Computing at the conference

A computer centre is available to participants from 8 a.m. to 8 p.m. on the ground floor of the United Nations Library building. The centre is equipped with PCs with Internet access and printing facilities. Computer support staff wearing red coloured T-shirts are on hand to assist you.

Wireless "plugNplay HOT SPOT" access points are also available in open areas and will be available shortly in the main meeting rooms. Signs will indicate the hot spots.

In addition, the United Nations Library in Nairobi has kindly offered its reference areas on the upper and lower levels to participants of the conference. The upper area is equipped with PCs and wireless "plugNplay HOT SPOT" access points with power connections have been installed on both levels. The Library is open from 8 a.m. to 8 p.m.

PCs, printers and wireless access points are also available to media representatives and journalists in the Media tent in the conference village.

Owing to Internet bandwidth limitations, file size limitations have been imposed on downloads. In addition, users should save their work frequently, in order to avoid the loss of documents should there be a power interruption.

Some computing tips: please make sure your anti-virus and personal firewall are enabled and up-to-date, give your laptop a name so that we can help identify you (or your organization) for trouble-shooting purposes. Do not leave your laptop unattended at any time.

Announcements

Credentials

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Conference Affairs office on the upper concourse (Ms. Dianiah Trought-Dederich).

Delegation nameplates

Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

Pigeonholes for delegates

Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located in the main plaza between Plenary I (Simba) and Plenary II (Ndovu). Participants are requested to refrain from distributing non-official material via the pigeonholes.

Meditation room

A room for meditation and prayer is available to participants on the lower concourse, in the corridor to the left of plenary II.

UNFCCC security coordination office	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.	CE 107, lower concourse, behind plenary I
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The UNON Security office, located next to the CC:Kiosk on the upper concourse, is responsible for lost and found items.	
Information for participants	A booklet on the facilities available at the conference venue, entitled “Information for participants” is available from the Information desk at the main entrance to the conference venue and also on the COP 12 website .	
Facilities for non-governmental organizations	Offices for the business and industry organizations (BINGOs), environmental groups (ENGOs) and local NGOs are located in the World Agroforestry Center (ICRAF).
