

## **Press Invite**

# **Release of the Climate Change Performance Index 2017**

Dear Ladies and Gentlemen,

Together with the Climate Action Network Europe (CAN-E), Germanwatch presents the Climate Change Performance Index 2017 at the climate summit in Marrakech. For the twelfth time, the index compares the climate change performances of the 58 highest CO<sub>2</sub> emitting countries. Together, they are responsible for more than 90 percent of global energy-related emissions.

**We cordially invite you to our press conference:**
