

## Briefings at ADP 2

*Information as of 4 June 2013*

According to decision 1/CP.17, paragraph 6, the Ad Hoc Working Group on the Durban Platform for Enhanced Action (ADP) is to be informed, inter alia, by the Fifth Assessment Report of the Intergovernmental Panel on Climate Change, the outcomes of the 2013–2015 review and the work of the subsidiary bodies.

At the first part of the second session (ADP 2.1)<sup>1</sup> the Co-Chairs of the ADP invited the Chair of the Subsidiary Body for Scientific and Technological Advice (SBSTA) and Chair of the Subsidiary Body for Implementation (SBI) to inform the ADP on relevant work of those bodies. The briefings provided by the SBSTA and SBI Chairs at the opening plenary of ADP 2.1 are available at the UNFCCC website.<sup>2</sup> They also give an overview on relevant work that is being advanced under the SBs during the June session. Information on the in-session events as well as on the 38<sup>th</sup> sessions of the SBSTA and the SBI in general can be found on the UNFCCC website.<sup>3</sup>

Parties welcomed the briefing and expressed interest in more specific briefings on ongoing work of relevance to the ADP. These include specific briefings on the work of the Adaptation Committee and the LDC Expert Group as part of the workshop under workstream 1 (the 2015 agreement),<sup>4</sup> as well as briefings as part of the workshop under workstream 2 (pre-2020 ambition).<sup>5</sup>

In addition, the ADP Co-Chairs have made arrangements for briefings on the ongoing and planned work of institutions and arrangements relevant to the provision of support for both mitigation and adaptation action under the Convention, planned for 6 June, 11.30–13:00.<sup>6</sup> These include briefings by:
