

Questions¹ from the AWG-KP Chair to Parties on eligibility

1. When you speak of eligibility, what are you referring to?
 - a. For example, do you mean eligibility of those Annex I Parties which are part of CP2 to use the KP mechanisms from 1 January 2013?
 - b. Or do you mean participation in the mechanisms by those Annex I Parties which do not take a CP2 commitment?
 - c. Do you distinguish between eligibility for emissions trading, CDM and JI?
2. What are the major concerns of your delegation or group on this issue?
3. Do you see any compromise solutions? And can you provide textual suggestions for solutions?
4. How do you see the implications for the carbon markets and the Adaptation Fund?
5. What is the purpose of participation in the KP flexibility mechanisms for those Annex I Parties, which do not take commitments in CP2?

¹ These questions were posed to Parties by the Chair of the AWG-KP at the contact group meeting of Monday, 3 September, 2012.
