

**Status of national communications and reports
demonstrating progress of Annex I Parties**

Note by the secretariat

1. Fourth national communications from Annex I Parties were due to be submitted to the secretariat by 1 January 2006 (decision 4/CP.8). For Parties to the Kyoto Protocol, this is also their first national communication under the Protocol.
2. In accordance with the guidelines for review under Article 8 of the Kyoto Protocol, annexed to decision 22/CMP.1, delays in submitting national communications (beyond six weeks after the due date) should be brought to the attention of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol and the Compliance Committee, and made public. The guidelines also stipulate that if an Annex I Party anticipates a delay in submission, the Party should inform the secretariat before the due date.
3. The attached table provides a summary of the status of submission of fourth national communications and reports demonstrating progress from Annex I Parties that are also Party to the Kyoto Protocol.
