

## SUSTAINABLE ENERGY FOR ALL - COP22 AFRICA PRESS BRIEFING

WHAT: Press briefing with Rachel Kyte, CEO and Special Representative of the UN Secretary-General for Sustainable Energy for All.

### TO DISCUSS:

- \* How the solutions for energy access in Africa can happen at the same time Africa builds clean energy, and where the greatest opportunities are
- \* How off-grid & mini-grid, alongside national grids, can close the energy access gap quicker
- \* How we can understand the biomass sector in this continent better
- \* Examples of African leadership in sustainable energy
- \* COP22 and process in general

There will be opening remarks from Ms. Kyte, followed by a Q&A session.

WHEN: Thursday, November 17, 2pm - 3pm.

WHERE: Meeting Room 2, Blue Zone
