

17 November 2016

**United Nations Climate Change Conference 2016
COP 22/CMP 12/CMA 1
Marrakech, 7 to 18 November 2016**

High Level Segment

National Statements during the joint high level segment of the COP, CMP and CMA will continue be heard in the morning of Thursday, 17 November 2016. The high-level segment will conclude on afternoon of Thursday, 17 November 2016 with statements by inter-governmental and non-governmental organizations.

The list of speakers includes all those who have registered and confirmed their wish to deliver a statement at the High-Level Segment and has been prepared adhering to rank and seniority of the speaker.

All speakers are reminded to be present in the plenary 15 minutes, or at three speakers, prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium.

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the number Parties and the limited time available for statements, it will be necessary to limit the duration of each statement. In fairness to all speakers, time limits will be strictly enforced. Statements should be as brief and concise as possible. Following United Nations practice, a mechanism will be used to assist speakers in respecting this limit. **A bell will sound every 30 seconds should speakers exceed the time limit. Parties are encouraged to reduce oral statements to the 3-minute limit on the understanding that the full version of their statements will be posted on the UNFCCC website.**

Full texts of the statements will not be circulated in hard copy in the room during the High Level Segment. Statements delivered during the High Level Segment will be uploaded and made available on the UNFCCC webpage. In order to have statements posted on the UNFCCC webpage, Parties speaking at the High Level Segment are requested to e-mail an electronic copy of the statement in advance to the following e-mail address Cop22Cmp12protocol@unfccc.int or external-relations@unfccc.int.

All Parties are kindly requested to provide the Conference Officer in the plenary with 15 copies of their statements at least 15 minutes prior to the delivery of the statements to ensure the quality of interpretation.

Interpretation in the official languages of the United Nations will be provided. Arrangements for interpretation into other languages are possible. An additional interpretation booth will be available free of charge for use when the head of delegation delivers his/her statement. Parties however will need to provide their own interpreter. Parties should contact the Meeting Services Officer in advance in order to make these arrangements. The contact details for this service will be provided in due course.

Please recycle 

Parties are reminded that as indicated, the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to Ms. Angelika Schunke in the External Relations office of the Conference Affairs Services in Area A of the conference venue, or Ms. Patrica Belz Othieno in the Plenary Marrakech during the High Level Segment.
