

Standard Independent Assessment Report (SIAR)

Conflict of interest and confidentiality policy

I solemnly declare that,

1. I shall avoid all conflicts of interest, real, potential or perceived, including conflicts relating to securities trading, to the best of my ability. I shall disclose immediately to the UNFCCC secretariat Responsible Officer any personal, associational or pecuniary interest in any matter relating to my functions that may be perceived to constitute a conflict of interest or that might be perceived to be inconsistent with the requirements of independence and impartiality expected of a staff member. If requested by the Responsible Officer, I shall refrain from participating in assessment activities.
2. I shall keep the annual submission and any document I receive from the Party I will assess confidential.
3. I shall not disclose any information received from UNFCCC secretariat staff who indicates that the information is confidential, or contained in any document provided to me by secretariat staff that is marked as “confidential” or “strictly confidential” except to those individuals or entities which the secretariat has indicated may be provided such information, and in accordance with any distribution markings on the document.
