Dear colleague

The Global Climate & Health Alliance (GCHA) would like to invite you to the *Climate and Health Summit 2013* on Saturday 16 November in Warsaw

The Summit will take place during COP19 at the Marriot Hotel, Central Warsaw, Poland and is being organized under the auspices of the World Health Organization.

The summit will coordinate action across all sectors to protect human health from the impacts of climate change. It will build a road-map for the international health community to work towards in the run up to the 2015 climate negotiations in Paris. It will draw on the [2011 Durban Health Sector Call to Action](#) and will be used to determine areas for collaboration in the future.
