ENGLISH ONLY

SUBSIDIARY BODY FOR IMPLEMENTATION

Twenty-first session

Buenos Aires, 6–14 December 2004

Item 4 (c) of the provisional agenda

National communications from Parties not included in Annex I to the Convention

Provision of financial and technical support

Information on activities by the Global Environment Facility

Note by the secretariat

1. The Conference of the Parties, by its decision 10/CP.2, requested the secretariat to make available to the Subsidiary Body for Implementation (SBI), at each of its sessions, details of the financial support made available to Parties not included in Annex I to the Convention (non-Annex I Parties) from the interim operating entity of the financial mechanism for the preparation of their initial national communications. This information is to cover projects proposed by each Party, the funding decision, and the date and amount of funds made available to the Party (FCCC/CP/1996/15/Add.1).
2. The SBI, at its twentieth session, requested the secretariat to make available at each of its sessions details of the financial support provided by the Global Environment Facility (GEF) for the preparation of initial and subsequent national communications (FCCC/SBI/2004/10, para. 30). The GEF secretariat has provided the secretariat with information on its support for the preparation of initial and second national communications.
3. The information attached in annex I to this document classifies projects as those approved under expedited procedures, full projects approved under standard procedures, and projects covering limited components of first national communications from non-Annex I Parties. It also contains information on dates of disbursement.
4. Annex II to this document provides information on the status of second national communications.¹ It shows the amounts provided to non-Annex I Parties for the self-assessment exercise prior to the preparation of second national communications. It also shows funding provided to Argentina, Costa Rica and Uruguay for the preparation of their second national communications.
5. The information attached in annexes I and II is reproduced as received without formal editing.

¹ Annex II also contains information on funding for the first national communications of two non-Annex I Parties.

Terms used in the Table

‘Date of GEF Council Approval’: For ‘Expedited Procedure Projects’, ‘Date of Council Approval’ is the date of CEO approval.

‘Disbursement data awaited’: Disbursement data not yet available for approved commitment by the Implementing Agency.

'Expedited Procedure Projects':

Projects approved using 'Expedited Procedures' whereby CEO approves project under authority delegated to him by the GEF Council.

'First Date of Disbursement':

The data is drawn from the relevant quarterly financial statement report submitted by the Implementing Agency to the Trustee. The first date of disbursement therefore indicates the date of the quarterly financial report in which the first disbursement under the project is reported to the Trustee. (see Explanatory Notes). Actual disbursement would have occurred earlier in quarter preceding the date of the report.

'N.A.':

Not applicable

'Pilot Phase Projects':

Projects that were approved before the Instrument for the Establishment of the Restructured GEF was accepted in March 1994.

'Projects Approved through Standard Procedures':

Projects approved under the full project cycle of the restructured GEF, including approval by the Council.

Explanatory Notes

UNDP disbursement data:

Note that UNDP began submitting quarterly financial reports in September 1995.
