The Embassy of Brunei Darussalam in Berlin presents its compliments to the Climate Change Secretariat (UNFCCC) in Bonn and has the honour to refer to the latter's notifications dated 18 and 25 January relating to the Copenhagen Accord.

The Embassy has the further honour to inform the Secretariat that Brunei Darussalam wishes to associate itself with the Copenhagen Accord as an expression of international commitments to reach a legally binding agreement and looks forward to taking part in further negotiations on this very important matter.

The Embassy of Brunei Darussalam in Berlin avails itself of this opportunity to renew to the Climate Change Secretariat the assurances of its highest consideration.
