Subject: COPENHAGEN ACCORD

Dear Mr. Yvo de Boer

I would like to refer to your letter Ref YDB/DBO/drl dated 18 January 2010 and your letter Ref DBO/drl dated 25 January.

I am pleased to inform you that Jordan associates itself with the Copenhagen Accord that the Conference of the Parties at its fifteenth session adopted a decision that took note of the Copenhagen Accord on the 18th of December 2009. Pursuant to paragraph 5 "non - Annex I parties may submit to the secretariat by 31 January 2010 information on their mitigation actions".

I am attaching the expected actions to be implemented by Jordan subject to finance, capacity building and technology transfer availability.

Taking this opportunity I would like to stress on that Jordan would like to support the extension of Kyoto protocol for a second commitment period.

Accept my highest esteem and consideration

Eng. Hazem Malhas
