

## Enhanced action on adaptation and its means of implementation

### Supplement to annex II contained in document FCCC/AWGLCA/2009/INF.2/Add.1

1. At its informal meeting held in Bonn, Germany, from 10 to 14 August 2009, the Ad Hoc Working Group on Long-term Cooperative Action under the Convention considered a revised negotiating text contained in document FCCC/AWGLCA/2009/INF.1. Chapter II on enhanced action on adaptation and its means of implementation was considered by an informal group with the goal of revising the text further. Progress in the consolidation efforts undertaken by the facilitators of the informal group on adaptation is captured in annex II to document FCCC/AWGLCA/2009/INF.2.
2. As requested by Parties, the consolidated text is accompanied by two types of explanatory table. The first, contained in document FCCC/AWGLCA/2009/INF.2/Add.1, tabulates the paragraph numbers in the consolidated text, shows from which paragraphs in document FCCC/AWGLCA/2009/INF.1 they originate, and explains the rationale and consolidation processes behind the new paragraphs. The second type of table, contained in this document in Tables 1–7 below, maps the paragraph numbers from document FCCC/AWGLCA/2009/INF.1 and shows where the text in those paragraphs can now be found in the consolidated text (FCCC/AWGLCA/2009/INF.2).
