5. Previous Expert Review Team recommendations

This section provides information on the completeness of Party's annual submission in addressing the previous annual review recommendations. If the Expert review team has made recommendations in the previous review, this section should list them and party's annual submission is checked if it covers each recommendation.

Ref Nr	Recommendation from previous Annual Review report (with ref)	Has Party covered the recommendation in its submission?	Comment
P1.5.1	<p>Annual Expert Review team recommends in its report FCCC/ARR/2010/LUX under II.G part, point 90 that in SIAR identified that the national registry has not completely fulfilled all requirements regarding the public availability of information in accordance with chapter II.E of the annex to decision 13/CMP.1. Moreover, Luxembourg should clarify the information reported on its public website pursuant to paragraph 46(a–d) of the annex to decision 13/CMP.1 concerning projects related to Article 6 of the Convention. If the Party does not participate in joint implementation projects, the Party should state this both in its annual submission and on its public website. The ERT recommends that Luxembourg address these problems and report the results in its next annual submission.</p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	<p>The Party provides reference to this publicly available information in NIR chapter 14 point 12.</p> <p>Party has reported that as there were no Joint Implementation projects (JI projects) so far, the page displaying the information on this project still shows an empty list (“No Entries”). A bug was filed to display an additional statement to clearly inform the users that “No Entries” corresponds with the fact that no Article 6 projects took place yet. This bug has however not been implemented in production yet, due to delayed software upgrades (bug milestone is set to version 2.0 of the registry software).</p>
