Climate Change Kiosk

Located on the upper level of the Bali International Convention Centre (BICC), the Climate Change Kiosk is staffed daily between 9 a.m. and 6 p.m. The Climate Change Kiosk's primary goal is to provide information about the climate change process and the secretariat as well as the range of secretariat publications and digital materials.

Announcements

Credentials	Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Conference Affairs office, located on the right as you enter the conference venue (Ms. Dianiah Trought-Dederich).
Delegation nameplates	Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.
Pigeonholes for delegates	Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located in the BICC Exhibition Hall. Participants are requested to refrain from distributing non-official material via the pigeonholes.
Webcasts from Plenary I and Plenary II	Meetings in both Plenary I and Plenary II can be viewed via webcast for the duration of the sessions.
Shuttle service	<p>A shuttle service between the BICC and the Grand Hyatt Hotel (GH) is available to participants. The schedule will vary during the conference. Participants are therefore requested to review this information each day.</p> <p>The pickup point at the BICC is in the main driveway leading to the Westin and BICC, inside the barrier. The shuttle will traverse directly between the two points without stopping.</p> <p>Today's shuttle runs every 20–30 minutes, from 12.15 to 22.15 hours.</p>
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The Security office, located in the corridor next to the BICC Exhibition Hall, is responsible for lost and found items.
Information for participants	A booklet on the facilities available at the conference venue, entitled “Information for participants” is available from the Information desk in the BICC Exhibition Hall and also on the COP 13 website .
...inSide climate change publications counter	Participants wishing to distribute documents should contact staff at the ...inSide climate change publications counter on the upper level of the BICC, next to the Climate Change Kiosk. Posters and flyers relating to side events may be affixed to the Poster boards available at prominent locations around the conference venue.
Meditation room	A room for meditation and prayer is available to participants on demand. Please contact staff at the Information desk in the BICC Exhibition Hall.

Facilities for non-governmental organizations Offices for the business and industry organizations (BINGOs), environmental groups (ENGOs), indigenous peoples organizations (IPOs), local government and municipal authorities (LGMAs), research and independent NGOs (RINGOs), trade union NGOs (TUNGOs) and the Indonesian Civil Society Organizations Forum are located on the upper level in the new conference centre of the Grand Hyatt Hotel.

Media Coordinator	Mr. Axel Wuestenhagen
Conference Spokesperson	Mr. John Hay

Events

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "**...inSide climate change**", available from the Information desk and the Documents distribution counter, or visit the UNFCCC [website](#). The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.

UNFCCC and related events

1 p.m.– 3 p.m.	Investment and financial flows to address climate change - presentation of paper Assessment undertaken by the UNFCCC secretariat of investment and financial flows relevant to the development of an effective and appropriate international response to climate change.	UNFCCC Ms. Maria Netto sseth@unfccc.int +49 228 815 1430	Frangipani, BICC
-------------------	--	---	---------------------

Side events

1 p.m.– 3 p.m.	Vulnerability, adaptation, energy resilience: tools to reinforce energy system resiliency Discussion of points of vulnerability as they relate to climate change and changes needed to increase resilience. Recommendations will be incorporated into an on-going project to develop tools that assess and increase energy system resiliency in developing countries.	HELIO International (HELIO) Ms. Laura Williamson helio@helio-international.org +33 1 4224 5148	Hydro, GH
1 p.m.– 3 p.m.	Understanding the CDM: finding the way through the maze of rules Presentation of the CDM guide book – the reference for project developers.	ClimateNet Mr. Axel Michaelowa info@perspectives.cc +41 76 232 4004	Wave, GH
1 p.m.– 3 p.m.	Mitigation potential for Australia, or: should Australia receive a special deal? An exploration of what mitigation potential exists for Australia, sector by sector, and what targets it would be fair for Australia to accept in a post-2012 regime.	Climate Action Network Australia (CANA) Ms. Julie-Anne Richards julianne@cana.net.au +61 2 8202 1215	Solar, GH
1 p.m.– 3 p.m.	Climate change and hunger: WFP in the frontlines of climate change adaptation and mitigation Every day WFP fights hunger and destitution brought on by floods, droughts and other extreme events caused or spurred by climate change. This side-event will outline the range and depth of WFP activities that contribute to climate change adaptation and mitigation.	United Nations World Food Programme (WFP) Ms. Sabine Bongsi sabine.bongsi@wfp.org +39 06 65 13 28 73	Tidal, GH
1 p.m.– 3 p.m.	Key issues and challenges for the post-2012 Kyoto regime What are the key issues and challenges in developing the post-2012 regime?	Third World Network (TWN) Ms. Lim Li Lin twinkl@po.jaring.my +603 2300 2585	Biofuel, GH
6 p.m. – 7.30 p.m.	Building grassroots power for action on global warming: Sierra Club's Cool Cities and other models The constructive engagement of civil society is essential at the national and local level. Examples presented in this side event include the Sierra Club's grassroots citizen based Cool Cities Campaign, which has helped achieve climate change commitments from over 200 cities in Canada and the United States of America.	Sierra Club – United States Mr. Glen Besa glen.besa@sierraclub.org +11 804 225 9113-104	Solar, GH
6 p.m. – 7.30 p.m.	Overcoming the communication deficit: how Panos is encouraging debate on climate change in the South Panos supports the media and marginalized communities in developing countries to increase public understanding and debate on climate change issues. Lessons from projects show how better communication can achieve greater inclusion of Southern needs and voices in decisions about climate change.	Panos Mr. Rod Harbinson rod.harbinson@panos.org.uk +44 207 278 1111	Hydro, GH
6 p.m. – 7.30 p.m.	Global warming and human rights: perspectives of Inuit and other vulnerable peoples In 2005 Sheila Watt Cloutier and 62 other Inuit filed a petition against the United States of America with the Inter-American Commission on Human Rights. The Commission held a hearing in March 2007. Other vulnerable communities are now considering similar action. This event will discuss such options and strategies.	Center for International Environmental Law (CIEL) Mr. Craig A. Hart chart@ciel.org +1 202 742 5845	Biofuel, GH

6 p.m. – 7.30 p.m.	Trade, agrofuels and climate change A workshop that explores the relations between trade negotiations, the promotion of agrofuels and climate change, as well as its impacts on the environment and the livelihood of communities.	Ibon Foundation Inc. (IBON) Ms. Maria Theresa N. Lauron tlauron@ibon.org +632 9 2770 6062-202	Wind, GH
6 p.m. – 7.30 p.m.	Weaving the way for REDD in Bolivia: past and current experiences to measure and account emissions This event will present the experiences in leakage measurement from the Noel Kempff Mercado project, as well as present current initiatives to develop reference scenarios for deforestation and degradation.	Bolivia Ms. Gisela Ulloa giselau@mail.megalink.com +591 2 211 6349	Tidal, GH
6 p.m. – 7.30 p.m.	Act now! Trans-sectoral business calls for action on climate change The event will show European and United States businesses how to build their self-confidence to play a proactive role in combating climate change.	European Business Council for Sustainable Energy (e5) Mr. Julio Lambing lambing@e5.org +49 177 838 9322	Wave, GH
8 p.m. – 9.30 p.m.	The ITT Initiative: keeping the oil in the ground The proposal known as Ishpingo, Tambococho, Tiputini (ITT) is aimed at keeping around one billion barrels of heavy crude oil in the ground.	Ecuador Mr. Juan Andres Salvador jsalvador@ambiente.gov.ec +593 2 256 3422	Biofuel, GH

Other activities

“Save our Climate” Thermometer

To attract the world’s attention and to remind delegates of their obligations (to keep temperature rise as much below two degrees as possible), Greenpeace and Solar Generation are displaying a three-dimensional thermometer near the entrance to the BICC.

20-Foot Towering Trees

A trio of solar-powered trees rise above the negotiations, changing their message and appearance to reflect REDD negotiations.
