

Declaration of the Government of the Republic of Austria

With reference to the submission on the Intended Nationally Determined Contribution of the European Union and its Member States of 6 March 2015, the Government of the Republic of Austria declares that its responsibilities under the Paris Agreement that are related to Nationally Determined Contributions will be determined by the terms of the agreement of the European Union and its Members States, including the emission level allocated to Austria (Article 4 paras. 16 - 18 of the Paris Agreement), which will be communicated once the relevant procedures have been concluded.

Done at Vienna, on 4 October 2016

The Federal Minister for Europe, Integration and Foreign Affairs
