

DER BOTSCHAFTER DER UKRAINE
IN DER BUNDESREPUBLIK DEUTSCHLAND

Berlin, 30 August 2016

Ms. Marianna Bolshakova

**Secretary to the Compliance Committee
UNFCCC Secretariat**

Dear Ms. Bolshakova,

I would like to express my sincere appreciation to you and to the Compliance Committee for cooperation and support of Ukraine.

Taking this opportunity I would like to inform on the following.

In respect to your letter dated 22 July 2016 Ref. No. MBO/drl and in addition to written submission of Ukraine in accordance with section X, paragraph 1 (e) of the annex to decision 27/CMP.1, dated 22 July 2016 Ref. No. CC-2016-1-5/Ukraine/EB, Ukraine would like to inform the members of the Enforcement Branch of the Compliance Committee that starting from 3 August 2016 Ukraine has re-established connection between the ITL and National Electronic Registry of Anthropogenic Emissions and Absorption of Greenhouse Gases of Ukraine (UA Registry), renewed SSL Certificate and exchanged test messages successfully. Upon request of the ITL Administrator the status of UA Registry was set to "reconciliation only". On 23 August 2016, reconciliation and time synchronization were successfully completed.

The Ukrainian side would appreciate if the mentioned information could be taken into account during consideration of the questions of implementation with respect to Ukraine at the 29th meeting of the Enforcement Branch of the Compliance Committee to be held on 7 September 2016 in Bonn, Germany.

Sincerely yours,

Andriy Melnyk
