

Internews' Earth Journalism Network and the Climate Change Media Partnership are pleased to invite all accredited journalists to attend this year's Negotiator Press Briefing, where leaders from key delegations sit down together to answer your questions. The briefing will be held on Thursday, Nov 17th at 2pm in Press Briefing Room Dhakla. Please spread the word to any accredited journalist colleagues who may be interested in attending.

This year's speakers will include:

- Elina Bardram, Head of the EU delegation
- Tosi Mpanu-Mpanu, Chairman of the Least Developed Countries group
- Representative of the Alliance of Small Island States (tbc)
- Representative of the Independent Alliance of Latin America and the Caribbean (tbc)

We aim to start promptly at 2pm and continue until 3pm, with plenty of time for questions from journalists in the audience.
