2. The branch may wish to consider document CC-2007-1-9/Greece/EB, "Plan under section XV of annex to decision 27/CMP.1," which was submitted by Greece on 16 July 2008 in relation to the 17 April 2008 decision of the branch contained in document CC-2007-1-8/Greece/EB, for review and assessment by the branch pursuant to section XV, paragraph 2, of the annex to decision 27/CMP.1.

4. Stocktaking exercise

3. At its fourth meeting the branch agreed to make an oral report to the plenary, through the chairperson, on lessons learned and experience gained from questions of implementation considered prior to the fifth meeting of the plenary, and to put the matter on the agenda of a meeting of the branch preceding the fifth meeting of the plenary, if possible.
4. A stocktaking exercise to look back at the branch's work for the year and to reflect on improvements that can be made to its consideration of questions of implementation is scheduled as part of the sixth meeting of the branch. To help structure discussions during the stocktaking, the branch agreed that the chairperson and the vice-chairperson, with the assistance of the secretariat, would develop a list of preliminary issues that will be circulated to members and alternate members of the branch for comment. The list of issues, as finalized by the chairperson and vice-chairperson following comments from members and alternate members of the branch, is now reflected in a background note with annotations prepared by the secretariat in consultation with the chairperson and vice-chairperson, and contained in document CC/EB/6/2008/2.
