Submission Portal

- To access the NDC registry submission portal, first need to go to the NDC Registry website : <http://www4.unfccc.int/ndcregistry>.
- Log in using the assigned user name and password for your UNFCCC user account

The screenshot displays the NDC Registry (interim) website. The header includes the UNFCCC logo, the text "NDC Registry (interim)", and navigation links for "HOME", "ALL NDCs", and "FAQ". A "Login" link is circled in red in the top right corner, with a red arrow pointing to it. Below the header is a search bar with a "SEARCH Q" button. The main content area features a background image of wind turbines and a "UNFCCC Application and Network Access Portal" login form. The form includes a "User name:" field (circled in red) and a "Password:" field. A "Log On" button is also circled in red, with a red arrow pointing to it. Below the form, there are security instructions: "For security purposes, when you finish working with this site do one of the following: • Click the Logoff button to log off from the site. • Close all browser windows (including applications that are open in other windows)." At the bottom of the form, a disclaimer states: "This site is intended for authorized users only. It is being monitored and malicious activities will be reported." The footer of the page includes the URL "http://www4.unfccc.int/ndcregistry" and a partial welcome message: "Welcome to the interim" followed by "In accordance with Article 4, paragraph 17, of the Paris Agreement, the secretariat."

PARTY NOTE

EDIT PARTY INTRODUCTORY NOTE

- NDC submission consists of documents (NDC, translation, addenda)
- Submitted documents are made publicly available with out any review or assessment. However, the secretariat conducts a security check before making them available on the public webpage;
- At any time, a Party can submit revised or new documents through the submission interface, however already published documents cannot be removed;
- The registry will store different versions of the same documents.

Communicating the first NDC

First NDC

First NDC

First NDC

A Public interim registry for NDCs

Decision 1/CP.21, paragraph 22 :

Invites Parties to communicate their first NDC no later than when the Party submits its respective instrument of ratification, acceptance, approval or accession of the Paris Agreement; if a Party has communicated an INDC prior to joining the Agreement, the Party shall be considered to have satisfied this provision unless that Party decides otherwise.

Possible options for satisfying provision of decision 1/CP.21, paragraph 22:

1. Communicate the first NDC to the interim NDC registry prior to joining the Paris Agreement
2. Automatically convert already communicated INDC into the first NDC while joining the Agreement
3. Submit the first NDC or express intention to submit it while joining the Agreement

Current status of first NDCs submitted to the registry
