I. General information

A. Welcome

Welcome to the United Nations Climate Change Conference May 2012, host to the 36th sessions of the SBSTA and the SBI, the 17th session of the AWG-KP, the 15th session of the AWG-LCA and the 1st session of ADP, held at the Hotel Maritim. Bonn. In this brochure you will find information and contact details for all official Side Events and Exhibits to be held during the conference.

Access: Presenters and other participants of Side Events and/or Exhibits must be registered through a Party or an observer organization and in possession of a conference badge in order to access the conference venue.

Locations: Most Side Events are held at the Ministry for the Environment or the Ministry of Transport at Robert-Schuman-Platz, a three-minute walk from the Hotel Maritim.

- [Ministry for the Environment \(MoE\)](#): Rooms SOLAR and WIND
- [Ministry of Transport \(MoT\)](#): Rooms METRO and RAIL
- [Hotel Maritim](#): Rooms to be announced on the CCTV monitors

Exhibits are located in the foyer and the corridor between Saal Maritim and Saal Beethoven on the ground floor of the Hotel Maritim. Please consult the list of Exhibits on [page 23](#) and the floor plan on [page 29](#) for the exact locations of Exhibit booths.

Meeting schedule: For details on individual meetings, venues and other activities please consult the [UNFCCC website](#), the Daily Programme, the CCTV monitors or the noticeboards opposite the Information Counter in the foyer of the Hotel Maritim. Last-minute changes can be shown only on the CCTV monitors.

Daily Programme: The Daily Programme is available at the Documents Counter located in the foyer of the Hotel Maritim and on the [UNFCCC website](#). The Daily Programme provides detailed information on all scheduled meetings of the Convention bodies meetings of other groups, and announcements relevant to the conference.

In addition to the Daily Programme, all official documents and the list of participants are available at the Documents Counter. UNFCCC documents are also available in the "[Documents](#)" section of the UNFCCC website.

Pigeonholes: Please refer to the "[Information for Participants](#)" brochure.

Reception

Monday, 14 May 2012 at 7 p.m.

A reception hosted by the Federal Ministry for the Environment, Nature Protection and Nuclear Safety and the City of Bonn will take place at
Kunst- und Ausstellungshalle der Bundesrepublik Deutschland
(Underground station: Heussallee/Museumsmeile)
Museumsmeile Bonn, Friederich-Ebert-Allee 4, 53113 Bonn

All conference participants are warmly invited.

II. Side Events

The Side Event programme for the United Nations Climate Change Conference May 2012 contains **76** events focused on major issues in the Convention process. Side Events will take place at the following locations:

- [Ministry for the Environment \(MoE\)](#): Rooms SOLAR and WIND
- [Ministry of Transport \(MoT\)](#): Rooms METRO and RAIL
- [Hotel Maritim](#): Rooms to be announced on the CCTV monitors

For a breakdown of the Side Events, please see our [web schedule](#), which allows events to be sorted by category as well as by organizer group.

Make your presentations available to a global audience

An upload facility is available to all Side Event organizers for uploading draft agendas in advance and sharing presentation files with participants after the event. The upload facility is also available to all Exhibit organizers for uploading electronic publications to the UNFCCC website. The facility can be accessed on the online registration system through your personal account. Changes can be made by replacing or deleting the existing files up to four weeks after the sessions. Please note that individual files should not exceed 4 MB, but you may upload as many files as needed.

A. UNFCCC and related events only

UNFCCC and related events are listed in the table below.

Locations:

MoE (Ministry for the Environment, first floor): Rooms WIND and SOLAR

MoE (Ministry for the Environment): Rooms METRO and RAIL

III. Exhibits²

The exhibition area in the Hotel Maritim includes 22 Exhibit booths on a range of subjects relating to the Convention. Owing to the high number of applications, there will be different Exhibits during the first week and the second week, with a total number of 38 Exhibits over the fortnight of the conference.

Exhibits will take place throughout the conference. The stand numbers in this table correspond to those on the floor plan on [page 29](#).

B. Climate Change Kiosk

Where do I find information on the process and the secretariat?

The central point for information on climate change and the secretariat and its work is the **Climate Change Kiosk**, located in the foyer of the Hotel Maritim, where a range of documents are available in hard copy and electronic form. This includes selected hard copies of UNFCCC publications.

Contact information:

Mr. Alexander Saier

asaier@unfccc.int

C. Climate Change Publications Counter

Publications that are clearly attributed to a Party or an admitted observer organization that is not exhibiting may be distributed and displayed at the Climate Change Publications Counter, after approval. The counter is located on the ground floor in the central foyer of the Hotel Maritim. For approval, please provide a sample to the Observer Organizations Liaison Team at the Side Events and Exhibits Coordination Office (see [page 6](#)). The counter cannot manage large volumes, but will assist in changing the range of documents on display.

Organizers of Exhibits are requested to display and distribute documents at their own booths. Side Event advertisements and invitations can be posted on the noticeboards located opposite the Information Counter.

Documents that are deposited elsewhere or not attributed will be removed.

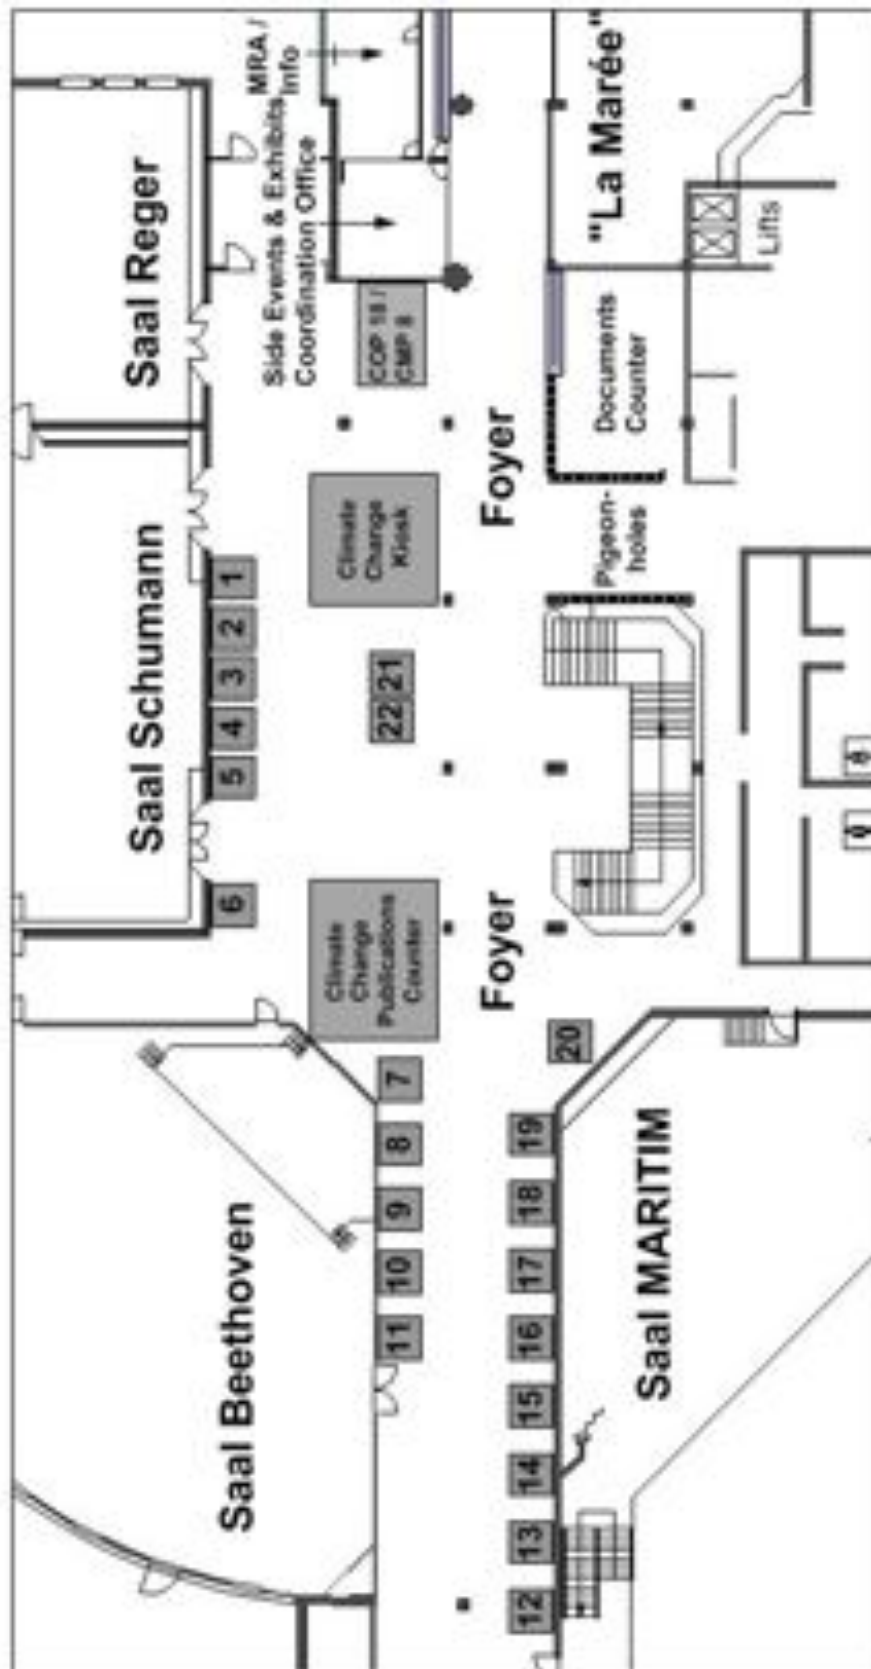

Contact information:

Ms. Edith Kimotho

V. Observer organizations

A. NGO constituencies

The nine major groups identified as stakeholders in Agenda 21, the comprehensive plan of action for the Rio Declaration, are recognized as constituencies in the UNFCCC negotiation process. Plenary interventions, time permitting, are made per constituency, and their focal points interact with the secretariat as channels of communication with large groups of constituents.

The groups are:

- Business and industry non-governmental organizations (BINGO);
- Environmental non-governmental organizations (ENGO);
- Farmers non-governmental organizations (Farmers);*
- Indigenous peoples organizations (IPO);
- Local government and municipal authorities (LGMA);
- Research and independent non-governmental organizations (RINGO);
- Trade unions non-governmental organizations (TUNGO);
- Women and gender non-governmental organizations (Women and Gender);
- Youth non-governmental organizations (YOUNGO).

* Recognized as a constituency on a provisional basis pending a final decision on its status before COP 19.

B. Offices and contact information

The business and industry non-governmental organizations (BINGO) and the environmental non-governmental organizations (ENGO) constituencies have offices located on the [ground floor of the Ministry of Transport](#). For further information on the work of the constituencies, please contact:
