

**Tentative schedule of special events for the sixteenth sessions of the Subsidiary Bodies**

**Bonn, 5 - 14 June 2002**

(as at 11 June 2002)

<b>Date / Time</b>	<b>Title</b>	<b>Organizer and contact information</b>	<b>Theme</b>
Wednesday, 5 June 1 - 3 p.m.	Technology transfer	UNFCCC  Contact: Yolando Velasco Tel.: yvelasco@unfccc.int Fax: (49-228) 815-1427 E-mail: (49-228) 815-1999	Presentations of the expert workshops on technology information systems in Beijing and the expert meeting on technology needs assessments in Seoul in April 2002
Wednesday, 5 June 1 - 3 p.m.	Preparing for stage II adaptation: an adaptation policy framework	United Nations Development Programme (UNDP) in collaboration with the International Institute for Environment and Development (IIED)  Contact: Bo Lim Tel.: (44-20) 7872 7257 Fax: (44-20) 7388 2826 E-mail: bo.lim@undp.org	Implementing an adaptation policy framework: initial results from users in non-Annex I Parties
Wednesday, 5 June 1 - 3 p.m.	Forest, people and climate	IUCN -The World Conservation Union  Contact: Brett Orlando Tel.: (41-22) 999-0001 Fax: (41-22) 999-0025 E-mail: brett.orlando@iucn.ch	How afforestation and reforestation projects in the CDM can be implemented using agro-forestry and forest landscape restoration approaches
Wednesday, 5 June 6. 30 p.m.	<i>Reception hosted by the City of Bonn and BMU at the Town Hall (Altes Rathaus) in Bonn</i>		
Thursday, 6 June 1 - 3 p.m.	Good practice guidance for LULUCF	Intergovernmental Panel on Climate Change (IPCC)  Contact: Kyoko Miwa Tel.: (81-468) 55-3750 Fax: (81-468) 55-3808 E-mail: miwa@iges.or.jp	IPCC National greenhouse gas inventories programme - a work programme on land use, land-use change and forestry
Thursday, 6 June 1 - 3 p.m.	Trading CO <sub>2</sub> and electricity in the Baltic Sea region: the BASREC simulation	International Energy Agency (IEA) in collaboration with Organisation for Economic Co-operation and Development (OECD)  Contact: Jenny Gell Tel.: (33-1) 4057-6720 Fax: (33-1) 4057-6709 E-mail: Jenny.GELL@iea.org	

Date / Time	Title	Organizer and contact information	Theme
Thursday, 6 June 1 - 3 p.m.	The World Bank/Prototype Carbon Fund (PCF) and beyond	The World Bank  Contact: Ken Newcombe Tel.: (1-202) 473-6010 Fax: (1-202)522-7432 E-mail: knewcombe@worldbank.org	Progress report and lessons learned from the implementation of the World Bank Prototype Carbon Fund and the World Bank carbon strategy beyond the PCF
Thursday, 6 June 6 - 8 p.m.	Harmonizing forest-related definitions	Food and Agriculture Organization of the United Nations (FAO)  Contact: Gustavo Best Tel.: (39-065)7055-534 Fax: (39-065) 7053-369 E-mail: gustavo.best@fao.org	A joint international effort by FAO, IPCC, International Union of Forest Research Organizations (IUFRO), CIFOR and UNEP to harmonize core forest-related definitions for improving consistency and co-ordination between conventions and processes, and for facilitating negotiations and for easing reporting
Thursday, 6 June 6 - 8 p.m.	The ancestral use of indigenous territories and the impact of climate change mitigation measures on indigenous peoples and local communities	International Alliance of Indigenous - Tribal Peoples of the Tropical Forests*  Contact: Rebel Owens Tel.: (44- 20) 7587-3737 Fax: (44-20) 7793-8686 E-mail: rebelowens@international-alliance.org	This event will reiterate the participation of indigenous peoples in the climate change process. Speakers will highlight the practice of indigenous peoples' ancestral and traditional use of the Earth in relation to climate change
Thursday, 6 June 6 - 8 p.m.	Article 6: education, training and public awareness. Developing a SBSTA work programme: issues for consideration	UNFCCC  Contact: Laurence Pollier Tel.: (49-228) 815-1505 Fax: (49-228) 815-1999 E-mail: lpollier@unfccc.int	Presentation of the outputs of the workshop held on 2-3 June to develop a SBSTA work programme on Article 6.
Friday, 7 June 1 - 3 p.m.	Capacity building for observer systems for climate change: The GCOS regional workshop programme	WMO/Global Climate Observing System (GCOS) in collaboration with UNDP and Global Environmental Facility (GEF)  Contact: William Westermeyer Tel.: (41-22) 730 8083 Fax: (41-22) 730 8052 E-mail: westermeyer_w@gateway.wmo.ch	Presentation on the action plans developed by the Eastern and Southern Africa and Pacific Islands regions to improve observing systems for climate
Friday, 7 June 1 - 3 p.m.	Country experiences with technology needs assessments	International Energy Agency (IEA) in collaboration with Climate Technology Initiative (CTI)  Contact: Nathan Perry Tel.: (33-1) 4057-6767 Fax: (33-1) 4057-6749 E-mail: Nathan.PERRY@iea.org	Technology transfer

Date / Time	Title	Organizer and contact information	Theme
Friday, 7 June 1 - 3 p.m.	Medical uses of hydrofluorocarbons: discussion of the medical, technical and policy aspects	European Federation of Asthma and Allergy Associations (EFA) in collaboration with International Pharmaceutical Aerosol Consortium (IPAC) and American Lung Association (ALA)*  Contact: Debbie Armstrong Tel.: (1-202) 408-7169 Fax: (1-202) 289-1504 E-mail: darmstrong@de.gcd.com	A discussion of medical uses of HFCs, including implications for patients, policy linkages between the Montreal Protocol and the Kyoto Protocol, and a review of policy options for delegates
Friday, 7 June 6 - 8 p.m.	Public participation in the CDM: next steps in broadening opportunities for CDM success and overcoming barriers to access to information and justice	Greenpeace International  Contact: Nathalie Eddy Tel.: (1-202) 319-2446 Fax: (1-202) 462-4507 E-mail: nathalie.eddy@wdc.greenpeace.org	CDM and the public participation provisions
Friday, 7 June 6 - 7 p.m.	Experience from public tenders for greenhouse gas reduction projects	^	Lessons learned in recent GHG tenders (Hamburg CO <sub>2</sub> -contest, ERUPT/CERUPT, Australian model) and implications for future strategies at a national and international level
Friday, 7 June 7 - 8 p.m.	The flexible mechanisms in practice	Fraunhofer Institute for Systems and Innovation Research (ISI)  Contact: Silke Wartmann Tel.: (49-721) 6809-349 Fax: (49-721) 6809-152 E-mail: silke.wartmann@isi.fhg.de	Results of two projects dealing with the implementation of the flexible mechanisms in German companies: a manual and an emissions trading simulation game
Saturday, 8 June 1 - 3 p.m.	Russian green investment scheme: potential partnerships	Imperial College / Climate Strategies  Contact: Anna Corppoo Tel.: (44-207) 594-7307 Fax: (44-207) 594-9334 E-mail: a.korppoo@ic.ac.uk	Update on the "Russian green investment scheme" project on a potential arrangement to recycle revenues from emissions trading to emission reduction projects in Russia
Saturday, 8 June 1 - 3 p.m.	NSS programme	The World Bank Contact: Peter Kalas Tel.: (1-202) 458-5647 Fax: (1-202) 522-2130 E-mail: pkalas@worldbank.org	Presentation of latest results from the NSS programme in Thailand, Chile, other information

Date / Time	Title	Organizer and contact information	Theme
Saturday, 8 June 1 - 3 p.m.	Greenhouse gas emissions from dams	International Rivers Network (IRN)  Contact: Elisabeth Brink Tel.: (1-510) 848-1155 Fax: (1-510) 848-1008 E-mail: ebrink@irn.org	The event will present scientific evidence of significant greenhouse gas emissions from dams and their associated reservoirs
Monday, 10 June 1 - 3 p.m.	Presentation of new national communications submitted to the secretariat by non-Annex I Parties	UNFCCC  Contact: William Otieno/Martha Perdomo Tel.: (49-228) 815-1529 Fax: (49-228) 815-1999 E-mail: wotieno@unfccc.int	Presentation of new national communications from non-Annex I Parties
Monday 10 June 1 - 3 p.m.	Climate change, adaptation and vulnerable communities	IUCN - The World Conservation Union  Contact: Brett Orlando Tel.: (41-22) 999-0001 Fax: (41-22) 999-0025 E-mail: brett.orlando@iucn.org	Methods and approaches to reduce vulnerability of communities to climate-related disasters and climate change. It will explain the links between climate change adaptation, disaster management and natural resource management
Monday, 10 June 1 - 3 p.m.	Convergence of GHG regimes and linking of trading schemes		Presentations of scenarios for the convergence of Kyoto and non-Kyoto GHG regimes as well as possibilities for the linking of domestic trading schemes
Monday, 10 June 1 - 3 p.m.	Climate change and conflict prevention	German delegation and the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety in co-operation with Finland, Mexico and the United Kingdom  Contact: Frank Kannenberg Tel.: (49-1888) 305-2316 Fax: (49-1888) 305-3337 E-mail: Kannenberg.Frank@bmu.de	Climate change and conflict prevention - Is there evidence for linkages? How should they elaborate? Can these issues support the Kyoto process and the future success of the UN Convention on Climate Change?
Monday, 10 June 6.30 p.m.	Official reception of the Executive Secretary, the President of COP 7 and the UNFCCC secretariat on the occasion of the 10th Anniversary of the opening for signature of the Convention .		
Tuesday, 11 June 1 - 3 p.m.	Presentations of problems and constraints by some non-Annex I Parties that are yet to submit their national communications	UNFCCC  Contact: William Otieno/Martha Perdomo Tel.: (49-228) 815-1529/815-1409 Fax: (49-228) 815-1999 E-mail: wotieno@unfccc.int/mpperdomo@unfccc.int	Presentation of problems and constraints by some non-Annex I Parties that are yet to submit their national communications

Date / Time	Title	Organizer and contact information	Theme
Tuesday, 11 June 1 - 3 p.m.	Climate change activities in the United States of America (Congress, companies and states)	Pew Centre on Global Climate Change  Contact: Christie Jorge Santelises Tel.: (1-703) 516-4146 Fax: (1-703) 841-1422 E-mail: jorgec@pewclimate.org	Overview of climate change activities in the United States, with an emphasis on Congress, companies and states
Tuesday, 11 June 1 - 3 p.m.	CDM - British Petroleum solar project in Brazil	World Business Council for Sustainable Development (WBCSD) in collaboration with BP and UNDP  Contact: Susanne Haefeli Tel.: (4122) 839 31 34 Fax: (41-22) 839 31 31 E-mail: haefeli@wbcscd.org	Taking projects through the CDM process. Common best practices and pitfalls in CDM implementation
Tuesday, 11 June 6 - 8 p.m.	The role of companies in the Kyoto mechanisms	International Chamber of Commerce (ICC)  Contact: Norine Kennedy Tel.: (1-212) 703-5052 Fax: (1-212) 703-4480 E-mail: nkennedy@uscib.org	As nations consider means to implement the Kyoto Protocol, a number of issues arise concerning the ability of companies to participate in the Kyoto mechanisms and the consequences of participation or non-participation
Tuesday, 11 June 6 p.m. - 7 p.m.	Emission factor database	Intergovernmental Panel on Climate Change (IPCC)  Contact: Kyoko Miwa Tel.: (81-468) 55-3750 Fax: (81-468) 55-3808 E-mail: miwa@iges.or.jp	Presentation of the IPCC database on greenhouse gas emission factors
Tuesday, 11 June 7 p.m. - 8 p.m.	German support for CDM-capacity building	German delegation in collaboration with the Gesellschaft fuer Technische Zusammenarbeit GmbH/German Technical Cooperation (GTZ)  Contact: Holger Liptow Tel.: (49-6196) 79-1352 Fax: (49-6196) 79-6320 E-mail: holger.liptow@gtz.de	Experiences and perspectives of the GTZ support programme for CDM activities in developing countries with a focus on national institution-building. In addition, issues on the bundling of energy efficiency projects in industry will be discussed
Tuesday, 11 June 6 - 8 p.m.	Dealing with adaptation to climate change in the context of national sustainable development	Bangladesh Centre for Advanced Sciences (BCAS)  Contact: Atiq Rahman Tel.: (1-212) 906 5730 Fax: (1-212) 906 6568 E-mail: atiq.r@bdcom.com	

Date / Time	Title	Organizer and contact information	Theme
Wednesday, 12 June 1 - 3 p.m.	Book Launch: Establishing national authorities for the CDM	International Institute for Sustainable Development (IISD)  Contact: Jodi Browne Tel.: (1-613) 238-9821 Fax: (1-613) 238-8515 E-mail: jbrown@iisd.ca	The Climate Change Knowledge Network, Center for Sustainable Development in the Americas (CSDA) and IISD welcome invitees to the official launch of the new guide on establishing national authorities for the CDM
Wednesday, 12 June 1 - 3 p.m.	Methodological assessment of contributions to climate change	UNFCCC and the delegation of Brazil  Contact: Niklas Höhne Tel.: (49-228) 815-1000 Fax: (49-228) 815-1999 E-mail: nhohne@ecofys.de	The UNFCCC secretariat has been requested to organize a workshop to facilitate the exchange of information about methodological approaches for calculating the contributions to climate change. This side event will inform interested delegates about the process under way to facilitate the exchange of information. Mr. Gylvan Meira Filho will present information on a Brazilian model used to make such calculations
Wednesday, 12 June 1 - 3 p.m.	Emissions of perfluorocarbons (PFCs) from the aluminium industry, a decade of progress	International Aluminium Institute (IAI)  Contact: Willy Bjerke Tel.: (44-207) 937-0528 Fax: (44-207) 937-0183 E-mail: ial@world-aluminium.org	The primary aluminium industry has been identified as a major man-made source of emissions of two perfluorocarbon compounds (PFCs), Tetrafluoromethane (CF <sub>4</sub> ) and Hexafluoroethane (C <sub>2</sub> F <sub>6</sub> ). These compounds have high global warming potential (GWP) as compared to carbon dioxide (CO <sub>2</sub> ) and have long atmospheric lifetimes. The presentation will describe the aluminium industry's response to these challenges, the results so far and the opportunities for the future
Wednesday, 12 June 6 - 8 p.m.	Capacity-building needs and green investment schemes in Russia	Energy Carbon Fund* (ECF)  Contact: Marina Martynova Tel.: (7-095) 786-2212 Fax: (7-095) 220 61 79 E-mail: ecf@elektra.rao.ru	Presentation of the draft capacity-building action plan proposal to international stakeholders for discussion on the current status and further development needs. Views of the biggest corporate emitters on a proposal for a Russian green investment scheme
Wednesday, 12 June 6:30 - 8 p.m.	CDM and JI projects: monitoring guidance and electricity baseline recommendations	International Energy Agency (IEA) and Organisation for Economic Co-operation and Development (OECD)  Contact: Martina Bosi, IEA; Jane Ellis, OECD Tel.: (33-1) 4057-6722; (33-1) 4524-1598 Fax: (33-1) 4057-6739; (33-1) 4524-7876 E-mail: marina.bosi@iea.org; jane.ellis@oecd.org	To present and discuss insights from two recently completed OECD/IEA studies, under the auspices of the Annex I Expert group on the UNFCCC: "the practical baseline recommendations for GHG mitigation projects in the electric power sector" and "developing guidance on monitoring and project boundaries for GHG projects" studies
Wednesday, 12 June 6 - 8 p.m.	Potent industrial greenhouse gases: climate and ozone policy at the crossroads	Climate Action Network (CAN)  Contact: Maria Cordeiro Tel.: (32-2) 229-5225 Fax: (32-2) 229-5229 E-mail: maria@climnet.org	Examination of the use and promotion of fluorinated greenhouse gases as ozone-depleting substance replacements, and emphasising the role of alternatives that are neither ozone nor climate-damaging

Date / Time	Title	Organizer and contact information	Theme
Thursday, 13 June 1 - 3 p.m.	GEF briefing on NAPAs and national focal point support for LDCs.	Global Environmental Facility (GEF) and UNFCCC  Contact: Avani Vaish Tel.: (1-202)473-4647 Fax: (1-202) 522-3240 E-mail: avanish@worldbank.org	Briefing on preparations for supporting LDCs to prepare NAPAs under the LDC fund established by COP 7. The GEF and UNITAR will provide a briefing on the information technology assistance the GEF has provided to climate change focal points in LDCs.
Thursday, 13 June 1 - 3 p.m.	How to address scale, leakage and permanence in LULUCF projects	The Nature Conservancy  Contact: Ellen Hawes Tel.: (1-703) 841-5828 Fax: (1-703) 276-3241 E-mail: ehawes@tnc.org	Authors of analytical papers explore approaches to ensuring LULUCF projects result in measurable benefits to the atmosphere while avoiding adverse environmental and social effects
Thursday, 13 June 1 - 3 p.m.	The partnership for climate action	Environmental Defense  Contact: Andrew Aulisi Tel.: (1-212) 616-1230 Fax: (1-212) 505-5375	The presentation will highlight the work and priorities of the Partnership for Climate action, a collaboration of business and environmental leaders dedicated to climate protection.
Thursday, 13 June 6 - 8 p.m.	Standardizing procedures for JI and CDM baselines and accounting	Fondation Joint Implementation Network (JIN)  Contact: Catrinus Jepma Tel.: (31-50) 309 6815 Fax: (31-50) 309 6815 E-mail: jjq@northsea.nl	Presentation on standardizing JI and CDM project baselines and accounting, on research done by EU-funded PROBASE and by the Japanese working group on baselines
Thursday, 13 June 6 - 8 p.m.	The Kyoto Protocol and the competitiveness of EU industries: Can EU industries dodge the Kyoto Protocol?	National Institute of Public Health and the Environment (RIVM)  Contact: Andre de Moor Tel.: (31-30) 274-2432 Fax: (31-30) 274-4435 E-mail: andre.de.moor@rium.nl	Identification of the sector implications of the Kyoto Protocol for EU industries and to discuss policy options to soften the consequences
* Organizations applying for "provisional attendance" to sessions of the Subsidiary Bodies
