference of the Parties (COP), by its decision 1/CP.20, reiterate its invitation to each Party to communicate to the secretariat its intended nationally determined contribution well in advance of the twenty-first session of the Conference of the Parties (by the first quarter of 2015 by those Parties ready to do so) in a manner that facilitates the clarity, transparency and understanding of the INDC.

In this context, a number of Parties<sup>1</sup> have communicated their INDCs to secretariat.

#### **Programme**

The objective of the side-event is to provide an opportunity for Parties who have submitted their INDCs to share their experience in the preparation of those INDCs.

Other Parties who have not yet communicated their INDCs but are willing to share their experience at the event may make 3-min intervention during the Q&A session.
