FEATURES

CURRENT PROCEDURE

PUBLIC SITE

Interim NDC registry features

- web-based platform
- user-friendly operation
- flexible - different document types (mostly PDF)
- all previous versions as a matter of public record
- search, read and download recorded NDCs
- account security - only NFPs have access to record NDCs
- standard internet security measures to avoid unauthorized access and alteration of content

Current procedure

- 1. Party communicates the first NDC prior to, or while joining PA**
- 2. Automatic conversion of INDC to NDC (unless Party requests not to convert):**
 - **After Party ratifies PA, secretariat uploads the INDC as its first NDC in the registry**
 - **Party is informed via email to the focal point**
- 3. Party requests the secretariat not to convert the INDC:**
 - **Party informs the secretariat, before the ratification**
 - **Secretariat informs Party about all relevant provisions**
 - **Party submits the first NDC to be uploaded**

The screenshot shows the NDC Registry website interface. At the top left is the logo and name 'NDC Registry (pending)'. Navigation links include 'HOME', 'ALL NDCs', 'NDC Information', and 'FAQ'. A 'Paris Agreement Communicating NDCs' link is also visible. A search bar is located at the top center. On the right, there is a 'Log in for the Party' button. Below the search bar, a callout points to a search result for 'All NDCs'. A 'NDCs counter' shows '134 Parties have submitted their first NDCs'. A callout points to a section with 'Links for relevant information on NDCs and Paris Agreement'. Another callout points to a section where 'See all NDCs alphabetically arranged'. At the bottom, a table lists NDCs by country and title.
