Structural proposals

- **Consolidation across chapters...**
 - Issues related to financing in adaptation, mitigation and technology chapters should be placed in finance chapter:
 - Proposals on “mechanisms for facilitating financial support for NAMAs” (paras. 77–87) should be moved from the mitigation chapter into the financing chapter.
 - Move chapter III.B, subsection 4 on Measurement, reporting and verification of support to chapter IV
 - Move chapter III.B, subsection 5 on Institutional arrangements to chapter IV
- **Structural changes within the finance chapter**
 - The chapter should be structured as follows:
 - Objectives, role of UNFCCC and guiding principles,
 - Sources of funds,
 - Actions by all Parties,
 - Institutional arrangements
 - Text identifying the objectives and scope for the ‘enhanced action on the provision of financial resources and investment’ (elements from paras 167–170) should precede text on principles for implementation (para 166).
