

Guidelines for public transportation from Beijing International Airport to Tianjin

- The public SHUTTLE BUS between Beijing International Airport and Tianjin departs from Gate 3 of the Shuttle Bus Station located on the ground floor of Terminal 3.
- The SHUTTLE BUS departs hourly from 8:00 onwards till 23:00, and connects Beijing International Airport with Tianjin TIAN HUAN BUS STATION on Hongqi Road.
- In the luggage collection area in Terminal 3, there are signs on the walls and floor indicating the direction to the SHUTTLE BUS. Other services such as currency exchange and general information are also available in the luggage collection area.
- You will find the SHUTTLE BUS TICKET office immediately after exiting the luggage collection area, and opposite the exit of Zone C. A single ticket to Tianjin costs RMB 70 and the journey is about 2.5 hours.
- For further information, please go to the INFORMATION COUNTER, which is located next to the SHUTTLE BUS TICKET office.
- After purchasing your ticket, take the stairs or elevator down to the ground floor where the shuttle bus station is located. The SHUTTLE BUS to Tianjin departs from GATE 3. A sign in Chinese and English at the bus stop provides the bus timetable.
