### **Informal ministerial round table for a shared vision on long-term cooperative action**

The President will convene an informal ministerial round table for a shared vision on long-term cooperative action during the high-level segment. The round table will enable ministers and heads of delegations to exchange views on how they intend to work in a collaborative manner to combat climate change. The round table is scheduled for **Thursday, 11 December from 16.00 to 19.00 hours**. The round table will also include the participation of the Secretary-General of the United Nations. Given the importance of the issue, the President would like to encourage ministers and other heads of delegation to participate in the round table in order to provide political impetus to the negotiations in 2009.

To assist ministers and other heads of delegation, the President has prepared a background document ([FCCC/CP/2008/6](#)) to help frame the debate. The document proposes a number of issues on which discussion might focus, including the importance of a comprehensive shared vision for long-term cooperative action vis-à-vis the challenges posed for mitigating and adapting to climate change and creating a suitable financial and technology support infrastructure to enable the necessary actions. The document also includes questions that may assist ministers and other heads of delegation in focusing their interventions during the round table.

To further facilitate the discussion, the President will organize the round table around three key topics, with approximately one hour of discussion per topic:

- Long-term cooperative action on climate change, towards achieving the ultimate objective of the Convention.
- Preparing ourselves for unavoidable climate change, building resilience and implementing adaptation plans.
- The architecture that will deliver on finance, technology and capacity-building and on the reporting of actions and support for such actions.

**There will be no formal speakers list prepared in advance of the session.** Following the opening of the round table, ministers should raise their flags to indicate their interest in making a contribution. The President will request the understanding of ministers on time limitations for interventions, which ideally **should not exceed two minutes for each speaker**. Ministers may wish to reflect upon which of the three topics would be most appropriate for their intervention.

The round table will take place in Alpine Accentor (Plenary 2). There will be one seat for the minister or head of delegation, and one seat behind for an adviser. Additional seating will be available at the sides and back of the room. Interpretation will be available. The round table will be broadcast live on CCTV and webcast.

The President will issue, under his responsibility, a summary of the round-table discussions for inclusion in the report of COP 14 on Friday, 12 December 2008.

### **List of speakers for the high-level segment attended by ministers and other heads of delegation**

The list overleaf is the preliminary list of speakers who wish to deliver a statement at the high-level segment under agenda item 8 of the COP and agenda item 19 of the CMP.

The list is provisionally divided into morning, afternoon and evening sessions to facilitate the organization of the order of speakers.

All speakers are reminded to be present in the plenary at least two speakers prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Should a speaker not be present at his/her delegation's seat at the appropriate time, a slot may be assigned at the end of the day's proceedings (upon request of the delegation).

Delegates are reminded that statements made during the high-level segment should not exceed the three- to four-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Parties are encouraged to consider consolidating individual statements into one statement made on behalf of a group of Parties, in which case a time limit of five minutes will apply. Given the large number of statements, we suggest that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer to only have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Any changes in the name and rank of the speaker should be provided as early as possible to the External Relations team, located in the Conference Affairs Services office in Hall 15B (Ms. Dianiah Trought-Dederich), so that the speaker's list can be corrected accordingly.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

*All Parties are kindly requested to provide the Conference Officer with 20 copies of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide 350 copies. These copies may be delivered to the Conference Officer's table.*

## Special announcements

### Vacancies at the UNFCCC secretariat

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<<http://unfccc.int/secretariat/employment/recruitment>>

Three professional positions are currently advertised:

VA 08/090/FTS	Programme Officer, Financial and Technical Support Programme
VA 08/092/SDM	Manager, Quality and Information Systems, Sustainable Development Mechanisms Programme
VA 08/093/FTS	Associate Programme Officer, Financial and Technical Support Programme

A number of vacancies ranging from entry level to senior management level are expected to be advertised in 2009.

The secretariat is committed to ensuring equitable geographical distribution and gender balance among its staff. To this end, it would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

## Announcements

### Welcome packs of City of Poznan

The City of Poznan will distribute welcome packs to delegates again on 9, 10 and 11 December from the desk near the elevator in Hall 15A.

### Lost and found items

The following items have been handed in to UN Security Office. Owners may collect them from Hall 15A, next to the main entrance:

caps 7	spectacles 2
gloves 6	keys 3
notebooks 15	pen drives 27
scarves 9	wallets 1
other items 98	

Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed.

### Host country team has developed the mobile phone application

A first for the UNFCCC process, you can now view the Daily Programme, updated in real time, on your mobile phone. The Programme, together with other interactive information, is available as a downloadable application. To download the guide, launch the WAP browser of your phone and enter the following address: <<http://cop14.looksoft.pl>>. After the page is loaded, select the link "download" to obtain the mobile guide.

**Video conference facilities available in the COP 14 venue**

A video conference service will be in operation throughout the conference, on a commercial basis. The service may be used by all participants to conduct video conferences with others anywhere in the world. The video conference service uses standard ISDN or Internet IP connections and will connect to similar equipment. Technical information and booking forms are available from the UNFCCC COP 14 website, under "[Services to participants](#)".

Please contact Ms. Monika Stepien at +48 61 869 28 91 or by e-mail at: [cop14@mtp.pl](mailto:cop14@mtp.pl)

**Webcasts of the sessions**

For the duration of the conference, all official meetings and press conferences will be available live and on demand, with English or floor audio streams. On-demand files will be available shortly after the close of each meeting.

A selection of side-events will be available on demand in floor languages. Please check the UNFCCC website for the date and time of webcast sessions at [unfccc.int](http://unfccc.int).

**Internet services for participants**

**Free Internet access in the PlugNplay zone**

All participants are invited to take advantage of the free Internet (PlugNplay) service throughout the Conference facility. These services are available in two categories as described below; in either case you do not have to make any changes to settings.

**Open network (RJ45) sockets available on the tables located in the Media and Computer Centres**

Simply plug the cable into the network port on your laptop. If you need a cable, please request one from the computer support staff located in the respective support areas. Look out for staff wearing blue T-shirts with the COP 14 logo.

**WiFi (Wireless) network services available throughout the Conference facility.**

The Wireless network is identified by the service: **PlugNplay** and **PlugNplayVPN** (for those needing VPN services).

Note of caution:

The PlugNplay network is open, with no security protection or restrictions. To remain safe, all participants are advised to use appropriate ANTIVIRUS and PERSONAL FIREWALL software and to follow IT security best practice.

**Paint for the Planet exhibit**

"Paint for the Planet" is a UNEP exhibit of children's art that launched the United Nations campaign "UNite to Combat Climate Change" in New York in October 2008. The paintings are drawn from the UNEP International Children's Painting Competition and showcase children's fears and hopes for the planet. The paintings are on show in the central corridor between Hall 15 and Halls 7/8. The exhibit's theme is also captured in the "UNite to Combat Climate Change" banner hanging above the Climate Change Kiosk.

**Credentials**

"Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs." Delegations are kindly requested to present the corresponding letters of credentials to the External Relations team in the Conference Affairs office, located in Hall 15B.

**Delegation nameplates**

Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

<b>Security</b>	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.
<b>Information for participants</b>	A booklet on the facilities available at the conference venue, entitled “Information for participants” is available from the Information desk in Hall 15B and also on the <a href="#">COP 14 website</a> .
<b>...inSide climate change publications counter</b>	Participants wishing to distribute documents should contact staff of the Observer Organizations Liaison team on the third floor of Hall 14B. The ...inSide climate change publications counter is located in Hall 15B. Posters and flyers relating to side events may be affixed to the Poster boards available at prominent locations around the conference venue.
<b>Meditation room</b>	A room for meditation and prayer is available to participants on demand. Please contact staff at the Information desk in Hall 15B.
<b>Facilities for non-governmental organizations</b>	Offices for the business and industry organizations (BINGOs), environmental groups (ENGOs), indigenous peoples organizations (IPOs), local government and municipal authorities (LGMAs), research and independent NGOs (RINGOs), and the trade union NGOs (TUNGOs) are located in Hall 14B on the first floor.

## IETA events

For the fourth year running, the International Emissions Trading Association (IETA) holds its Carbon Finance event, as well as a series of side events, which will take place in Hall 12. Please see the IETA Side Events brochure for greater detail.

10.00– 11.30	<p><b>IETA/CCAR: the US carbon world 2013</b> With a more progressive Congress and a new Federal administration in the near future, there is hope that meaningful action on climate change will come out of Washington, DC. What does this mean for the state and regional initiatives under way? Who will be affected by a federal programme? What can Parties do today to prepare?</p>	California Environmental Protection Agency, The Climate Registry, SAIC, US House Energy and Commerce Committee, IETA	Futures Room
10.00– 11.30	<p><b>Supply and demand for Kyoto credits: what is the right balance?</b> A debate on the pre- and post-2012 supply/demand situation in different scenarios: (a) low reactivity of the CER market due to delay between investment and issuance makes it vulnerable; (b) Can policy/industry pre-empt action to avoid large under- or oversupply?</p>	Natixis, UNEP Risoe, Point Carbon, IDEACarbon	Options Room
11.30– 13.00	<p><b>CDM clot: what is the antidote?</b> Can the CDM additionality tool be improved to act as a better cost containment tool? Is there a better way to judge additionality or to determine CDM project eligibility?</p>	CDM Executive Board, EEA Fund Management Ltd, Sindicatum Carbon Capital, TÜV SÜD, Statkraft, IETA	Futures Room
11.30– 13.00	<p><b>Domestic action in a voluntary market</b> Countries not currently covered under Annex I are taking action to reduce their overall footprint, initiating national action programmes to mitigate overall emission reductions. The event focuses on how such actions are executed and how they are able to interact with the current Kyoto Protocol regime.</p>	National Tsing Hua University, ITRI, VCSa, IETA	Options Room
11.30– 13.00	<p><b>Negotiating your ERPA – role play</b> Under the supervision of experienced legal advisers, participants will be invited to undergo a contract negotiation in which they will be asked to either act as a buyer or seller and reach a successful agreement.</p>	De Brauw Westbroek	Call Room
13.00– 14.30	<p><b>What is the scope for including international aviation in the post-2012 regime?</b> Emissions from domestic and international aviation will be covered by the EU ETS from 2012. Will the EU's directive be challenged at ICAO level? What initiatives are being taken in other jurisdictions and what are the perspectives of including aviation in a post-2012 international regime?</p>	Clifford Chance, Norton Rose, Point Carbon, DNV, IETA	Futures Room

13.00– 14.30	<p><b>Manufacturing climate solutions: carbon reducing technologies and US jobs</b></p> <p>In a low-carbon economy, who emerges as an economic winner? The demand for climate solutions will create manifold job opportunities in many sectors, from core industries such as renewable and energy efficiency businesses to traditional areas such as construction trades, pipefitting and electrical jobs, and the vast supporting cast of industries that make low-carbon end products possible.</p>	International Brotherhood of Boilermakers, Industrial Union Council, AFL-CIO, UK Trade Union Congress, Environmental Defense Fund, Cornell University	Options Room
15.00– 16.30	<p><b>US update on federal affairs</b></p> <p>Environmental Defense Fund/The Pew Charitable Trusts/IETA: Representatives of the US House and Senate congressional delegations will discuss the push towards cap- and trade legislation in the US, the legislative outlook for the 111th Congress and beyond, and challenges to be overcome. Chief aides to the key US House and Senate Committees will describe the architecture of the leading climate proposals in the United States and discuss prospects for the future.</p>	House Energy and Commerce Committee, Senate Environment and Public Works Committee, Senate Finance Committee, US House and Senate congressional delegations, The Pew Charitable Trusts, IETA	Futures Room
15.00– 16.30	<p><b>Voluntary reduction actions</b></p> <p>This event will present a number of actions that are being taken on a voluntary basis through close collaboration between scientists and the private sector.</p>	Taiwan Semiconductor Industry Association, MyClimate, IETA	Options Room
16.30– 18.00	<p><b>Energy efficiency: opportunities and challenges</b></p> <p>IETA/ASE/BCSE: For the energy sector, the IPCC and many others have identified facility and process energy efficiency as a critical element of GHG mitigation with tremendous savings potential. Governments on both sides of the Atlantic have set efficiency as the first resource to be tapped to meet future energy needs. However, there are challenges to using the diffuse efficiency resource to combat climate change. Experiences from leading government representatives on both sides of the Atlantic are presented..</p>	US congressional staff, California Air Resources Board, House Select Committee on Energy Independence and Global Warming, DEFRA, H.E. Mr. Brice Lalond – French Ambassador of Climate Change, Alliance to Save Energy, IETA	Futures Room
16.30– 18.00	<p><b>Emerging opportunities between Australia and China</b></p>	EEA Fund Management, NorskHydro, Tricorona, ADB, Baker & McKenzie, AETF	Options Room
18.00– 19.30	<p><b>Tackling emissions in the maritime transport sector: current initiatives and progress within the IMO</b></p> <p>Negotiations to tackle GHG emissions from maritime transport in the IMO framework have been ongoing for years, although a clear commitment has not yet emerged. This session will analyse initiatives under consideration by various jurisdictions and progress within the IMO, as well as the legal and technical challenges that must be addressed in order to include maritime transport in a post 2012 international agreement.</p>	LRQA, Shell, Norton Rose, SCD Maersk Logistics, IETA	Futures Room
19.30– 22.00	<p><b>Reception:</b></p> <p>Czerwony Fortepian Restaurant ul. Wroniecka 18, Poznan</p>	IETA, The PEW Charitable Trusts, Environmental Defense	

## Wind Power Works Pavilion

From Thursday, 4 December through Thursday, 11 December, the Global Wind Energy Council opens the doors of the Wind Power Works Pavilion. During the eight days there will be over 30 side events and receptions hosted by a variety of organizations; a photo exhibition, free coffee and wifi. For more information, please visit <http://www.windpowerworks.net>.

09.00–10.00	<b>The possible role and contribution of geothermal energy to the mitigation of climate change</b>	European Geothermal Energy Council (EGEC)	Hall 11
10.00–11.30	<b>Technology Roadmap for Europe: reaching 20% renewable energy by 2020</b>	European Renewable Energy Council (EREC)	Hall 11
14.00–15.30	<b>From Poznan to Copenhagen</b>	European Wind Energy Association (EWEA)	Hall 11
15.30–16.30	<b>Will peak oil force us to make deep cuts in fossil-fuel emissions?</b>	UK Industry Taskforce on Peak Oil and Energy Security (UK ITPOES)	Hall 11
18.30–20.30	<b>Climate reception</b>	Oxfam International, Red Cross Red Crescent Climate Centre and IIED	Hall 11

## Poznan Business Day

08.50–17.00	WBCSD and ICC have jointly organized a second Global <b>Business Day</b> for registered participants to outline the business response to the building blocks of the Bali Action Plan. Themes addressed are: a shared long-term vision, mitigation, adaptation, technology, financing and investing. The event aims to enable dialogue between high-level business and government experts committed to reaching a positive outcome for the Bali Action Plan. < <a href="http://www.wbcd.org/web/poznan/guest-registration.htm">www.wbcd.org/web/poznan/guest-registration.htm</a> >	World Business Council for Sustainable Development and the International Chamber of Commerce	Hall 4

12.30– 13.00	<b>Lunch break and coffee</b>	
13.00– 16.00	<b>Session III: low energy housing</b>	Doradca Energetyczny, Danish Technological Institute, Bjerg & Szparlerski, Danfoss Polska, Rockwool International A/S, Rockwool Polska, Velux A/S

## Other activities

- 07.00      **Life-sized people demand immediate action before hope melts away**  
Oxfam will install 10 human ice sculptures calling for delegates to “Stop harming, start helping”. The spectacle will show how it is crucial that negotiators remember the human impact climate change is having on millions of poor people around the world. Action now before hope melts away! Location: in front of Hall 12 (near the main conference entrance).
- 08.00–08.45      **America is ready to save the climate**  
Greenpeace will be handing out bookmarks and showing a display of Americans participating in the International Day of Climate Action on 6 December 2008. Location: in front of the main entrance.
- 08.45–09.15      **More science, less fiction**  
International youth demonstrate the need to take action based on science. Sponsored by TakingITGlobal. Location: in front of the Registration area.
- 08.45–09.15      **World versus Bank**  
A samba band will accompany stilt walkers and a street theatre mirage of polar bears, trees and penguins in a colourful carnival-inspired demonstration against the capture of climate investments by international financial institutions. Organized by Friends of the Earth. Location: in front of the main entrance.
- 09.30–10.00      **Climate crisis clock**  
Korean Green Foundation provides participants with the chance to be photographed with their climate crisis clock, urging participants to "Stop CO<sub>2</sub>, act now!"  
Location: in Hsll 15C, outside the Computer Centre.
- 13.15–13.45      **Climate refugee camp**  
International youth deliver a message associated with climate and action. Sponsored by Sustainable Market Foundations 350.org  
Location: Coffee Corner between Hall 8 and 8A.
- 19.00–21.00      **Concert for the Climate**  
Greenpeace-organized event featuring world famous Britten Sinfonia (United Kingdom) with special guest, the renowned Finnish violinist Pekka Kuusisto. A unique opportunity to see Antonio Vivaldi's Four Seasons and Astor Piazzolla's Four Seasons of Buenos Aires played from inside Greenpeace's Climate Rescue Station Globe. Free admission and all participants are welcome.  
Location: Plac Wolnosci (Freedom Square).
- 19.30      **Book launch**  
The booklet '*Grasping the Climate Crisis: A Provocation from the Tällberg Foundation*' will be presented by Bo Ekman, Johan Rockström and Anders Wijkman at the Brovaria Hotel, Poznan. Drinks and snacks will be served.
