NOTIFICATION

United Nations Climate Change Conference Resumed Second session of the Ad Hoc Working Group on the Durban Platform for Enhanced Action

**Sunday 29 November 2015
Paris (Le Bourget), France**

I am pleased to notify Parties and observer States to the United Nations Framework Convention on Climate Change and its Kyoto Protocol that the second session of the Ad Hoc Working Group on the Durban Platform for Enhanced Action (ADP) will be resumed **on Sunday 29 November at 5:00 p.m.** at the Parc des Expositions, Le Bourget, 93350 Le Bourget, France.

This change has been made upon the request of the co-chairs of the ADP as reflected in their scenario note (<http://unfccc.int/resource/docs/2015/adp2/eng/13infnot.pdf>) dated 20 November 2015. The co-chairs of the ADP considered that an early opening of the session will offer an opportunity to make the best possible use of the very limited time available to finalize negotiations on the draft Paris Climate Package.

At the request of the co-chairs of the ADP, the President of COP 20/CMP 10 consulted with the COP Bureau and obtained their agreement to this proposal. The Bureau requested that Parties be notified of this arrangement as soon as possible in order to secure inclusiveness, transparency and openness of the process.

Yours sincerely,

(Signed by)

Christiana Figueres

Distribution: To Parties and observer States through National Focal Points for climate change and diplomatic missions accredited to the Federal Republic of Germany and the French Republic.
