- <sup>1</sup> FCCC/ADP/2012/L.4, paragraph 11 states that the ADP “noted that, in the absence of sufficient voluntary contributions or pledges by 31 January 2013 for its session to be held from Monday, 29 April to Friday, 3 May 2013 [...], it would not be possible for the secretariat to make the necessary arrangements, which may lead to cancellation charges for facilities booked”.
- <sup>2</sup> Parties wishing to provide voluntary contributions for either of these sessions are invited to signal their intent as soon as possible so that the necessary arrangements can be made. Voluntary contributions or pledges needed by 31 January 2013 to cover the costs of the session and enable the session to proceed are estimated at 1,800,000 Euros. Currently no contributions or pledges have been received by the secretariat. Should the session not proceed, the estimated cancellation charges for facilities booked are 85,000 Euros.
