Key Figures in Climate Movement call for Greater Support for Women Leaders in Tackling Climate Change

Join Anne Hidalgo, Mayor of Paris; Patricia Espinosa, Executive Secretary UNFCCC; Laurence Tubiana, French Ambassador for Climate Change Negotiations; Dr. Hakima El Haite, High-Level Champion for Global Climate Action Agenda, COP22 Presidency, and Celestine Ketcha-Courtes, Mayor of Bangangte for a unique press event at COP22 in Marrakech.

These key figures in the climate movement will advocate for even greater female leadership in tackling climate change. The event will discuss the unique contribution by women mayors and other leaders in securing the landmark Paris Agreement, and the key role they have to play in delivering on the deal in the years ahead.

C40 will make key announcements about how the network will support the next generation of women leaders in climate.
