

## **Workshop on mechanisms - NGO inputs**

During the workshop on mechanisms (Bonn, 5-8 June 2000), at the evening session on 6 June (19:00-21:00), the NGO constituencies will have the opportunity to provide inputs on the "**Text for further negotiation on principles, modalities, rules and guidelines**", contained in document FCCC/SB/2000/3, as follows:

Business and Industry NGOs - 30 min (3 presentations)  
Environmental NGOs – 30 min (3 presentations)  
Local Governments and Municipal Authorities –10 min (1 presentation)

A detailed agenda, draft statements and names of presenters should be submitted to the secretariat by the facilitators for the respective constituencies by 2 June 2000.

Those accredited NGOs interested in making a contribution, should contact the appropriate constituency facilitator. The contact information for the constituencies is as follows:

**Written inputs**

Accredited NGOs who would like written inputs on document FCCC/SB/2000/3 to be distributed to the Parties, may do so by making available 300 copies of their text. These copies may be given through the NGO Liaison officer, following which these copies may be distributed at the back of the room during the evening session of the Workshop on Mechanisms on June 6.

It would be highly recommended that these views be as concise as possible.

For any further information please contact Barbara Black,  
NGO Liaison Officer, Climate Change Secretariat.
