

Schedule of special events for the eighth session of the Conference of the Parties and the seventeenth sessions of the subsidiary bodies of the UNFCCC

New Delhi 23 October - 1 November 2002 (tentatively as of 1 November 2002)

Date / Time	Title	Organizer and contact information	Theme
Wednesday, 23 October 1 - 3 p.m.	Presentation of new national communications from non-Annex I Parties	UNFCCC Contact: Runhild Heins-Catell/Martha Perdomo Tel.: (49-228) 815-1432 Fax: (49-228) 815-1999 E-mail: rheinscatell@unfccc.int	Presentation of new national communications from non-Annex I Parties
Wednesday, 23 October 1 - 3 p.m.	Information in support of development and transfer of environmentally sound technologies	UNFCCC Contact: Florin Vladu Tel.: (49-228) 8151422 Fax: (49-228) 8151999 E-mail: fvladu@unfccc.int	Presentation of the UNFCCC technology information system "TT:CLEAR" and outreach programme, outcome of Asian climate technology information workshop and plans for African Workshop, and other related activities
Wednesday, 23 October 1 - 3 p.m.	U.S energy policy	US delegation/US Department of State and Department of Energy Contact: Isabel Gates Tel.: (1-202) 647-1607 Fax: (1-202) 647-0774 E-mail: gatesin@state	A discussion to focus on U.S. energy policy, including the Voluntary Emissions Reductions Programme, and technologies that reduce greenhouse gas emissions
Wednesday, 23 October 1 - 3 p.m.	Role of companies and the Kyoto Mechanisms	International Chamber of Commerce (ICC) Contact: Jack Whelan Tel.: (33-1)4953-2808 Fax: (33-1) 4953-2859 E-mail: jack.whelan@iccwbo.org	Business perspective on the role of companies in Kyoto mechanisms and the issues which might arise concerning company participation in Kyoto mechanisms and the consequences of participation or non-participation
Wednesday, 23 October 1 - 3 p.m.	Developing energy solutions for climate change: an African perspective	Energy and Development Research Centre (EDRC), South Africa Contact: Pierre Mukheibir Tel: (27-21) 6503-230 Fax: (27-21) 6502-830 pierre@energetic.uct.ac.za	Sustainable energy and climate change, and an approach to CDM projects
Thursday, 24 October 1 - 3 p.m.	Question and answer session on funding for the preparation of	Global Environmental Facility (GEF) Contact: Runhild Heins-Cattell/Martha Perdomo Tel.: (49-228) 815-1432 Fax: (49-228) 815-1999 E-mail:	Question and answer event between non-Annex I Parties and the GEF, on funding for

	national communications	rheinscattell@unfccc.int	the preparation of national communications in the context of the revision of guidelines for the preparation of their national communications
Thursday, 24 October 1 - 3 p.m.	National Strategy Studies (NSS)	Swiss delegation and the World Bank Contact: Peter Kalas Tel.: (1-202) 458-5647 Fax: (1-202) 522-2130 E-mail: pkalas@worldbank.org	The National Strategy Studies address capacity building in developing countries and countries with economies in transition with a focus on the use of the CDM and JI
Thursday, 24 October 1 - 3 p.m.	Eco-friendly approaches in the hydrocarbon sector	Indian delegation in collaboration with the Ministry of Petroleum & Natural Gas Contact : A.K. Bhatnagar Tel. : (91-5) 284420 E-mail : bhatnagarak@iocrnd.stpn.soft.net bhatnagarak@iocl.co.in	
Thursday, 24 October 1 - 3 p.m.	Equity and justice implications of adaptation: a strategic assessment	Foundation for International Environmental Law and Development (FIELD) Contact: Jürgen G.J. Lefevere Tel.: (44-20) 7637-7950 Fax: (44-20) 763-7951 E-mail: jurgen.lefevere@field.org.uk	A presentation of the first results of ongoing work under the project "A Strategic Assessment of Equity and Justice Implications of Adaptation" funded by the UK's Tyndall Centre
Thursday, 24 October 6 - 8 p.m.	Building carbon markets: funding and capacity building for carbon finance at the World Bank	The World Bank Contact: Ajay Mathur Tel.: (1-202) 473-2561 E-mail: amathur@worldbank.org	World Bank Prototype Carbon Fund and the new carbon funds initiatives (Community Development Carbon fund, Bio Carbon Fund) and technical assistance instruments
Thursday, 24 October 6 - 8 p.m.	IPCC Programme of land use and land use change and forestry (LULUCF)	Intergovernmental Panel on Climate Change - National Greenhouse Gas Inventories Programme (IPCC/NGGIP) Contact: Kyoko Miwa/Renate Christ Tel.: (81-468) 55-3750 Fax: (81-468) 55-3808 E-mail: miwa@iges.or.jp	Progress made and future tasks
Thursday, 24	Observation of changes in precipitation patterns	Japanese delagation in collaboration with the Ministry of	The water cycle is a priority area of climate change study.

October	and extreme events induced by water cycle	Education, Culture, Sports, Science and Technology of Japan	Monitoring of the water cycle requires the integration of satellite
6 - 8 p.m.	variation due to climate change	(MEXT) Contact: Naomasa Murakoshi Tel.: (81-3) 3438-6032 Fax: (81-3) 5402-6512 E-mail: murakoshi.naomasa@nasda.go.jp	based observing systems with ground-based networks
Thursday, 24 October 6 - 8 p.m.	Coping with changing climate: vulnerability, adaptation and mitigation perspectives	Tata Energy Research Institute (TERI) in collaboration with Food and Agriculture Organization of the United Nations (FAO) , Center of International Climate and Environmental Research (CICERO), Norway and International Institute for Sustainable Development (IISD) Contact: Suruchi Bhadwal / Gustavo Best Tel.: (91-11) 4682-2100 / (39065) 705-5534 Fax: (91-11) 4682-2144 / 39-065 705-3369 E-mail: suruchib@teri.res.in/ gustavo.best@fao.org	Vulnerability and adaptation to climate change, vulnerability profile of Indian agriculture; adaptation and mitigation measures in agriculture and forestry
Friday, 25 October 1 - 3 p.m.	Review of GHG inventories of Annex I Parties for 2003	UNFCCC Contact: Clare Breidenich Tel.: (49-228) 815-1525 Fax: (49-228) 815-1999 E-mail: cbreidenich@unfccc.int	Presentation of the FCCC Secretariat's activities to facilitate the review of Annex I Greenhouse gas inventories in 2003
Friday, 25 October 1 - 2 p.m.	The first decade of the GEF: second overall performance study (OPS2)	Global Environmental Facility (GEF) Contact: Ramesh Ramankutty Tel.: (1-202) 458-2725 Fax: (1-202) 614-0838 E-mail: rramankutty@worldbank.org	The presentation examines GEF's performance in the climate change focal area
Friday, 25 October 2 - 3 p.m.	International clean energy collaboration	National Association of Regulatory Utility Commissioners (NARUC) Contact: Michelle T. Merrill/ Andrew Spahn Tel.: (1-202) 898-2212 Fax: (1-202) 898-2213 E-mail: mmerrill@naruc.org	Bringing policy, finance and technology experts together to address global climate change
Friday, 25 October 1 - 3 p.m.	The Dutch CDM programme: a practical way of doing business; and the Dutch experience with joint initiatives (JI) and emissions trading (ET)	Dutch delegation and the Ministry of Environment of the Netherlands Contact: L. de Jonge/Melanie Peters Tel.: (31-70) 3394-693 Fax: (31-70) 3394-679 E-mail: lex.deJonge@minvrom.nl/ melanie.peters@minvrom.nl	Overview of the Netherlands' policy for the implementation of the Kyoto Protocol, Kyoto mechanisms and an explanation of the Dutch CDM programme. Discussion on additionality
Friday, 25 October 1 - 3 p.m.	Launch of the joint agency paper: reducing the vulnerability of the poor	Directorate General for Development, European Commission in collaboration with African Development Bank, Asian Development Bank, Department for International Development UK,	Supporting poor people cope with their increased vulnerability to climate change, through partner

		Directorate-General for International Cooperations, DGIS (Netherlands), Federal Ministry for Economic Cooperation and Development, GTZ (Germany), Organization for Economic Cooperation and Development, World Bank, UNEP and UNDP Contact. Maria Lamin Tel.: (32-2) 2963-610 Fax: (32-2) 2992-908 E-mail: maria.lamin@cec.eu.int	governments and civil society
Friday, 25 October 1 - 3 p.m.	Indian renewable energy programme - a developing country perspective	Indian delegation in collaboration with the Ministry of Non-conventional Energy Sources (MNES) Contact : Shakuntla D. Gamlin Tel. : (91-11) 436-3035 Fax : (91-11) 436-7413 E-mail : shaktal_2000@yahoo.co.uk	1. Showcasing India's achievements. 2. Prospects for CDM projects in renewable energy Sector.
Friday, 25 October 6 - 8 p.m.	Policies and measures of Annex I Parties presented in their third national communications	UNFCCC Contact: Katia Simenonova/ Harald Diaz-Bone Tel.: (49-228) 815-1435 Fax: (49-228) 815-1999 E-mail: hdiaz@unfccc.int	Presentation of a report prepared in response to a COP/SBSTA mandate to the secretariat. It draws on the third national communications of 23 Parties received before the end June 2002
Friday,	Methods and tools: providing technical assistance	UNDP-GEF	A presentation on methods and tools which the National
25 October	to non-Annex I Parties		Communications Support Unit in collaboration with Parties and
6 - 8 p.m.		Contact: Bo Lim/Rebecca Carman Tel.: (1.212) 906-5730 Fax: (1-212) 906-6568 E-mail bo.lim@undp.org	relevant institutions has been developing to facilitate implementation of the UNFCCC
Friday,	Evaluating commitment period reserve in	Global Industrial and Social Progress Research Institute	1) An experimental approach
25 October	emissions trading; and accounting for GHG	(GISPRI)	2) Accounting for GHG allowances under Japanese accounting
6:30 - 8 p.m.	allowances under Japanese accounting standards	Contact: Makiko Ito Tel.: (81-3) 5563 8800 Fax: (81-3) 5563 8810 E-mail: m-ito@gispri.or.jp	standards
Friday,	A market based mechanism for	Development Alternatives (DA)	Procedural aspects of GHG mitigation projects, simplified

	GHG mitigation:		rules
25 October	and concerns		and procedures for small scale projects and tools and techniques
6 -8 p.m.		Contact: K Chaterjee Tel.: (91-11) 696 7938, 656 5370, 685-1158 Fax: (91-11) 646 1151 E-mail: kc@sdalt.ernet.in	for project development
Friday,	Corporate environmental performance	Indian delegation in collaboration with the Confederation of	Demonstration of environmentally and socially responsible
25 October		Indian Industry (CII)	behaviour
6 - 8 p.m.		Contact : K.P.Nyati Tel. : (91-11) 468-2230 Fax : (91-11) 468-2228 E-mail : k.p.nyati@ciionline.org	
Saturday, 26	New national communications from non-Annex I	UNFCCC/IPCC	Presentations of new national communications from non-Annex I
October	Parties and a presentation by the IPCC Task		Parties and by the IPCC Task Force on GHG inventories
10 - 12 a.m.	Force on GHG inventories	Contact: Runhild Heins-Catell/Martha Perdomo Tel.: (49-228) 815-1432 Fax: (49-228) 815-1999 E-mail: rheinscattell@unfccc.int	
Saturday, 26	Scientific and stakeholders inputs to climate	Delegation of Brazil	The role of the BFCC and its thematic chambers on education and
October	change policy: the role of the Brazilian Forum on		capacity building, under the Article 6 of the UNFCCC
10 - 12 a.m.	Climate Change (BFCC)	Contact: Félvio Eduardo Fonseca Tel.: (55-61) 411-5147 Fax: (55-61) 411-5198 E-mail: ffonseca@mct.gov.br	
Saturday,	Climate change and the law	Center for International Environmental Law (CIEL)	Information on legal remedies being explored in a number of
26 October			countries which are apart from legislation
10 - 12 a.m.		Contact: Donald Goldberg Tel.: (1-202) 785-8700 Fax: (1-202) 785-8701 E-mail: dgoldberg@ciel.org	
	1) CDM small scale	German delegation in collaboration with	1) Small scale CD

Saturday,	1) German approach projects approach	German delegation in consultation with the Gesellschaft fuer	projects suffer from high transaction costs;
26 October	2) Mainstreaming adaptation in the GTZ	Technische Zusammenarbeit GmbH/German Technical	discussion on how far the proposed rules can reduce them
10-12 a.m.		Cooperation (GTZ) Contact: Holger Liptow Tel.: (49-6196) 79-1352 Fax: (49-6196) 79-6320 E-mail: holger.liptow@gtz.de	2) Approach of the German Technical cooperation to mainstream adaptation activities into all relevant projects and programmes
Saturday,	CTI activities with developing countries	International Energy Agency (IEA) in collaboration with	Presentation of cooperative programs with developing countries to
26 October		Climate Technology Initiative (CTI)	support the use of
12 - 2 p.m.		Contact: Nathan Perry Tel.: (33-1) 4057-6767 Fax: (33-1) 4057-6749 E-mail: Nathan.PERRY@iea.org	climate friendly technologies.
Saturday,	CDM and Joint Initiative: opportunities for	UNIDO	Presentation of CDM and JI activities from both UNIDO and the
26 October	industry.		Mitsubishi Research Institute
12 - 2 p.m.	Current activities of Mitsubishi Research Institute and UNIDO	Contact: Guillermo Jimenez Tel.: (43-1) 26026-3612 Fax: (43-1) 26026-6803 E-mail: gjimenez@unido.org	
Saturday, 26 October 12 - 2 p.m.	The long-term regulatory regime for climate change	International Chamber of Commerce (ICC) Contact: Jeffrey P. Hardy/Jack Whelan Tel.: (33-6) 20711718/(33-1)4953-2808 E-mail: hardy@idaconsulting; jack.whelan@iccwbo.org	Business issues regarding investments and decision-making under uncertainty
Saturday,	Power sector reforms	Indian Ministry of Power	
26 October			
12 - 2 p.m.		Contact : A. K. Sachan, Director Tel. : (91-11) 3714000 Fax : (91-11) 3715378 E-mail : ak_sachan@yahoo.com	
Saturday,	Database and software for reporting and review	UNFCCC	Presentation of the database and software developments for
			supporting the

26 October	of GHG inventories		reporting and review of Annex I Parties annual
2 - 4 p.m.		Contact: Roberto Acosta Tel.: (49-228) 815-1419 Fax: (49-228) 814-1999 E-mail: racosta@unfccc.int	GHG inventories - providing information on the ongoing activities and plans, and seeking feedback from Parties
Saturday,	Book launch: Framework for implementing CDM	Climate Network Africa	CDM is emerging as an innovative mechanism for promoting
26 October	in Africa		sustainable development and mitigation climate change. Africa's
2 - 3 p.m.		Contact: Fanuel Tolo Tel.: (254-2) 56-4040 Fax: (254-2) 57-3737 E-mail: cna@lion.meteo.go.ke	participation in the CDM is challenging and economically promising
Saturday,	Presentation on the World Conference on	Russian delegation, Institute of Global Ecology and Climate,	Presentation on the World Conference on Climate Change to be
26 October	Climate Change to be held in Moscow on 29.09	Russian Academy of Science	held in Moscow on 29.09-3.10.03
3 - 4 p.m.	3.10.03	Contact: Valery Sedyakin Tel.: Fax: E-mail: v.sedyakin@g23.relcom.ru	
Saturday,	Building capacities for assessing forests and	Food and Agriculture Organisation of the United Nations	FAO fosters more reliable forest-, biomass- and carbon
26 October	carbon in non-Annex I countries: "Killing two	(FAO)	inventories and utilize synergies between reporting for the
2- 4 p.m.	birds with one stone"	Contact: Gustavo Best/Dieter Schone Tel.: (39-065) 705-5534 Fax: (39-065) 705-3369 E-mail: gustavo.best@fao.org	UNFCCC and the next Global Forest Resource Assessment. It does this through use of consistent terminology, provision of data, methods and pilot assessments under its programme "Support to National Forest Assessments"
	The role of business	Business Council for Sustainable Energy	Integrated environmental

Saturday,	in promoting integrated	Business Council for Sustainable Energy (BCSE)	Environmental strategies and the role of business in
26 October	strategies to address local air quality, public		improving local air quality and achieving greenhouse gas
4 - 6 p.m.	health and GHG reductions	Contact: John L. Garrison Tel.: (1-202) 785-0507 Fax: (1-202) 785-0514 E-mail: jgarrison@bcse.org	emissions reductions in India and other developing countries
Saturday, 26 October 4 - 7 p.m.	Canada's systems for monitoring and reporting carbon stock changes in forests and agriculture: status and development plans	Environment Canada / Natural Resources Canada (NCR) Contact: Bryan Bogdanski/Darren Goetze Tel.: (1-819) 956-5647 Fax: (1-819) 953-5787 E-mail: bryan.bogdanski@ec.gc.ca darren.goetze@ec.gc.ca	Description of Canada's inventory system being developed to meet the agricultural soil and forest-related reporting requirements under Articles 3.3 and 3.4 of the Kyoto Protocol
Saturday, 26 October 4 - 6 p.m.	Reducing CO ₂ from transport in New Delhi: researching CDM options	European Federation for Transport and Environment Contact: Stephanos Anastasiadis Tel.: (32-2) 502-9909 Fax: (32-2) 502-9908 E-mail: stephanos.anastasiadis@t-e.nu	Presentation of research on potential CDM transport projects in New Delhi. A debate on options from ground breaking work in the transport sector
Saturday, 26 October 4 - 6 p.m.	New look at "dangerous interference": perspectives for the future	The Nature Conservancy (TNC) in collaboration with Environmental Defense, Conselho Nacional dos Seringueiros (CNS) and Amazon Institute of Environmental Research (IPAM) Contact: Selma Garrido Tel.: (1-703) 841-7436 Fax: (1-703) 276-3241 E-mail: sgarrido@tnc.org	Contribution of tropical deforestation to global GHG emissions and the implications for implementation of the UNFCCC
Monday, 28 October 1 - 3 p.m.	Communicating climate change data and information	UNFCCC and UNEP-GRID Arendal and Intergovernmental Panel on Climate Change (IPCC) Contact: Kevin Grose Tel.: (49-228) 815-1528 Fax: (49-228) 815-1999 E-mail: kgrose@unfccc.int	Presentation of the outcome of collaboration on GHG country profiles prototypes and a presentation of the emission factor database developed by the IPCC Inventories Programme
Monday,	The climate change problem in Mongolia and	Delegations of Mongolia, Turkmenistan, Uzbekistan,	Discussion on adaptation measures taking place in Mongolia and
28 October	Central Asian countries; adaptation measures	Tajikistan and World Wildlife Fund (WWF)	other Central Asian countries. Highlighting CDM proposals

1 - 2 p.m	and CDM proposals	Contact: Freda Colbert/Darndin Dagvadorj Tel.: (1-202) 822-3455 Fax: (1-202) 331-2391 E-mail freda.colbert@wwfus.org	beneficial to the area
Monday,	Convention synergies	UNDP	
28 October			
1 - 3 p.m		Contact: Arun Kashyap E-mail: arun.kashyap@undp	
Monday,	Climate of trust: options for protecting the	World Resources Institute (WRI)	New ways of building on the Kyoto Protocol and shaping a climate
28 October	climate beyond Kyoto		protection system beyond 2012. Release of a 10 chapter book on
1 - 3 p.m		Contact: Kevin Baumert/Alex Ruthman Tel.: (1-202) 729-7731 Fax: (1-202) 729-7798 E-mail: kbaumert@wri.org	this topic
Monday,	Insurance and climate change	Indian delegation in collaboration with the Ministry of	
28 October		Environment and Forests (MoEF)	
1 - 3 p.m		Contact : Indrani Chandrashekharan Tel. : (91-11) 4360-662 Fax : (91-11) 4360-734 E-mail : indusekh@hotmail.com	
Monday,	Vulnerability and adaptation. Nothern	International Institute for Sustainable Development (IISD)	Several international organizations will be sharing their analysis
28 October	perspectives, and the CDM and the		on a range of critical areas, including vulnerability, adaptation,
6 - 9 p.m	transportation sector: a diverse experience in the field of climate change	Contact: Dennis Cunningham Tel.: (1-204) 958-7705 Fax: (1-204) 958-7710 E-mail: dcunningham@iisd.ca	the Arctic, and Chilean transportation sector CDM opportunities
Monday,	How can poor farmers and foresters benefit from	Center for International Forestry Research (CIFOR)	Sharing with COP 8 decision-makers the result of research and
28 October	the clean development mechanism?		field experience on the potentials for low-income producers in
6 - 7 p.m		Contact: Michael Hailu Tel.: (62-251) 622-622 Fax: (62-251) 622-100 E-mail: m.hailu@cgiar.org	forest carbon emission offset deals under the CDM

Monday,	Sinks in the CDM: CAN submission on	Climate Action Network (CAN)	Views of the Climate Action Network on CDM sinks modalities
28 October	modalities and definitions		and definitions, as presented in the August 20th submission
7 - 9 p.m		Contact: Jeff Fiedler/Malte Meinshausen Tel.: (1-202) 289-6868 Fax: (1-202) 289- 1060 E-Mail: jfiedler@nrdc.org malte.meinshausen@diala.greenpeace.org	
Monday,	Plans, programmes and achievements of South	Development Alternatives (DA)	Invitation to South Asian ministers and secretaries of
28 October	Asian countries regarding adaptation to adverse		environment to discuss country plans, programmes and
6 - 8 p.m	impacts of climate change	Contact: K Chaterjee Tel.: (91-11) 696 7938, 656 5370, 685-1158 Fax: (91-11) 646 1151 E-mail: c.kalipada@hotmail.com	achievements on adaptation to climate change
Tuesday,	Climate change in South Asia: impacts and policy	Intergovernmental Panel on Climate Change (IPCC)	IPCC findings on climate change impact and adaptation and
29 October	responses		consequent policy development in South Asia
1 - 3 p.m.		Contact: Renate Christ Tel.: (41-22) 730- 8574 Fax: (41-22) 730-8025 E-mail: Christ_R@gateway.wmo.ch	
Tuesday,	Climate change mitigation in developing	Pew Centre on Global Climate Change	A new Pew Center report that explains and evaluates efforts
29 October	countries		underway to reduce GHG emissions in developing countries
1 - 3 p.m.		Contact: Christie Jorge Santelises Tel.: (1-703) 516-4146 Fax: (1-703) 841-1422 E-mail: jorgec@pewclimate.org	including China, India, Mexico, Brazil and others
Tuesday,	Calculating reductions of carbon dioxide and	State and Territory Air Pollution Programme Administrators/	Demonstration of a software program that calculates CO2 and
29 October	other air pollutants: a software tool for state and	Association of Local Air Pollution Control Officials	other air pollutant emission reductions caused by harmonized
1 - 2 p.m.	local governments	(STAPPA/ALAPCO) and International	pollution reduction

		Council for Local Environmental Initiatives (ICLEI) Contact: Jim Yienger/Amy Royden Tel.: (1-510) 540-8843 Fax: (1-510) 540-4787 E-mail: jyienger@iclei.org / aroyden@sso.org	strategies
Tuesday,	Designing definitions and modalities for	Center for Clean Air Policy (CCAP)	Presentation of divergent views on definitions and modalities for
29 October	LULUCF projects in the CDM		LULUCF/CDM projects in preparation for COP 9
2 - 3 p.m.		Contact: Catherine Leining Tel.: (1-202) 408-9260 Fax: (1-202) 408-8896 E-mail: cleining@ccap.org	
Tuesday,	Adapting agriculture to climate change –	Indian delegation in collaboration with the Ministry of	This side event is targeted for policy planners, negotiators and
29 October	challenges and opportunities	Agriculture and UNEP	civil society and will be a solution-oriented event with an outcome
1 - 3 p.m.		Contact: Rita Sharma/Ravi Sharma Tel. : (91-11) 3381-045/(254-2) 624215 Fax : (91-11) 3381-045 E-mail : Rita@krishi.delhi.nic.in	of framework of action. It will be an occasion to launch an international programme for support to adaptation in agriculture.
Tuesday,	Highlights from recent IEA work on energy and	International Energy Agency (IEA)	This event will be comprised of a series of short presentations by
29 October	climate change		IEA experts on work in CO2 statistics, IEA Member country
1 - 3 p.m.		Contact:; Jenny Gell Tel.: (33-1) 4057-6729 Fax: (33-1) 4057-6709 E-mail: jenny.gell@iea.org ;	policies and measures, energy efficiency, technology and R&D; the main trends and impacts of alternative policies in "The World Energy Outlook 2002"; a perspective on energy and climate in the post-Kyoto period
Tuesday,	Engaging the private sector in the CDM	World Business Council for Sustainable Development	CDM and private sector investment

29 October		(WBCSD) in collaboration with UNDP, British Petroleum	
6 - 8 p.m.		(BP) and International Emission Trading Association (IETA) Contact: Susanne Haefeli Tel.: (41-22) 839 3134 Fax: (41-22) 839 3131 E-mail: haefeli@wbcSD.org	
Tuesday, 29	Saving the cities, saving the climate: cities acting	International Council for Local Environmental Initiative	Examples of local government action in energy efficiency,
October	to reduce emissions	(ICLEI)	renewable energy, waste management, methane capture, and
6 - 8 p.m.		Contact: Jim Yienger/Nancy Skinner Tel.: (1-510) 540-8843 Fax: (1-510) 540-4787 E-mail: jyienger@iclei.org	sustainable transport
Tuesday,	Living with risk in a changing climate	International Strategy for Disaster Reduction (ISDR)	Adaptation is a necessary strategy to deal with climatic hazards
29 October			and expected changes in mean climate. A disaster reduction
6 - 7:30 p.m.		Contact: John Harding/ Sálvano Briceno Tel.: (41-22) 9172-785 Fax: (41-22)9170-563 E-mail: harding@un.org	strategy to adapt to current climate variations and extremes, can provide a basis to cope with future changes
Tuesday,	Forestry and climate change - Indian experience	Indian delegation in collaboration with the Ministry of	Presentation of case studies by research organisations, industry
29 October		Environment and Forests (MoEF)	and others
7:30 - 9 p.m.		Contact : M. Satyanarayan, DIG(FP) Tel. : (91-11) 4360-549 Fax : (91-11) 4360-549 E-mail : sambathula@yahoo.com	
Tuesday,	Climate policy dialogues in Asia	The Institute for Global Environmental Strategies (IGES)	Summary of findings from IGES dialogues on climate change
29 October			policies in six Asian countries, and identification of main
6 - 8 p.m.		Contact: Tomoko Miyazaki (Ms.) Tel.: (81-468) 55-3810 Fax: (81-468) 55-3809 E-mail: t-miyazaki@iges.or.jp	constraints and approaches for sustainable development

Tuesday, 29 October 6:30 - 8 p.m.	Development and Climate: exploring an integrated approach	Indian Institute of Management Ahmedabad (IIMA), Ministry of Environment of the Netherlands (RIVM), Risoë and Energy and Development Research Centre (EDRC), South Africa Contact: Amit Garg/Marcel Berk E-mail: anut@winrockindia.org/ marcel.berk@rivm.nl	
Wednesday, 30 October 1 - 3 p.m.	New tools for capacity building	UNCTAD Contact: Lucas Assuncao Tel.: (41-22) 917-5731 Fax: (41-22) 917-0504 E-mail: lucas.assuncao@unctad.org	Introduction of a) Earth Council online learning centre for sustainable development; b) UNCTAD/UNEP-Risoë emissions trading laymen's guide; c) CDM implementing guide (Brazil and Philippines); d) Carbon Market Programme
Wednesday, 30 October	Wind power and its contribution to tackling climate change	Greenpeace International in collaboration with European Wind Energy Association (EWEA)	Renewable technology and sustainable development
