## **In-session workshops**

### **Impacts of, and Vulnerability and Adaptation to, Climate Change**

Application of methods and tools, including regional models, for assessing impacts and vulnerability and adaptation  
Linkages between adaptation and sustainable development

Wednesday, 8 December 2004, 3-7 p.m.

Contact: Olga Pilifosova  
[opilifosova@unfccc.int](mailto:opilifosova@unfccc.int)

\*

### **Mitigation of Climate Change**

Mitigation technology innovation, deployment and diffusion, including identification and removal of barriers  
Practical opportunities and solutions for mitigation that contribute to sustainable development

Thursday, 9 December 2004, 3-7 p.m.

Contact: Clare Breidenich  
[cbreidenich@unfccc.int](mailto:cbreidenich@unfccc.int)

## Key side event themes at COP 10

The side events presented at COP 10 fall mainly fall into four broad themes: **Looking to the future; Preparing for climate change; Bringing down emissions** and **Harnessing the markets**. Information on the schedules for each theme may be found at the NGO Liaison office in Equinos 9.

## **Climate change kiosk**

10 years on: Success stories in the implementation of the Climate Change Convention

“Climate Talk” at the Climate Change Kiosk at COP 10 will feature success stories in the areas of mitigation and adaptation; education, training and public awareness; capacity building, transfer of technology, mechanisms and sustainable development. The focus will be on positive outcomes and forward momentum - demonstrating win-win situations in the climate change process.

Presentations on the theme- 10 years on: Success stories in the implementation of the Climate Change Convention, will be given at the secretariat’s Climate Change Kiosk between 16.00 – 18.00 on the days indicated below.

Tuesday, 07 December; Thursday, 09 December; Saturday, 11 December;  
Monday, 13 December; Wednesday, 15 December.

### **Where can I distribute documents??**

Enough of the raggedy jumble of useful climate change material.  
For those without an exhibit - bring your materials to the NGO Liaison team.  
We will display and provide visibility for them.

Materials deposited elsewhere or not attributed will be removed.

Contact: Bernado Buechner at the NGO Liaison Office

## **ENBoTs**

Coverage of events and photographs may be found in the daily ENB on the side (ENBoTs) or on the ENB website.

## Side event schedule

Why not make your presentations available to a global audience ? It is easy using our upload facility at the bottom of your application form in the on line registration system.

Draft agendas may be put up in advance to inform potential attendees. Changes are possible, simply replace the existing files. Individual files should not exceed 4 megabytes.

### 06 December 2004, 13:00-15:00

**Title : Opportunities for sustainable climate change projects and the biomass energy market**

**Theme :** This side-event will showcase biomass projects as well as explore the potential of our region. As a domestic, renewable energy source, biomass offers an alternative to conventional energy sources and provides energy security, economic growth, and environmental benefits. Province of Misiones, Argentina

**Organizer :** Argentina

Carmen Longa Virasoro, e-mail: cvirasoro@arnet.com.ar, phone: (54-11) 4314 6662-107/133

**Room : Aguaribay**

---

**Title : Pacific Island Global Climate Observing System: description and progress**

**Theme :** The side event describes how the cooperative model of the Pacific Island Global Climate Observing System (PI-GCOS) is working to benefit both GCOS and the Pacific Island Countries (PICs) and how such a model may be useful elsewhere. Partners include SPREP, SOPAC, NZ, AUS, FR, US, PICs and others.

**Organizer :** South Pacific Regional Environment Programme (SPREP)

Mark L. Morrissey, e-mail: markm@sprep.org.ws, phone: (685) 21929

**Room : Alerce**

---

**Title : Hotspots analysis for climate change impact [early] warning**

**Theme :** Hotspots are a critical step of environmental degradation and are irreversible without human intervention. Climate change is a trigger that precipitates the development of new hotspots. Typical vulnerability patterns leading to hotspots can be identified and used for advanced early warning.

**Organizer :** Food and Agriculture Organization of the United Nations (FAO)

Michele Bernardi, e-mail: michele.bernardi@fao.org, phone: (39-06) 57052442

**Room : Cardón**

---

**Title : Keep Kyoto on track**

**Theme :** More attention is needed to the transport sector! It causes 25% of CO<sub>2</sub>-emissions and is the sector with the highest growth globally. The different transport modes have to cooperate to create sustainable transport systems with the CO<sub>2</sub>-advantage of rail and public transport as the backbone.

**Organizer :** International Union of Railways (UIC)

Margrethe Sagevik, e-mail: sagevik@uic.asso.fr, phone: (33-1) 44 49 20 35

**Room : Cedro**

---

---

## 06 December 2004, 18:00-20:00

### **Title : GCOS implementation plan in support of the UNFCCC**

**Theme :** The major actions and issues contained within the "Implementation Plan for the Global Observing System for Climate in Support of the UNFCCC" will be discussed. This Plan was prepared by GCOS in response to UNFCCC Decision 11/CP.9. Attention will focus on issues to be considered by SBSTA 21.

**Organizer :** World Meteorological Organization (WMO)  
Alan R. Thomas, e-mail: GCOSJPO@wmo.int, phone: (41-22) 730 8275

**Room : Aguaribay**

---

### **Title : Adaptation: why institutions, not aid, are the answer**

**Theme :** Experts will argue that prosperity and the institutions of free societies – not foreign aid or mitigation – are inherently the best way to reduce humanity's vulnerability to climate change. Adaptation only occurs with economic, social and political freedom, property rights and the rule of law.

**Organizer :** International Policy Network (IPN)  
Kendra Okonski, e-mail: kendra@policynetwork.net, phone: (44-77) 95 844 685

**Room : Alerce**

---

### **Title : Project monitoring : challenges on accuracy, costs and a simple procedure for the local operator**

**Theme :** Case study: STEP. Lessons learned from monitoring and validation of the Swiss Thermal Energy Project (STEP) in Romania are presented. This project started in 1998 as an Activities Implemented Jointly project. It can be considered as a prototype Joint Implementation (JI) project

**Organizer :** Switzerland  
José Romero, e-mail: jose.romero@buwal.admin.ch, phone: (41-31) 322 68 62

**Room : Cardón**

---

### **Title : Country experiences in implementing National Capacity Self Assessments**

**Theme :** The aim of this forum is to draw out lessons learned in preparing the national capacity self-assessments (NCSA) by developing countries and countries with economies in transition in order to assist other Parties that are still in the process of preparing their NCSAs. Co-hosted by the UNFCCC secretariats and GEF.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Priscilla Sakupwanya, e-mail: psakupwanya@unfccc.int, phone: (49-228) 815-1406

**Room : Cedro**

---

## 07 December 2004, 13:00-15:00

### **Title : Climate change - a development issue**

**Theme :** IIED, in collaboration with NEF and numerous development and environment NGOs (ActionAid, Christian Aid, Friends of the Earth, Greenpeace, ITDG, Oxfam, Tearfund, WWF etc.) launch 'Up in Smoke – The Impact of Global Warming on Human Progress'

**Organizer :** International Institute for Environment and Development (IIED)  
Hannah Reid, e-mail: hannah.reid@iied.org, phone: (44-20) 7388 2117

**Room : Aguaribay**

---

---

**Title : CDM Executive Board: question and answer session**

**Theme :** The CDM Executive Board will report on its activities since COP 9 followed by a discussion with Parties and observers

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Bilal Anwar, e-mail: banwar@unfccc.int, phone: (49-228) 815-1618

**Room : Alerce**

---

**Title : Science in support of adaptation to climate change**

**Theme :** A joint presentation with START, TWAS, AIACC, UNEP highlights lessons for adaptation including scientific assessments of climate change vulnerability & adaptation policies; priorities for further scientific assessments and capacity building needs for developing country scientists and institutions.

**Organizer :** Argentina  
Diego Malpede, e-mail: dma@mrecic.gov.ar, phone: (54-11) 4819 7414

**Room : Cardón**

---

**Title : Capacity needs of climate change policy development in Balkans, Stability Pact countries and Turkey**

**Theme :** Survey was made in BiH and SCG to check the preparedness of these countries to identify their capacity needs to comply with UNFCCC requirements with a special emphasis on GHG inventories. Results will be presented. Status of climate policy in Turkey will be introduced, as well.

**Organizer :** The Regional Environmental Centre for Central and Eastern Europe (REC)  
Zsuzsanna Ivanyi, e-mail: zivanyi@rec.org, phone: (36-260) 504 030

**Room : Cedro**

---

**07 December 2004, 18:00-20:00**

**Title : Argentine emissions scenarios/Lessons for non-Annex I countries/Renewal energy solutions**

**Theme :** It summarizes the methodology and results of the GGE Scenarios project developed by the BCSD Argentina (CEADS). This project aims at developing a number of Argentine scenarios with internal consistency, describing the possible futures regarding greenhouse gases emissions.

**Organizer :** Consejo Empresario Argentino para el Desarrollo Sostenible\* (CEADS)  
Raimundo Florin, e-mail: mcaruso@ceads.org.ar, phone: (54-11) 43289593 /43273163

**Room : Aguaribay**

---

**Title : Canada Climate Change Development Fund**

**Theme :** CIDA will host a side event show-casing the Canada Climate Change Development Fund (CCCCDF). The event will feature lessons learned and results of the Fund.

**Organizer :** Canada  
Christopher Braeuel, e-mail: chris.braeuel@international.gc.ca, phone: (613) 992-6206

**Room : Alerce**

---

**Title : Interlinkages: GEF cross-cutting support**

**Theme :** Presentation of an analysis carried out by the Scientific and Technical Advisory Panel (STAP) on GEF support to cross-cutting activities including climate change, biodiversity, land degradation, international waters and POPs), and the cross-sectoral project in Africa NEPAD.

**Organizer :** Global Environment Facility (GEF)

Richard Hosier, e-mail: rhosier@thegef.org, phone: (1-202) 458 0290

**Room : Cardón**

---

**Title : Adaptation: from assessment to action. UNFCCC compendium on vulnerability and adaptation methods**

**Theme :** A presentation of the up-dated UNFCCC Compendium to the wide audience of "users" to provide a forum for sharing experience on the application of different methods and tools presented in the Compendium.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

Olga Pilifosova, e-mail: ekeip@unfccc.int, phone: (49-228) 815 1428

**Room : Cedro**

---

**Title : Fire or flood: climate impacts and adaptation options for peatlands**

**Theme :**

1. Impacts on tropical peatlands
2. Impacts on temperate/arctic peatlands
3. Peatlands and flood prevention/water supply in relation to climate change (mountain peatlands/floodplain peatlands)
4. Update on the assessment on peatlands biodiversity and climate change

**Organizer :** Global Environment Centre (GEC)

Faizal Parish, e-mail: fparish@genet.po.my, phone: (603-79) 572007

**Room : Lapacho**

---

**Title : Greenhouse gas emissions, nutrients and agriculture: working together to address key questions**

**Theme :** To date, the climate change debate has paid much attention to carbon sequestration. However, a range of other issues determine to what extent good agricultural management can improve mitigation and adaptation. This event will highlight key questions and tradeoffs involved.

**Organizer :** International Fertilizer Industry Association (IFA)

Kristen E. Sukalac, e-mail: ksukalac@fertilizer.org, phone: (33-15) 393 0533

**Room : Tipa**

---

**08 December 2004, 13:00-15:00**

**Title : BINGOs anniversary event - 10 years of business achievements**

**Theme :** An opportunity for a number of business groups to have 10 minutes each to demonstrate their climate change achievements and successes over the past 10 years.  
BINGOs anniversary event - 10 years of business achievements.  
Coordinated by ICC on behalf of BINGOs.

**Organizer :** International Chamber of Commerce (ICC)

Norine Kennedy, e-mail: nkennedy@uscib.org, phone: 1-212) 703-5052

**Room : Aguaribay**

---

---

**Title : U.S. actions to address climate change**

**Theme :** U.S. actions to address climate change. The side event will include a panel discussion by senior ranking officials on U.S. climate change activities including the Climate Change Science Program, Technology Program, agricultural initiatives, and voluntary programs, among other efforts.

**Organizer :** United States of America

Pablo Valdez, e-mail: valdezpm2@state.gov, phone: (1-202) 647-4283

**Room : Alerce**

---

**Title : GEF assistance to address capacity building and adaptation**

**Theme :** Highlights on: (1) GEF ongoing activities to assist countries to prepare and subsequently implement the NAPAs; (2) the GEF Strategic Priority on Adaptation (SPA), which supports pilot adaptation projects; and (3) activities carried out to support NCSAs.

**Organizer :** Global Environment Facility (GEF)

Richard Hosier, e-mail: rhosier@thegef.org, phone: (1-202) 458 0290

**Room : Cardón**

---

**Title : New Annex I GHG Inventory Reporting Software and related developments**

**Theme :** Presentation of up-dated information on the new Annex I GHG Inventory Reporting Software and developments of UNFCCC GHG inventory database

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

James Grabert, e-mail: ekeip@unfccc.int, phone: (49-228) 815 1413

**Room : Cedro**

---

**08 December 2004, 18:00-20:00**

**Title : Climate change and the underground waters in Buenos Aires and Mar del Plata cities**

**Theme :** Climate change has a clear influence in the underground waters in coastal cities like Buenos Aires, elevating the water table, or Mar del Plata, causing saline intrusion. In both cases population is threatened, imposing different infrastructure demand

**Organizer :** Fundacion e-ciudad\* (e-c)

Marcelo Sanoner, e-mail: mfsanoner@infovia.com.ar, phone: (54-11) 4777 6120

**Room : Aguaribay**

---

**Title : Synergies and tradeoffs between air pollution control and greenhouse gas mitigation**

**Theme :** Emissions of GHGs and air pollution originate from the same sources, they interact in the atmosphere and individually or jointly cause harmful effects. The event will show recent studies that highlight the synergies & tradeoffs that influence the cost-effectiveness of emission control strategies.

**Organizer :** International Institute for Applied Systems Analysis (IIASA)

Susan Riley, e-mail: riley@iiasa.ac.at, phone: (43-22) 3680-7536

**Room : Alerce**

---

---

**Title : 2006 IPCC Guidelines for National Greenhouse Gas Inventories**

**Theme :** The IPCC aims to complete the new "Guidelines for the National Greenhouse Gas Inventories" in early 2006. Issues discussed in the five authors/experts meetings will be presented to give an overview of revisions in inventory methodologies prior to the expert/ government reviews of the draft in 2005.

**Organizer :** WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)  
Renate Christ, e-mail: IPCC-Sec@wmo.int, phone: (41-22) 730 8208

**Room : Cardón**

---

**Title : Development and transfer of technologies**

**Theme :** Update on the ongoing work under the agenda item on development and transfer of technologies, including the outcome of the innovative financing workshop.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Daniele Violetti, e-mail: dvioletti@unfccc.int, phone: (49-228) 815-1610

**Room : Cedro**

---

**Title : Art and climate change**

**Theme :** A roundtable discussion on art & climate change

**Organizer :** FORO DEL BUEN AYRE\* (FOROBA)  
Ricardo Beltramino, e-mail: secretario@fundacionsustentable.org, phone: (55-341) 4490585

**Room : Lapacho**

---

**09 December 2004, 13:00-15:00**

**Title : Voice of NGOs**

**Theme :** The event will mark the tenth anniversary of the creation of the Conference of the Parties to the UNFCCC, highlighting the process and progress with analysis of future path of negotiations through discussions within civil society representing various geographical regions in the world.

**Organizer :** Climate Action Network International\* (CAN International)  
Sanjay Vashist, e-mail: sanjay@climatenetwork.org, phone: (49-228) 9268686

**Room : Aguaribay**

---

**Title : Climate change projection by the earth simulator and related research outcomes**

**Theme :** Research outcomes of climate change projection studies to address major outstanding issues from WG1 TAR by the Earth Simulator, the world's fastest supercomputer, and advanced modelling will be presented. International cooperation and linkages between impact and related studies will be discussed.

**Organizer :** Japan  
Naoko Sugita, e-mail: nsugita@mext.go.jp, phone: (81-3) 6734-4181

**Room : Alerce**

---

**Title : Global greenhouse gas register: results and new challenges**

**Theme :** Report on the Global GHG Register. The goal is to spur a broader worldwide response and illustrate the contribution that business as a whole is making to addressing climate change and to provide investors with a clearer understanding of the potential carbon-related risk in their portfolios.

**Organizer :** World Economic Forum  
Jacques Marcovitch, e-mail: jmarcovi@usp.br, phone: (55-11) 3091 6016

**Room : Cardón**

---

**Title : Outcome of the workshop on the preparation of the fourth national communications by Annex I Parties**

**Theme :** Briefing on the outcome of the workshop held in Dublin, 30 September to 1 October 2004.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Harald Diaz, e-mail: hdiaz@unfccc.int, phone: (49-228) 815-1435

**Room : Cedro**

---

**09 December 2004, 18:00-20:00**

**Title : A long term international policy framework to address climate - an ICC perspective**

**Theme :** The ICC remains committed to the UNFCCC, and believes that it provides a useful structure in which to consider cooperative long-term measures for Parties to address the climate challenge. The UNFCCC's crucial task should be to build an effective, long-term framework to address climate change.

**Organizer :** International Chamber of Commerce (ICC)  
Norine Kennedy, e-mail: nkennedy@uscib.org, phone: 1-212) 703-5052

**Room : Aguaribay**

---

**Title : Dispute settlement in flexible mechanism contracts**

**Theme :** This side event will provide practitioners, policy makers and stakeholders in flexible mechanism projects with concrete examples of what can go wrong, and provide solutions with a view to avoiding disputes that may arise in the conduct of a particular flexible mechanism activity.

**Organizer :** Permanent Court of Arbitration (PCA)  
Dane Ratliff, e-mail: dratliff@pca-cpa.org, phone: (31-70) 3024196

**Room : Alerce**

---

**Title : Sustainable development policies and measures for climate protection and development**

**Theme :** The World Resources Institute has developed a range of tools that enable statistical analysis of country and sectoral GHG emissions, vulnerability and adaptive capacity, and accounting for company emissions. These will be presented and demonstrated.

**Organizer :** World Resources Institute (WRI)  
Robert Bradley, e-mail: rbradley@wri.org, phone: (1-202) 729 7645

**Room : Cardón**

---

**Title : Article 6 of the Convention: development of a clearing house**

**Theme :** Presentation of options for the development of an information network clearing house.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Laurence Pollier, e-mail: lpollier@unfccc.int, phone: (49-228) 815-1505

**Room : Cedro**

---

## 10 December 2004, 10:30-12:30

**Title : Mainstreaming mitigation and adaptation into German development cooperation - examples from GTZ**

**Theme :** German technical cooperation and partners from developing countries present concrete actions concerning adaptation and mitigation. Examples from India, Indonesia and Africa.

**Organizer :** Germany

Kerstin Dietrich, e-mail: kerstin.dietrich@gtz.de, phone: (49- 6196) 794104

**Room : Aguaribay**

---

**Title : Gender and climate change: vulnerability and adaptation**

**Theme :** A side event on the importance of including a gender perspective in the vulnerability/adaptation discourse and initiatives

**Organizer :** ETC Foundation\* (ETC)

Roselyne van der Heul, e-mail: r.vanderheul@etcnl.nl, phone: (31-62) 4774109

**Room : Alerce**

---

**Title : Disaster reduction and climate change - opportunities for synergy**

**Theme :** Enhanced management of climate risk and raising awareness of the benefits of mainstreaming disaster prevention and adaptation to climate change into development practices and policies.

**Organizer :** International Strategy for Disaster Reduction (ISDR)

John Harding, e-mail: harding@un.org, phone: (41- 22) 917 27 85

**Room : Cardón**

---

**Title : Designing future international actions on climate change**

**Theme :** Center for Clean Air Policy (CCAP) staff and selected negotiators will discuss possible future directions for international climate change, including options focused on sector-based approaches, building upon the outcomes of the CCAP's Future International Actions Dialogue.

**Organizer :** Center for Clean Air Policy (CCAP)

Jake Schmidt, e-mail: jschmidt@ccap.org, phone: (1-202) 408-9260

**Room : Cedro**

---

## 10 December 2004, 13:00-15:00

**Title : SouthSouthNorth - 3 year report back on learning with the CDM**

**Theme :** Achievements from 3 years hands-on, learning-by-doing CDM projects in Brazil, South Africa, Bangladesh and Indonesia, facilitating project owners in the public and private domain and DNAs: Projects, publications; and the Launch of the SSN CDM TOOLKIT.

**Organizer :** SouthSouthNorth (SSN)

Barry Kantor, e-mail: barry@southsouthnorth.org, phone: (27-21) 425-1464

**Room : Aguaribay**

---

**Title : Climate friendly technologies: roles of the governments, business and finance sector**

**Theme :** This event will highlight outcomes of the recent activities conducted by the Climate Technology Initiative (CTI). It will also provide information relevant to the outcomes of UNFCCC Workshop on Innovative Options for Financing the Development and Transfer of Technologies.

**Organizer :** International Center for Environmental Technology Transfer (ICETT)  
Taiki Kuroda, e-mail: kuroda@icett.or.jp, phone: (81-593) 29-3500

**Room : Alerce**

---

**Title : New climate research results from the US National Center for Atmospheric Research**

**Theme :** This session will describe results of a series of climate modelling experiments performed with NCAR's new Community Climate System Model-3. Other possible topics include intercomparison of regional climate change results and analysis of the probabilities of potential climate change impacts.

**Organizer :** University Corporation for Atmospheric Research (UCAR)  
Peter Backlund, e-mail: anneoman@ucar.edu, phone: (1-303) 497-1117

**Room : Cardón**

---

**Title : Experience with training of inventory review experts and with annual GHG emission reports to the COP**

**Theme :** Inform delegates of the experiences gained in providing annual reports on GHG emissions and trends of Annex I Parties to the COP, including the use of the secretariat website, and in training activities for GHG inventory experts. Future related planned activities on these matters will also be discussed.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Roberto Acosta, e-mail: ekeip@unfccc.int, phone: (49-228) 815 1419

**Room : Cedro**

---

**10 December 2004, 15:30-17:30**

**Title : Climate witnesses challenge decision-makers in industrial countries**

**Theme :** Climate Witnesses from regions that are already affected by climate change will present their case and show actions that they and their countries/people/communities are taking to confront decision-makers in industrial countries to cut their CO<sub>2</sub> emissions.

**Organizer :** WWF  
Freda Colbert, e-mail: colbert@wwf.de, phone: (49-30) 30874219

**Room : Aguaribay**

---

**Title : Nordic climate policy initiatives: tools in Sweden, and policy frameworks**

**Theme :** Swedish Environmental Protection Agency: Information as a tool in the Swedish Climate Strategy. The Swedish grant system and emission trading system.  
Nordic Council of Ministers: Climate policy frameworks beyond 2012. Climate change in the context of sustainable development.

**Organizer :** Sweden  
Kerstin Heikenfeldt, e-mail: kerstin.heikenfeldt@naturvardsverket.se, phone: (46-8) 698 1509

**Room : Alerce**

---

**Title : From theory to practice: analysing gender impacts of climate change policies and mechanism**

**Theme :** Gender issues in climate change policy are not well known and recognised. Discussion on how mechanism to reduce global climate change impact women and men in a different way just started. We will present instruments used to analyse gender issues and discuss how they fit to climate change mechanism.

**Organizer :** LIFE - Women Develop Eco-techniques (LIFE)

Ulrike Roehr, e-mail: roehr@life-online.de, phone: (49-69) 740757

**Room : Cardón**

---

**Title : Legal aspects of carbon in the implementation of CDM afforestation, reforestation projects**

**Theme :** The successful implementation of CDM AR project activities that are environmentally sound and socially equitable poses many legal challenges, explored in the joint IUCN-GTZ-UNEP project of the same title. Preliminary project findings will be presented, and feedback on the project outputs invited.

**Organizer :** IUCN - The World Conservation Union

Maria Socorro Manguiat, e-mail: maria.manguiat@iucn.org, phone: (49-228) 2692 227

**Room : Cedro**

---

**10 December 2004, 18:00-20:00**

**Title : CDM in Latinamerica: a way already paved for investments**

**Theme :** Latin America performs an important role in the CDM market. Its institutional development and its attractive project portfolios have made this region a CDM active area . For the first time, Latin-American CDM offices will explain together why this region is a good place to invest on CDM projects.

**Organizer :** Peru

Francisco Avendano, e-mail: favendano@conam.gob.pe, phone: (51-1) 2255370-244

**Room : Aguaribay**

---

**Title : Presentations by Brazil and China of their initial National Communications**

**Theme :** Brazil and China present their experiences in the preparation of their initial national communications and the final outcomes.

**Organizer :** Brazil and China

Barbara Black, e-mail: bblack@unfccc.int, phone: (49-228) 8151523

**Room : Alerce**

---

**Title : New directions in policy-relevant climate change impacts and adaptation research**

**Theme :** The IPCC WGII Fourth Assessment focuses on key research issues including: critical levels of climate change related to impact thresholds, limits to and costs of adaptation, mixes of adaptation and mitigation strategies, and observed changes and responses. The side event will explore these.

**Organizer :** WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)

Jean Palutikof, e-mail: jean.palutikof@metoffice.gov.uk, phone: (44-1392) 886212

**Room : Cardón**

---

**Title : Contraction & Convergence (C&C) – Foundations for a post-Kyoto Protocol**

**Theme :** GCI presents the mechanism of C&C. The panel will discuss the practicalities, economics and politics of delivering C&C as a logical basis for a post-Kyoto Framework.  
Panel includes speakers from GCI, Action for a Global Climate Community and FEASTA.

**Organizer :** Global Commons Institute (GCI)

Tim Helweg-Larsen, e-mail: tim@gci.org.uk, phone: (44-208) 5204742

**Room : Cedro**

---

**11 December 2004, 10:30-12:30**

**Title : Bioenergy's response to climate change: solutions in the real world**

**Theme :** This will explore the response from the bioenergy sector, focussing on the worldwide push for bioenergy, benefits for local people and global mitigatory responses. Those interested in fuel, natural resources and the link between development and climate change will find this discussion invaluable.

**Organizer :** Responding to Climate Change (RTCC)

Adam Bumpus, e-mail: adam.bumpus@rtcc.org, phone: (44-20) 77992222

**Room : Aguaribay**

---

**Title : Presentation of the book Climate Change in Latin America: Challenges and Opportunities**

**Theme :** This book has been sponsored and coordinated by the government of Mexico and UNEP. In this effort, a group of Latin-American experts have been congregated in order to outline the institutional and political framework on climate change, both at the international and regional levels.

**Organizer :** Mexico

Alejandra Lopez Carbajal, e-mail: alejandra.lopez@semarnat.gob.mx, phone: (52-55) 54902100 x 14512

**Room : Alerce**

---

**Title : Capacity development for the CDM**

**Theme :** The progress of Dutch-funded CDM capacity development project in 12 developing countries. Presented will be potential projects in selected countries and guidebooks.

**Organizer :** United Nations Environment Programme (UNEP)

Myung-Kyoon Lee, e-mail: mk.lee@risoe.dk, phone: (45-4) 677 5168

**Room : Cardón**

---

**Title : Development dividend: making the CDM work for developing countries**

**Theme :** Experience to date shows CDM projects are not often delivering the sustainable development benefits originally envisioned by developing countries. IISD's panel will discuss increasing the "development dividend" to host countries while promoting projects that deliver reductions to investors.

**Organizer :** International Institute for Sustainable Development (IISD)

Jodi Browne, e-mail: jbrowne@iisd.ca, phone: (1-613) 238-9821

## 11 December 2004, 13:00-15:00

**Title : Earth observations: momentum with the GEO initiative**

**Theme :** The Group on Earth Observations (GEO), created by governments to develop a 10-year implementation plan for a comprehensive, coordinated, sustained Earth observation system of systems to monitor the Earth, will present its draft plan at Earth Observation Summit-III in February 2005.

**Organizer :** South Africa

Daan du Toit, e-mail: [alutz@unfccc.int](mailto:alutz@unfccc.int), phone: (27-12)841-4331

**Room : Aguaribay**

---

**Title : The contribution of regional governments in tackling climate change**

**Theme :** Presentation of experiences by members of the Network of Regional Governments for Sustainable Development in tackling climate change, proposals on interregional cooperation to address climate change, and other contributions to COP10 from a regional governments' perspective.

**Organizer :** Belgium

Peter Wittoeck, e-mail: [peter.wittoeck@health.fgov.be](mailto:peter.wittoeck@health.fgov.be), phone: (32-2) 287 0219

**Room : Alerce**

---

**Title : Developing CDM in industry: the UNIDO experience**

**Theme :** Recent climate change activities and projects of the United Nations Industrial Development Organization (UNIDO) will be presented.

**Organizer :** United Nations Industrial Development Organization (UNIDO)

Guillermo Jimenez, e-mail: [gjimenez@unido.org](mailto:gjimenez@unido.org), phone: (43-1) 26026-3612

**Room : Cardón**

---

**Title : Status of implementation of the New Delhi work programme on Article 6 of the Convention**

**Theme :** Achievements and lessons learned, including the experience of UNEP.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

Laurence Pollier, e-mail: [lpollier@unfccc.int](mailto:lpollier@unfccc.int), phone: (49-228) 815-1505

## 11 December 2004, 15:30-17:30

**Title : Jumpstarting the negotiations: can expanding ET markets reconcile and engage EU, USA and Russia?**

**Theme :** Roundtable on whether emissions trading can become an opportunity for stronger engagement from US and Russia. Assessing how ET may expand through bottom-up processes and lead to broader participation after 2012. Will the US reengage? Will Russia ratify? Can the EU emissions trading system become a role-model?

**Organizer :** Center for International Climate and Environmental Research (CICERO)

Guri Bang, e-mail: [guri.bang@cicero.uio.no](mailto:guri.bang@cicero.uio.no), phone: (47-22) 858756

**Room : Aguaribay**

---

**Title : Renewable Energy and Energy Efficiency Partnership (REEEP) - Expanding RE/EE in LAC**

**Theme :** REEEP launches its regional secretariat to coordinate programs to address key barriers to renewables and energy efficiency: finance, policy, and information exchange. Case studies from the Caribbean, Central and South America will illustrate innovative initiatives.

**Organizer :** Organization of American States (OAS)

Mark Lambrides, e-mail: mlambrides@oas.org, phone: (1-202) 458-6261

**Room : Alerce**

---

**Title : Mainstreaming adaptation in development - Idealistic or realistic?**

**Theme :** The event will highlight outcomes of two recent IGES workshops on adaptation to climate change in critical ecosystems of the Asia-Pacific region. Panellists will discuss challenges for mainstreaming adaptation in development.

**Organizer :** Institute for Global Environmental Strategies (IGES)

Ancha Srinivasan, e-mail: ancha@iges.or.jp, phone: (81-46) 855-3818

**Room : Cardón**

---

**Title : Implementing the CDM registry and national registries**

**Theme :** Practical demonstration of the CDM registry and national registries, particularly those to be used for the EU emissions trading scheme. In addition an update on progress in implementing the transaction logs under the Kyoto Protocol and the EU will be provided.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

Bilal Anwar, e-mail: banwar@unfccc.int, phone: (49-228) 815-1618

**Room : Cedro**

---

**11 December 2004, 18:00-20:00**

**Title : Fossil fuels and dams: social and climate change impacts in South America**

**Theme :** Cono Sur Sustentable – RIOS VIVOS – Fundación Heinrich Böell

Petroleum exploration and transport are threatening the land of indigenous people, besides the impacts of climate change. Large dams are globally significant sources of emissions of greenhouse gases.

**Organizer :** Argentina

Pablo Bertinat, e-mail: wiseros@ciudad.com.ar, phone: (54-9) 341 5429278

**Room : Aguaribay**

---

**Title : Update on climate actions in the U.S. States**

**Theme :** Actions by U.S. States to address GHG emissions continue to gather momentum. This side event will provide an update on state efforts for interested participants.

**Organizer :** Northeast States for Coordinated Air Use Management (NESCAUM)

Kenneth Colburn, e-mail: kcolburn@nescaum.org, phone: (1-617) 367-8540

**Room : Alerce**

---

**Title : Adaptation to climate change in the water sector**

**Theme :** Climate change will lead to an intensification of the global hydrological cycle and can have major impacts on regional water resources (IPCC-TAR 2001). The session will present structural and non-structural adaptation measures in the water sector to increasing climate variability and climate change.

**Organizer :** United Nations Educational, Scientific and Cultural Organization (UNESCO)  
Priscilla Dorresteyn, e-mail: pdo@unesco-ihc.org, phone: (31-1) 52151748

**Room : Cardón**

---

**13 December 2004, 13:00-15:00**

**Title : Energy perspectives on climate change**

**Theme :** Short presentations by IEA experts on analytical work on climate change conducted at the IEA - the focus is on energy policy and technology.

**Organizer :** International Energy Agency (IEA)  
Jenny Gell, e-mail: jenny.gell@iea.org, phone: (33-1) 4057 6729

**Room : Aguaribay**

---

**Title : Options and insights: advancing the international climate effort**

**Theme :** The Pew Center will present two papers developed as input to the ongoing Climate Dialogue at Pocantico -- Climate Data: Insights and Observations; and International Climate Efforts Beyond 2012: A Survey of Approaches.

**Organizer :** Pew Center on Global Climate Change  
Christie Jorge-Tresolini, e-mail: jorgec@pewclimate.org, phone: (1-703) 516-0611

**Room : Alerce**

---

**Title : Mayors unite to fight global warming under the banner of the CCP**

**Theme :** At the invitation of the City of Buenos Aires, the Mayors of Buenos Aires and four other cities describe their efforts to reduce GHG emissions and state their views on international negotiations to slow global warming. This event will feature the launch of ICLEI's new Advanced Cities.

**Organizer :** International Council for Local Environmental Initiatives (ICLEI)  
Bob Price, e-mail: bprice@iclei.org, phone: (1-510) 540-8843

**Room : Cardón**

---

**Title : CC Forum: presentations of new NAI national communications, and on financial and technical support.**

**Theme :** NAI Parties experiences on the preparation of national communications; exchange of views by Parties, bilateral and multilateral institutions on the potential and available financial and technical support for the preparation of national communications and an overview of the CGE hands-on training.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)  
Festus Luboyera, e-mail: fluboyera@unfccc.int, phone: (49-228) 308 9676

**Room : Cedro**

## 13 December 2004, 18:00-20:00

**Title : Global collaboration for addressing energy issues in developing countries**

**Theme :** The leading negotiators and prominent scholars from China, India, Japan, and the US will discuss sustainable development of developing countries through addressing energy issues, and thereby, elucidate what cooperation between developed and developing countries should look like in the future.

**Organizer :** Japan

Katsuyuki Koura, e-mail: koura-katsuyuki@meti.go.jp, phone: (81-3) 3501-1679

**Room : Aguaribay**

---

**Title : Arctic Climate Impact Assessment**

**Theme :** The Side Event will focus on the scientific results of the Arctic Climate Impact Assessment (ACIA). ACIA is an international project of the Arctic Council and the International Arctic Science Committee (IASC) on assessing climate change and its consequences.

**Organizer :** Iceland

Hugi Olafsson, e-mail: hugi.olafsson@environment.is, phone: (35-45) 458600

**Room : Cardón**

---

**Title : Technology transfer & UNFCCC: practical approaches for responding to developing country priorities i**

**Theme :** Continue the dialogue with the business and industry representatives to highlight different technology transfer experiences, and common needs and concerns, and discussed ways to enable environments for technology transfer at national and international levels.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

Florin Vladu, e-mail: fvladu@unfccc.int, phone: (49-228) 815-1422

**Room : CCTV**

---

**Title : Business perspectives on CDM additionality and baselines**

**Theme :** A range of CDM project developers, companies and delegates will exchange views on the evolution of CDM rules.

**Organizer :** Business Council for Sustainable Energy (BCSE)

Lisa Jacobson, e-mail: ljacobson@bcse.org, phone: (1-202) 785-0507

**Room : Cedro**

---

## 14 December 2004, 13:00-15:00

**Title : Facts and trends to 2050: energy and climate change**

**Theme :** WBCSD will present "Facts and Trends to 2050: Energy and Climate Change", providing an overview of key facts and societal challenges related to economic development, future energy demand and the impact that demand could have on the climate system, as well as highlighting the timescales involved.

**Organizer :** World Business Council for Sustainable Development (WBCSD)

Gloria Godinez, e-mail: godinez@wbcSD.org, phone: (41-22) 8393193

**Room : Aguaribay**

---

---

**Title : The history of the IPCC and its role for the UNFCCC**

**Theme :** Presentation of past and ongoing IPCC activities and their relevance for the UNFCCC process.

**Organizer :** WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)  
Renate Christ, e-mail: IPCC-Sec@wmo.int, phone: (41-22) 730 8208

**Room : Alerce**

---

**Title : The practical consequences of climate equity: toward a relevant equity reference framework**

**Theme :** This side event explores the implications of an equity reference framework for near and long-term climate architectures. Such a framework refers to a benchmark against which practical proposals can be weighed to assess their acceptability and adequacy as a solution to the global climate challenge.

**Organizer :** Tellus Institute  
Sivan Kartha, e-mail: skartha@tellus.org, phone: (1-617) 266-5400

**Room : Cardón**

---

**Title : The climate change and air quality nexus**

**Theme :** ICLEI, with case studies by local government leaders, presents its newest software tool to help cities, states and provinces calculate GHG and air pollution emissions. Attendees will leave with concrete ideas, steps, and tools for developing compelling and pragmatic arguments for climate action.

**Organizer :** International Council for Local Environmental Initiatives (ICLEI)  
Bob Price, e-mail: bprice@iclei.org, phone: (1-510) 540-8843

**Room : Cedro**

---

**14 December 2004, 18:00-20:00**

**Title : Book launch: a guide to the international climate change regime**

**Theme :** This event will launch the landmark book "The international climate change regime: A guide to rules, institutions and procedures", co-authored by Farhana Yamin and Joanna Depledge. This comprehensive and objective guide will provide a key resource for everyone working on climate change.

**Organizer :** Institute of Development Studies, University of Sussex (IDS)  
Joanna Depledge, e-mail: jdepledge@tiscali.co.uk, phone: (44-1223) 410810

**Room : Aguaribay**

---

**Title : Climate change: issues and approaches**

**Theme :** A summary of IPIECA's work focussed on long-term carbon and energy management, development, transportation and carbon dioxide capture and storage. Critical issues and approaches in addressing climate change will be explored with a scene setting by Faith Birol and the World Energy Outlook 2004.

**Organizer :** International Petroleum Industry Environmental Conservation Association (IPIECA)  
Tim Stileman, e-mail: Tim.stileman@ipieca.org, phone: (44-20) 7633 2378

**Room : Alerce**

---

---

**Title : Innovative partnerships to address climate change**

**Theme :** The side event will include a panel discussion by participants in initiatives including Methane to Markets, International Partnership for a Hydrogen Economy, and Carbon Sequestration Leadership Forum, among others.

**Organizer :** United States of America

Pablo Valdez, e-mail: valdezpm2@state.gov, phone: (1-202) 647-4283

**Room : CCTV**

---

**Title : Latest climate change results from the Hadley Centre**

**Theme :** The latest results from the Met Office's Hadley Centre will be presented and discussed. The focus will be on uncertainty in climate change predictions, risk and the impacts of climate change.

**Organizer :** Hadley Centre

Fiona Smith, e-mail: fiona.smith@metoffice.gov.uk, phone: (44-1392) 88 4240

**Room : Cedro**

---

**15 December 2004, 13:00-15:00**

**Title : The Climate Group - Global leaders for climate solutions**

**Theme :** This solutions focussed event will highlight the world's leading reducers of greenhouse gas emissions from the public and private sectors. This will include a number of high profile speakers from city, state and national governments, along with multi-national corporations.

**Organizer :** The Climate Group\*

Jim Walker, e-mail: jwalker@theclimategroup.org, phone: (44-1932) 268306

**Room : Aguaribay**

---

**Title : How to make the UNFCCC process carbon neutral**

**Theme :** Presentation on work in progress at the UNFCCC targetted at making the process and the secretariat carbon neutral.

**Organizer :** Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)

Florin Vladu, e-mail: alutz@unfccc.int, phone: (49-228) 815-1422

**Room : Alerce**

---

**Title : Is climate change dangerous to human health**

**Theme :** WHO, ISDE and CAN-Europe will show through case studies the effects of dangerous climate change to human health

**Organizer :** World Health Organization (WHO)

Bettina Menne, e-mail: bme@who.it, phone: (39-06) 4877546

**Room : Cardón**

---

**Title : Climate risks and 2°C**

**Theme :** The questions addressed:

\* What greenhouse gas emission profiles and ultimate stabilization levels are likely to limit global mean temperatures to below 2°C?

\* How much warming are we committed to already?

\* What are the implications of a 2°C target for climate impacts?

**Organizer :** Swiss Federal Institute of Technology (ETHZ)

Malte Meinshausen, e-mail: malte.meinshausen@env.ethz.ch, phone: (41-1) 632 0894

**Room : CCTV**

---

**Title : EU emissions trading system (ETS) and the linking directive: what will it deliver?**

**Theme :** The EU ETS is due to start on 01 January 2005 together with the linkage directive it will provide the opportunity of using emission reductions from CDM and JI. Two months before the start will this opportunity really deliver the emission reductions and the opportunities for project developers?

**Organizer :** International Emissions Trading Association (IETA)

Edwin Aalders, e-mail: aalders@ieta.org, phone: (41-22) 8393-192

**Room : Cedro**

---

**15 December 2004, 18:00-20:00**

**Title : Adaptation in OECD countries**

**Theme :** A review of experiences from some OECD countries in developing and implementing adaptation responses to climate change. Chaired by the Deputy Secretary General of the OECD and including presentations by senior representatives from New Zealand, United Kingdom, Australia, France and Finland.

**Organizer :** Organisation for Economic Co-operation and Development (OECD)

Carolyn Sturgeon, e-mail: carolyn.sturgeon@oecd.org, phone: (33-1) 45 24 19 66

**Room : Aguaribay**

---

**Title : Global warming and human rights: the case of the Arctic**

**Theme :** CIEL, Earthjustice, and Inuit Circumpolar Conference are working to defend the rights of the Inuit and protect them from the impacts of global warming. We are developing a claim to the Inter-American Commission on Human Rights against the U.S. for causing global warming and its devastating impacts.

**Organizer :** Center for International Environmental Law (CIEL)

Donald M. Goldberg, e-mail: dgoldberg@ciel.org, phone: (1-202) 785 8700

**Room : Alerce**

---

**Title : A long-term climate change framework - regional views**

**Theme :** To encourage regional and national business and industry organisations, from Europe, Japan, USA, South Africa, Argentina, and elsewhere, to give views on the development of long term policies in their region, and the feasibility of blending these into a lasting global framework.

**Organizer :** International Chamber of Commerce (ICC)

Norine Kennedy, e-mail: nkennedy@uscib.org, phone: 1-212) 703-5052

**Room : Cardón**

---

**Title : Finance for carbon solutions: the CDM from the financial sector perspective**

**Theme :** UNEP Finance Initiative will launch its new CEO Briefing on the CDM, also highlighting what the financial sector can offer in terms of other carbon solutions. Understand the risks and opportunities for CDM projects as viewed by the financial sector.

**Organizer :** Insurance Initiative/UNEP

Lisa Petrovic, e-mail: lisa.petrovic@unep.ch, phone: (41-22) 917 8686

**Room : CCTV**

---

**Title : World Energy Outlook-2004: implications for energy and environmental policy**

**Theme :** This joint Italy/Norway event will outline the IEA's latest projections included in WEO-2004 for energy-related CO2 emissions to 2030. It will also present an alternative scenario showing CO2 and energy savings achievable through energy policies and technologies, and their cost implications

**Organizer :** Italy/Norway

Claudia Jones, e-mail: claudia.jones@iea.org, phone: (33-1) 40 57 66 50

**Room : Cedro**

---

**16 December 2004, 13:00-15:00**

**Title : Insuring the uninsurable and CDM and ODA**

**Theme :** The first part discusses major concerns raised in connection with insurance related mechanisms and presents potential solutions.

In the second part, the 2004 decisions on ODA in the CDM and their practical implications for project developers and developing co-operation agencies are reviewed.

**Organizer :** Hamburg Institute of International Economics (HWWA)

Sonja Butzengeiger, e-mail: sonja.butzengeiger@hwwa.de, phone: (49-40) 42834-370

**Room : Aguaribay**

---

**Title : US climate action: progress in Congress, States, and business.**

**Theme :** Representatives of U.S. business, state, Congress and NGOs will present updates on the various areas where progress is being made on climate action in the U.S. and will set the context for post-election expectations.

**Organizer :** U.S. Climate Action Network (USCAN)

Lee Hayes Byron, e-mail: lhbyron@climatenetwork.org, phone: (1-202) 513-6240

**Room : Alerce**

---

**Title : Lessons learnt from CDM implementation in the ASEAN energy sector**

**Theme :** This side event will feature the ASEAN energy CDM development. Government representative of the ASEAN countries and project team will present the experience with CDM implementation, and address regional aspect. Also, present the CDM opportunities in the ASEAN region to potential investors.

**Organizer :** Association of Southeast Asian Nations (ASEAN)

Tezza Napitupulu, e-mail: tezza@pelangi.or.id, phone: (62-21) 72801172

**Room : Cardón**

---

**Title : Options for a post-2012 global climate regime**

**Theme :** This side-event seeks to answer the question: How can we promote an effective post-2012 regime to control and reduce GHG emissions? Special attention is paid to the role of developing countries, technology cooperation, and external investments (Developed to DCs).

**Organizer :** Fridtjof Nansen Institute (FNI)

Henrik Hasselknippe, e-mail: henrik.hasselknippe@fni.no, phone: (47-92) 827764

**Room : CCTV**

**Title : French action on the climate change field**

**Theme :** 2004 Climate Plan, research, cooperation projects

**Organizer :** France

Marie Jaudet, e-mail: marie.jaudet@mies.pm.gouv.fr, phone: (33-1) 42 75 87 92

**Room :** Cedro

---

**16 December 2004, 18:00-20:00**

**Title : The world of work in climate implementation and adaptation**

**Theme :** Workshop will explore the measures that are needed for workers, trade unions and employers to engage in common actions -at the workplace and community levels- to implement UNFCCC and COP objectives

**Organizer :** International Confederation of Free Trade Unions (ICFTU)

Lucien Royer, e-mail: Royer@tuac.org, phone: (33-1) 5537 3737

**Room :** Aguaribay

---

**Title : Linking climate science to action: the United Kingdom experience**

**Theme :** Presentations on climate policy, climate prediction models, research and actions on responses to climate change will lead to a discussion of the linkages between these, how it has worked in the UK, barriers to understanding and to action, and lessons to be learnt.

**Organizer :** University of Oxford, Environmental Change Institute (ECI)

Chris West, e-mail: chris.west@ukcip.org.uk, phone: (44 -186) 5432076

**Room :** Alerce

---

**Title : Climate change litigation: who's doing it, why's it happening and how serious is it?**

**Theme :** This side event explains the recent legal actions around the world against governments and companies, highlights their scientific backing and warns that there'll be more to come unless deep cuts are made in emissions and victims are compensated. Partners: Greenpeace, Friends of the Earth and WWF

**Organizer :** Friends of the Earth International (FOEI)

Catherine Pearce, e-mail: catp@foe.co.uk, phone: (44-20) 7566-1723

**Room :** Cardón

---

**Title : Interlinkages between climate change and MEAs**

**Theme :** Using the Pantanal case study this event will examine interlinkages between MEAs associated with climate change. It aims to generate dialogue and propose practical steps to more effectively utilise natural synergies in the environment to lead to better-integrated coordination between different MEAs.

**Organizer :** United Nations University (UNU)

Rebecca Carter, e-mail: carter@ias.unu.edu, phone: (81-45) 221 2335

**Room :** CCTV

---

**Title : Options for the second commitment period of the Kyoto Protocol**

**Theme :** The German Federal Environmental Agency releases its long-term climate strategy and a study prepared by Ecofys on options for an international climate regime after 2012. The study covers a comparison of several proposals, including a new approach "common but differentiated convergence" and Triptych.

**Organizer :** Germany

**Title : LDC Expert Group on National Adaptation Programmes of Action: preparation and implementation**

**Theme :** To sensitise donor agencies and other interested stakeholders on how Parties including Bhutan have initiated/progressed on the NAPA process as a followup action or adherence to the subsequent COP decisions on special windows for LDCs in adaptation capacities.

**Organizer :** Bhutan

Yeshey Penjor, e-mail: yesheypenjor@hotmail.com, phone: (975-2) 323384

**Room : Cardón**

---

**Title : Community forest management as an efficient, additional carbon sequestration strategy**

**Theme :** Capacity building programme funded by the Netherlands cooperation toward the University of Twente and ITC, ENDA (Senegal), ICIMOD (Nepal), University of Dar-es-Salaam, and local env. organisations in India, Nepal, Senegal, Mali, Tanzania and Uganda, entitled 'KYOTO:THINK GLOBAL-ACT LOCAL'.

**Organizer :** Environnement et developpement du Tiers-Monde (ENDA)

Libasse BA, e-mail: energy2@enda.sn, phone: (221) 822 59 83

**Room : Cedro**

### Arctic Arthabaskan Council (AAC)

**Theme :** AAC has reframed the Arctic Climate Impact Assessment findings thematically as they correspond to the more specific research interests of our members. These four broad areas of communication and research interest are:

1. Food security
2. Community health & well-being
3. Resource use conflicts
4. Emergency preparedness

**Organizer :** Keith Maguire, e-mail: [kmaguire@cyfn.net](mailto:kmaguire@cyfn.net), phone: (867) 393-9215

---

### Canada

**Theme :** The Government of Canada showcases activities and programs to address climate change through increased public awareness, encouraging the development of technologies that mitigate greenhouse gas emissions, and support for scientific and economic research on adaptation to the impacts of climate change.

**Organizer :** Christopher Braeuel, e-mail: [Chris.Braeuel@international.gc.ca](mailto:Chris.Braeuel@international.gc.ca), phone: (613) 992-6206

---

### Caribbean Community Secretariat (CARICOM)

**Theme :** Vulnerabilities of Small Island States

**Organizer :** Rawlestone Moore, e-mail: [moorerawlestone@caribsurf.com](mailto:moorerawlestone@caribsurf.com), phone: (2-46) 230 3819

---

### Center for Clean Air Policy (CCAP)

**Theme :** Material from the Center for Clean Air Policy's climate change work, including papers from the Future International Actions Dialogue.

**Organizer :** Jake Schmidt, e-mail: [jschmidt@ccap.org](mailto:jschmidt@ccap.org), phone: (1-202) 408-9260

---

### Clean Air Foundation (CAF)

**Theme :** Sustainable development, international environmental co-operation and efficient use of nature resources. Save the Underwater Marine Park of Curacao, save damaging health of the children

**Organizer :** Ludmila van der Marel, e-mail: [enviro@cleanair.pl](mailto:enviro@cleanair.pl), phone: (31-161) 41 22 52

---

### Earth Council (EC)

**Theme :** Earth Council Learning Center for Sustainable Development with focus on the Climate Change Capacity Building Partnership of UNCTAD, Swiss Federal Institute of Technology (ETH), and the Earth Council

**Organizer :** Gao Pronove, e-mail: [gao.pronove@earthcouncil.com](mailto:gao.pronove@earthcouncil.com), phone: (1-952) 922-9445

---

## Ecologica Institute

**Theme :** Presentation of the Ecologica Institute and partners, tools used for the implementation and analysis of the Social Carbon projects.  
Examples of developed projects and results will be provided.

**Organizer :** Alejandro Bango, e-mail: bango@ecologica.org.br, phone: (55-11) 50833252

---

## European Space Agency (ESA)

**Theme :** Space supporting UNFCCC, Kyoto Protocol and Parties" will focus on the following themes:  
- Support to the national reporting on LULUCF activities and to CDM forest projects;  
- Greenhouse gas concentrations and emissions;  
- Contribution to systematic observation

**Organizer :** Espen Volden, e-mail: Espen.Volden@esa.int, phone: (39-06) 941 80624

---

## Federation of Electric Power Companies (FEPC)

**Theme :** Measures against the global climate change by Japanese electric power companies

**Organizer :** Hoku Saito, e-mail: saitoh@fepc.or.jp, phone: (81-3) 3279-2188

---

## Food and Agriculture Organization of the United Nations (FAO)

**Theme :** New FAO publications and developments relevant to climate change

**Organizer :** Michele Bernardi, e-mail: michele.bernardi@fao.org, phone: (39-06) 57052442

---

## FORO DEL BUEN AYRE\* (FOROBA)

**Theme :** Art & climate change  
Exhibition of an artistic installation about the climate change.

**Organizer :** Ricardo Beltramino, e-mail: secretario@fundacionsustentable.org, phone: (55-341) 4490585

---

## France

**Theme :** France : national and international action in the climate change field

**Organizer :** Marie Jaudet, e-mail: marie.jaudet@mies.pm.gouv.fr, phone: (33-1) 42 75 87 92

---

## Friends of the Earth International (FOEI)

**Theme :** Friends of the Earth International exhibition

**Organizer :** Catherine Pearce, e-mail: catp@foe.co.uk, phone: (44-20) 7566-1723

---

## Germany

**Theme :** Display on climate protection activities in German technical cooperation

**Organizer :** Kerstin Dietrich, e-mail: kerstin.dietrich@gtz.de, phone: (49- 6196) 794104

---

## Global Commons Institute (GCI)

**Theme :** Presentations on the contraction and convergence (C&C) framework are made with the assistance of rolling animation. Questions will be answered at the exhibit with the aid of the C&C planning model.

**Organizer :** Tim Helweg-Larsen, e-mail: [tim@gci.org.uk](mailto:tim@gci.org.uk), phone: (44-208) 5204742

---

## Global Environment Centre Foundation (GEC)

**Theme :** This exhibit showcases Global Environment Centre Foundation Japan's initiative for the CDM/JI activities. It introduces the database of the CDM/JI feasible studies that Japanese companies and NGOs have implemented last six years. It also presents Japanese initiative for CDM/JI projects.

**Organizer :** Masako Ogawa, e-mail: [ogawa@unep.or.jp](mailto:ogawa@unep.or.jp), phone: (81-6) 6915-4121

---

## Global Environment Facility (GEF)

**Theme :** Powering sustainable development: The Global Environment Facility and its partnerships with developing countries.

**Organizer :** Richard Hosier, e-mail: [rhosier@thegef.org](mailto:rhosier@thegef.org), phone: (1-202) 458 0290

---

## Hadley Centre

**Theme :** The latest results from the Hadley Centre will be presented and discussed. The focus will be on uncertainty in climate change predictions, risk and the impacts of climate change.

**Organizer :** Fiona Smith, e-mail: [fiona.smith@metoffice.gov.uk](mailto:fiona.smith@metoffice.gov.uk), phone: (44-1392) 88 4240

---

## Hamburg Institute of International Economics (HWWA)

**Theme :** Presentation of research results on international and national climate policies: Kyoto Mechanisms, National Emissions Trading Schemes, continuation of the UNFCCC regime. Results of CC workshops held at the HWWA in May and June 2004.

**Organizer :** Sonja Butzengeiger, e-mail: [sonja.butzengeiger@hwwa.de](mailto:sonja.butzengeiger@hwwa.de), phone: (49-40) 42834-370

---

## Iceland

**Theme :** The exhibit will highlight the scientific results of the Arctic Climate Impact Assessment, a major assessment of climate change and its consequences in the Arctic region, developed under the auspices of the Arctic Council.

**Organizer :** Hugi Olafsson, e-mail: [hugi.olafsson@environment.is](mailto:hugi.olafsson@environment.is), phone: (35-45) 458600

---

## Institute for Global Environmental Strategies (IGES)

**Theme :** Display of recent publications and information on IGES activities in environmental issues in general and climate policy in particular.

**Organizer :** Ancha Srinivasan, e-mail: [ancha@iges.or.jp](mailto:ancha@iges.or.jp), phone: (81-46) 855-3818

---

## **Institute of Development Studies, University of Sussex (IDS)**

**Theme :** This exhibit will showcase the climate change-related work of the Institute of Development Studies. It will feature IDS publications, reports and other documentary information, along with video presentations.

**Organizer :** Joanna Depledge, e-mail: [jdepledge@tiscali.co.uk](mailto:jdepledge@tiscali.co.uk), phone: (44-1223) 410810

---

## **Instituto Ecoplan\***

**Theme :** At COP-10 Ecoplan will be showing its technical-scientific knowledge. Methodology on carbon sequestration, "C-FLORESTA ®" national software directed to carbon sequestration valuation, will be present by specialists and other publications. A related project running in small farms also will be showed.

**Organizer :** Marcelo Dias Jordan, e-mail: [marcelojordan@ecoplan.org.br](mailto:marcelojordan@ecoplan.org.br), phone: (55-41) 339-1100

---

## **International Confederation of Free Trade Unions (ICFTU)**

**Theme :** Climate change and the world of work

**Organizer :** Lucien Royer, e-mail: [Royer@tuac.org](mailto:Royer@tuac.org), phone: (33-1) 5537 3737

---

## **International Council for Local Environmental Initiatives (ICLEI)**

**Theme :** By 2005, 50% of the world's population will live in urban areas. ICLEI's Cities for Climate Protection (CCP) Campaign demonstrates the power of cities to protect the climate and the local environment.

**Organizer :** Bob Price, e-mail: [bprice@iclei.org](mailto:bprice@iclei.org), phone: (1-510) 540-8843

---

## **International Emissions Trading Association (IETA)**

**Theme :** Presentation of IETA's activities and CarbonExpo 2005

**Organizer :** Edwin Aalders, e-mail: [aalders@ieta.org](mailto:aalders@ieta.org), phone: (41-22) 8393-192

---

## **International Energy Agency (IEA)**

**Theme :** Latest IEA publications

**Organizer :** Jenny Gell, e-mail: [jenny.gell@iea.org](mailto:jenny.gell@iea.org), phone: (33-1) 4057 6729

---

## **International Gas Union (IGU)**

**Theme :** Promoting natural gas as the better choice of fuel to diminish CO<sub>2</sub> emissions when replacing wood, coal and oil.

**Organizer :** Peter Kjaer Storm (IGU), e-mail: [pks@dong.dk](mailto:pks@dong.dk), phone: (45-45) 171200

---

## **International Petroleum Industry Environmental Conservation Association (IPIECA)**

**Theme :** The IPIECA Climate Change Group aims to provide reliable and timely information, issues analysis, technical guidance, education and involvement in international processes dealing with climate change. This booth presents the work of IPIECA.

**Organizer :** Tim Stileman, e-mail: [Tim.stileman@ipieca.org](mailto:Tim.stileman@ipieca.org), phone: (44-20) 7633 2378

---

## International Rivers Network (IRN)

**Theme :** Examining policy implications and science on the impacts of hydropower on carbon cycling. Consider the role of dams and reservoirs in adaptation to climate change.

**Organizer :** Patrick McCully, e-mail: ebrink@irn.org, phone: (1-510) 848 1155

---

## International Union of Railways (UIC)

**Theme :** More attention is needed on the transport sector! It causes 25% of CO<sub>2</sub>-emissions and is the sector with the highest growth globally. The different transport modes have to cooperate to create sustainable transport systems with the CO<sub>2</sub>-advantage of rail and public transport as the backbone.

**Organizer :** Margrethe Sagevik, e-mail: sagevik@uic.asso.fr, phone: (33-1) 44 49 20 35

---

## Japan

**Theme :** Exhibition by Government of Japan including,  
- JICA Argentina :Capacity building activities in Argentina  
- Frontier Research Center for Global Change (FRCGC): Highlights of FRCGC's cutting-edge projects to understand the mechanisms of c.c.  
- JBIC and DBJ: Introduction of Japan Carbon Fund (JCF)

**Organizer :** Satoko Otani, e-mail: satoko.otani@mofa.go.jp, phone: (81-3) 5501-8245

---

## Mexico

**Theme :** Information from the Inter-American Institute for Global Change Research (IAI, an intergovernmental organization composed of 19 countries of the Americas. It was established in 1992 as a regional network of cooperating research institutions relevant to global change.

**Organizer :** Adrián Fernández Bremauntz, e-mail: afernand@ine.gob.mx, phone: (52-55) 5424 64 54

---

## Morocco

**Theme :** Les Energies Renouvelables au service du Développement Durable et l'Environnement.

**Organizer :** Mohamed Berdai, e-mail: cder@menara.ma, phone: (212-44) 309809/14/22

---

## National Association of Regulatory Utility Commissioners (NARUC)

**Theme :** This exhibit would highlight the role of state regulators in the Regional Greenhouse Gas Initiative, the role of U.S. state officials in promoting a National GHG policy, and provide information on the World Forum on Utility Regulation scheduled in Washington DC for October 2006.

**Organizer :** Andrew Spahn, e-mail: aspahn@naruc.org, phone: (1-202) 898-2217

---

## National Institute for Environmental Studies\* (NIES)

**Theme :** Our exhibits will present the activities of NIES, mainly focused on GHGs emissions and removals included in GHGs inventories of Japan and on the current status of background GHGs in the atmosphere monitored by CGER. Environmental policy-related research and activities of AIM will also be exhibited.

**Organizer :** Hideaki Nakane, e-mail: white.masako@nies.go.jp, phone: (81-029) 850 2169

---

## **National Institute for Public Health and the Environment (RIVM)**

**Theme :** Display of the latest RIVM publications and interactive demonstrations of the FAIR 2 model

**Organizer :** Michel den Elzen, e-mail: michel.den.elzen@rivm.nl, phone: (31-30) 2991030

---

## **Organisation for Economic Co-operation and Development (OECD)**

**Theme :** Recent OECD releases of documents and publications.

**Organizer :** Carolyn Sturgeon, e-mail: carolyn.sturgeon@oecd.org, phone: (33-1) 45 24 19 66

---

## **Permanent Court of Arbitration (PCA)**

**Theme :** The Exhibit of the PCA will provide information about tools for dispute resolution and avoidance for participants interested in flexible mechanism activities. The goal is to ensure that the future emissions trading systems and other flex-mech activities are stable and harmonised.

**Organizer :** Dane Ratliff, e-mail: dratliff@pca-cpa.org, phone: (31-70) 3024196

---

## **Pew Center on Global Climate Change**

**Theme :** Information on the Pew Center's domestic and international work and objectives, and to offer recent publications free of charge.

**Organizer :** Christie Jorge-Tresolini, e-mail: jorgec@pewclimate.org, phone: (1-703) 516-0611

---

## **Republic of Korea**

**Theme :** Korea's GHG reduction drive  
- GHG reduction researches and projects of energy and industry sector by Korea Energy Management Corporation  
- GHG reduction actions of Korean confirms

**Organizer :** Suk Hui Lee, e-mail: suki@kemco.or.kr, phone: (82-31) 2604-545

---

## **Responding to Climate Change (RTCC)**

**Theme :** This is an exhibit for Responding to Climate Change to showcase initiatives, solutions and technologies for the mitigation and adaptation to climate change through publications, CDs, and a live link to web resources. This will also be where some live interviews for RTCC World will be held.

**Organizer :** Adam Bumpus, e-mail: adam.bumpus@rtcc.org, phone: (44-20) 77992222

---

## **Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)**

**Theme :** CDM Designated and Applicant Entities

The operational entities are an essential part of the CDM institutional infrastructure. The booth will provide an opportunity for them to introduce themselves and provide information about their services to participants at COP 10.

**Organizer :** Bilal Anwar, e-mail: banwar@unfccc.int, phone: (49-228) 815-1618

**Theme :** Climate Change Kiosk has a primary goal to provide information about climate change and the secretariat. In addition a series of climate change related talks will take place at the kiosk on scheduled days.

**Organizer :** Sharon Taylor, e-mail: staylor@unfccc.int, phone: (49-228) 815-1003

**Theme :** ...inSide climate change publications counter.  
Participants may have the opportunity to display climate change related materials, attributed to Parties or observer organizations at a central location.

**Organizer :** Barbara Black, e-mail: bblack@unfccc.int, phone: (49-228) 815-1523

---

## Sweden

**Theme :** Tools in the Swedish climate strategy

**Organizer :** Kerstin Heikenfeldt, e-mail: kerstin.heikenfeldt@naturvardsverket.se, phone: (46-8) 698 1509

---

## The Climate Group\*

**Theme :** The Climate Group is a leadership coalition of cities, states, national governments and corporations committed to reducing greenhouse gas emissions. This stand will provide more information about The Climate Group's activities and will profile some examples of leadership in greenhouse gas reduction.

**Organizer :** Jim Walker, e-mail: jwalker@theclimategroup.org, phone: (44-1932) 268306

---

## The Energy and Resources Institute (TERI)

**Theme :** Displaying the efforts by TERI in the field of energy and environment with specific reference to climate change

**Organizer :** N Y D Babu, e-mail: ydbabu@teri.res.in, phone: (91-11) 24682100

---

## United Nations Development Programme (UNDP)

**Theme :** Exhibit will showcase publications and posters that illustrate and exemplify UNDP's commitment to supporting developing countries in responding to climate change concerns as part of their overall sustainable development strategies, with a primary focus on meeting the Millennium Development Goals

**Organizer :** Brian Dawson, e-mail: brian.dawson@undp.org, phone: (1-212)906-6042

---

## United States of America

**Theme :** U.S. Climate Change Activities. This will be a hands-on, life-size exhibit. During week 1 the exhibit will highlight U.S. domestic partnerships. During week 2, the exhibit will highlight U.S. involvement in innovative international partnerships to address climate change.

**Organizer :** Pablo Valdez, e-mail: valdezpm2@state.gov, phone: (1-202) 647-4283

---

## University Corporation for Atmospheric Research (UCAR)

**Theme :** The National Center for Atmospheric Research is a federally funded research and development center. Together with its partners at universities and research centers, NCAR is dedicated to understanding the atmosphere and its interactions with the Sun, the oceans, the biosphere, and human society.

**Organizer :** Peter Backlund, e-mail: anneoman@ucar.edu, phone: (1-303) 497-1117

---

## University of Oxford, Environmental Change Institute (ECI)

**Theme :** UKCIP helps organisations assess the risks of climate change, so they can adapt to the impacts. UKCIP has climate change scenarios and portable tools to help decision-makers scope the impacts, quantify the risks, and to begin to develop strategies for adapting to climate change.

**Organizer :** Chris West, e-mail: [chris.west@ukcip.org.uk](mailto:chris.west@ukcip.org.uk), phone: (44 -186) 5432076

---

## WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)

**Theme :** Display of IPCC publications and information material.

**Organizer :** Renate Christ, e-mail: [IPCC-Sec@wmo.int](mailto:IPCC-Sec@wmo.int), phone: (41-22) 730 8208

---

## World Alliance for Decentralized Energy (WADE)

**Theme :** Decentralized energy (DE): cutting power sector CO2 emissions and total system costs. In English + Spanish:

\*Examples of projects

\*How DE cuts power sector emissions;

\*How DE cuts system costs by reducing the need for costly grid systems;

\*What policymakers can do to improve the market share of DE.

**Organizer :** Michael Brown, e-mail: [michael.brown@localpower.org](mailto:michael.brown@localpower.org), phone: (44-131) 466 5544

---

## World Bank

**Theme :** Information on the 2005 Carbon Expo, a trade fair and conference dedicated to the carbon market to be held in Cologne May 11-13, prior to the subsidiary body sessions of the UNFCCC. The World Bank will facilitate the participation of at least 25 developing countries and economies in transition

**Organizer :** Robert Dornau, e-mail: [alutz@unfccc.int](mailto:alutz@unfccc.int), phone: (41-79) 689 22 42

---

## World Business Council for Sustainable Development (WBCSD)

**Theme :** World Business Council for Sustainable Development publications

**Organizer :** Gloria Godinez, e-mail: [godinez@wbcSD.org](mailto:godinez@wbcSD.org), phone: (41-22) 8393193

---

## World Meteorological Organization (WMO)

**Theme :** WMO works for our future climate

The World Meteorological Organization is the UN's authoritative scientific voice on weather, climate and water. This intergovernmental organization coordinates the activities of Meteorological and Hydrological Services of 187 countries and territories.

[www.wmo.int](http://www.wmo.int)

**Organizer :** Vicky Hanson, e-mail: [vhanson@wmo.int](mailto:vhanson@wmo.int), phone: (41-22) 730-8314/15

---

## World Nuclear Association (WNA)

**Theme :** World Nuclear Association exhibition stand:

Provide information and opportunity for dialogue about nuclear energy and climate change. The exhibition will contain information from WNA and other national and regional nuclear industry associations.

**Organizer :** Emma Cornish, e-mail: [Cornish@world-nuclear.org](mailto:Cornish@world-nuclear.org), phone: (44-207) 225 0303

---

## **World Resources Institute (WRI)**

**Theme :** A presentation of the publications and data analysis tools produced by the World Resources Institute in the field of climate change.

**Organizer :** Robert Bradley, e-mail: rbradley@wri.org, phone: (1-202) 729 7645

---

## **Wuppertal Institute for Climate, Environment and Energy**

**Theme :** The Wuppertal Institute is providing information material on a wide range of issues such as the Kyoto Mechanisms, the EU emissions trading regime, equity considerations in the UNFCCC process and possible post-2012 policy options.

**Organizer :** Bernd Brouns, e-mail: bernd.brouns@wupperinst.org, phone: (49-202) 2492-329

---

## **WWF**

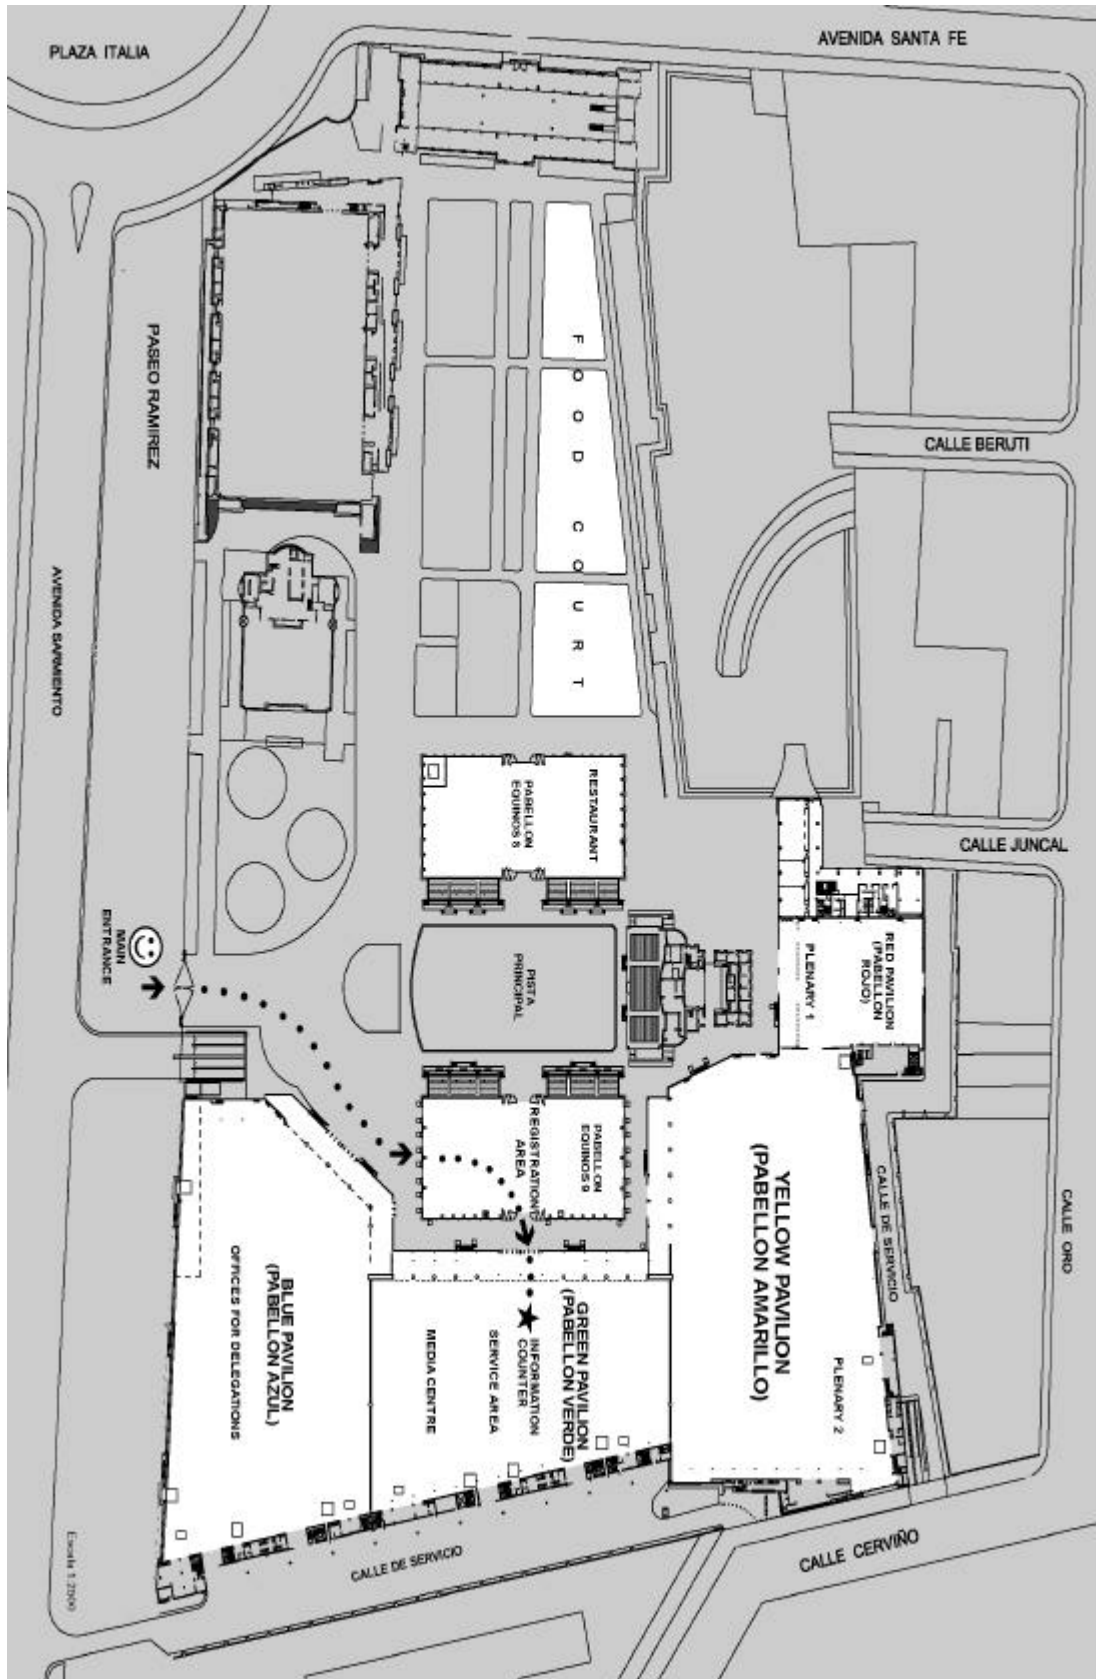

**Theme :** People impacted by climate change

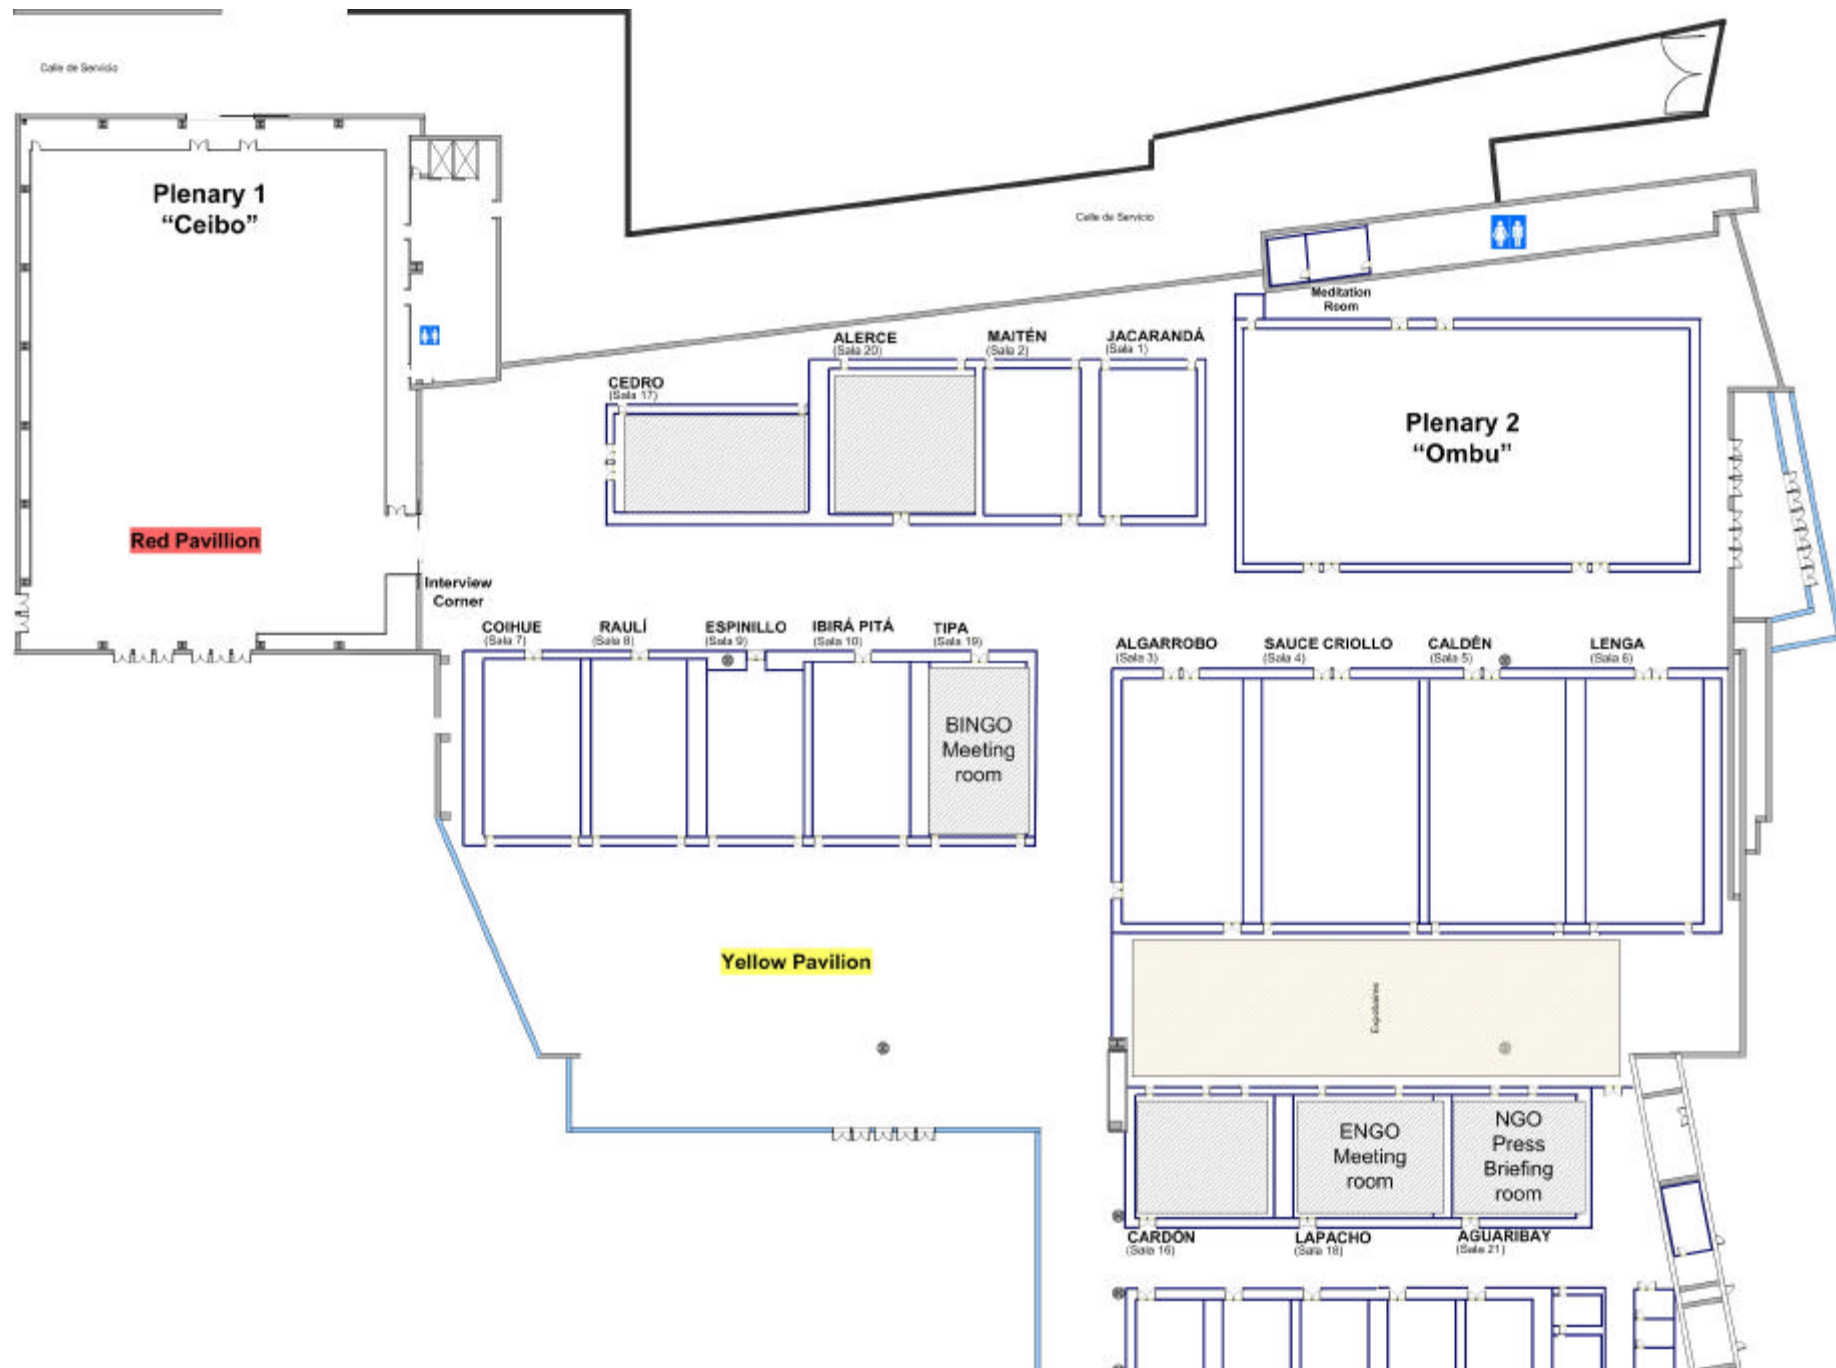

Presentation in three parts

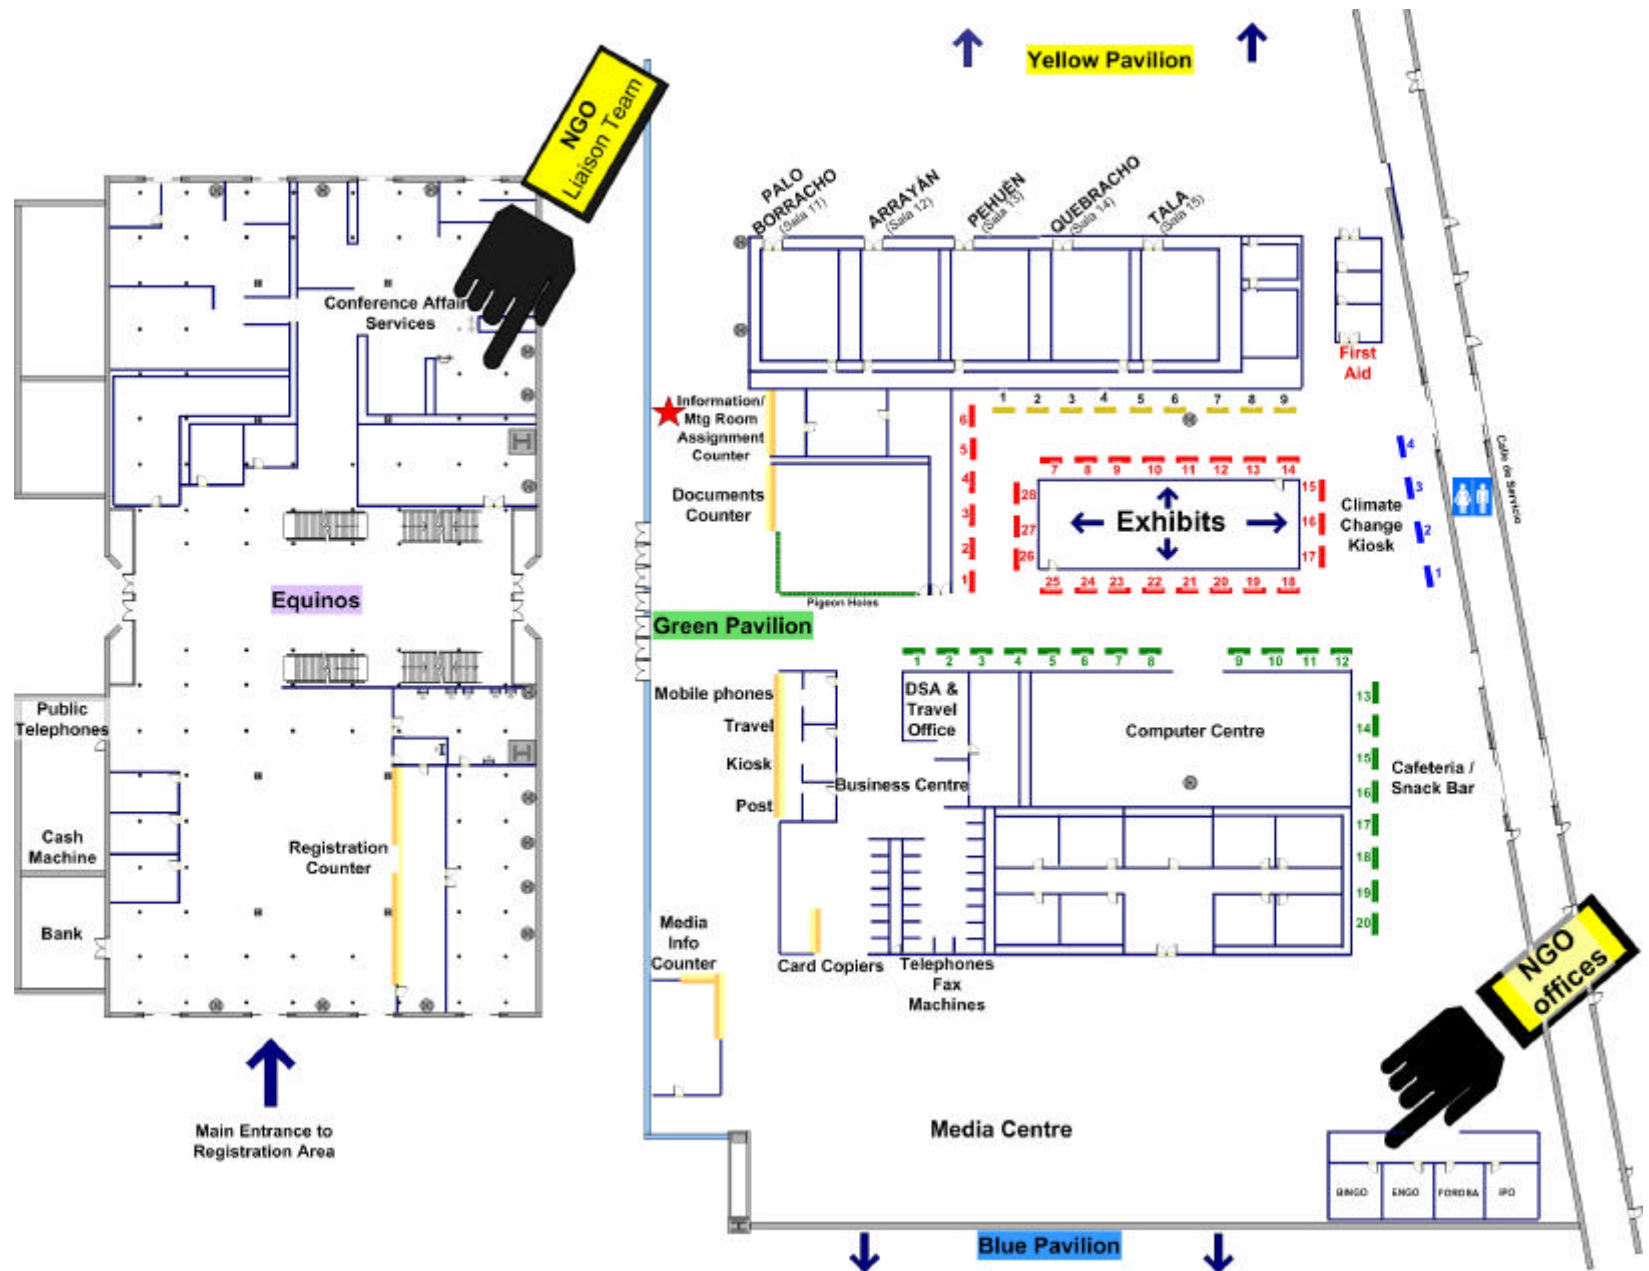

- a) Climate witnesses around the world
- b) Children experience climate change
- c) Leave your own witness story - PC installation

**Organizer :** Freda Colbert, e-mail: colbert@wwf.de, phone: (49-30) 30874219

# Overview of "La Rural"

Plan including NGO Liaison Team office, exhibit locations and side event rooms

## Where are the NGOs meeting??

The business and industry organizations (BINGO), the environmental groups (ENGO) the local NGO "FOROBA" and IPO will have offices in the Green Pavilion

\*

BINGO office  
Tel.: (54-11) 4777-5631  
Facilitator: Nick Campbell  
nick.campbell@atofina.com

\*

ENGO office
