1.2. Summary of findings

Ref Nr	Summary of findings
P2.2.1	<ol style="list-style-type: none"> 1) The information on Kyoto Protocol units has been reported in accordance with section I.E of the annex to decision 15/CMP.1 and is accurate. The national registry continues to fulfil all requirements related to its reporting and accounting of information on Kyoto Protocol units, transaction procedures, conformance to the technical standards, public availability of information, security, data integrity, and recovery measures. 2) Finland has reported information on its accounting of Kyoto Protocol units in the required SEF tables, as required by decisions 15/CMP.1 and 14/CMP.1. The SIAR assessor reviewed the findings included in the SIAR on the SEF and the SEF comparison report.¹ The SIAR was forwarded to the ERT prior to the review, pursuant to decision 16/CP.10. 3) Information on the accounting of Kyoto units has been prepared and reported in accordance with section I E of the annex to decision 15/CMP.1, and reported in accordance with decision 14/CMP.1 using the SEF tables. 4) The Party has reported on corrective actions undertaken to reduce discrepancies between the national registry and the ITL, improve reporting on any discrepancies occurring, improve registry conformance with message flows and technical standards, and improve the availability of public information. Further, the Party provided information on plans for switching registry providers. These actions were identified as necessary by the previous ERT. 5) The Party provided access to information from its national registry that substantiated for clarified the information reported in its annual submission. 6) The SIAR assessor found that that the national registry continues to perform the functions set out in the annex to decision 13/CMP.1 and the annex to decision 5/CMP.1, and continues to adhere to the technical standards for data exchange between registry systems in accordance with relevant Conference of the Parties serving as the meeting of the Parties (CMP) to the Kyoto Protocol decisions. 7) Finland has reported its commitment period reserve in its 2009 annual submission. 8) The national registry has fulfilled all requirements regarding the public availability of information in accordance with section II.E of the annex to decision 13/CMP.1.

¹ The SEF comparison report is prepared by the ITL administrator and provides information on the outcome of the comparison of data contained in the Party's SEF tables with corresponding records contained in the ITL.
