Lighten the Energy Bill

Zurich Flood Resilience Program

A photograph showing two women seated at a wooden desk. The woman on the left, wearing a black sleeveless top, is looking towards the right. The woman on the right, wearing a white polo shirt and a blue lanyard, is leaning over the desk and signing a document with a pen. On the desk, there are several documents, a stapler, and a small calendar. In the background, there is a white wall with a framed notice and a window. The text 'EcoMicro: Green Financing for All' is overlaid in white on a semi-transparent dark background across the lower half of the image.

ICT Solutions

The background features a futuristic, blue-toned cityscape with various skyscrapers. Overlaid on this is a complex digital interface with multiple layers of information. On the left, a hand is shown interacting with a glowing, circular interface element. The interface includes various data visualizations, icons, and text elements such as 'MEDIA', 'WORLD', 'SEARCH', 'LOADING 100%', and 'SCANNING'. The overall aesthetic is high-tech and data-driven.

Community-Based Flood Early Warning System: Reaching the Most Vulnerable

A photograph of two children in school uniforms walking away from the camera through a polluted urban slum. The ground is muddy and littered with trash, with a stream of dirty water flowing through the center. In the background, there are several small, makeshift buildings with corrugated metal roofs. The sky is overcast and grey. The text "Urban Poor" is overlaid in white on a semi-transparent dark band across the middle of the image.

The Nubian Vault: Earth Roofs in the Sahel

National Resettlement Plan in Uruguay

A photograph of a slum area. In the foreground, a man in a blue striped shirt stands near a large pile of trash. To the left, a dog is walking. In the background, there are makeshift structures made of wood and cloth, and a large pile of plastic waste. A man is seen carrying a yellow bag on his head. The scene is cluttered with various items, including clothes and debris.
