Workshop on methodological issues

10.00–13.00

Plenary I

Attendance: Open to all participants

- Opening by the Chair of the workshop
- Introduction by the secretariat: presentation on current practices to use methodologies for estimating and reporting of greenhouse gas emissions and removals, and the use of global warming potentials
- Presentations by the IPCC experts
- Discussion:
 - Methodologies for estimating GHG emissions and removals and the IPCC guidelines
 - Global warming potential and other relevant issues
 - Other issues relating to methodologies
- Summary of the workshop by the Chair

An information note on the workshop is available at: <unfccc.int/4373.php>. Copies of presentations will also be made available on this site.

Subsidiary Body for Scientific and Technological Advice (SBSTA)

Climate modelling, scenarios and downscaling under the Nairobi work programme on impacts, vulnerability and adaptation to climate change

10.00–13.00

Schumann

Attendance: Open to all participants

10.15–12.00 Development of regional/subregional climate scenarios and improvement of access to, and application of, climate model outputs

12.00–13.00 Availability and applicability of climate model outputs and downscaled data for policymakers

Relevant documents are available on the UNFCCC website: <unfccc.int/4377.php>.

Contact: Ms. Miwa Kato, mkato@unfccc.int

International transaction log interactive exercise

In accordance with decision 12/CMP.1, and as requested by the Subsidiary Body for Implementation at its twenty-seventh session, an interactive exercise will be conducted in **Salon Mann today, from 13.00 to 17.00**, demonstrating the functioning of the international transaction log (ITL) with registry systems.

With different scenarios participants will learn the concepts behind the ITL and how transactions of Kyoto Protocol units are performed. The event is divided into two parts: a demonstration of the systems and hands-on activities with participants.

Attendance: Open to all participants

Social events

NGO party The traditional NGO/Security party for all "policymakers" at the sessions will take place **from 8.30 p.m. tonight** in the Piano Bar of the Maritim.

Announcements

- Webcast** Live and on-demand webcast coverage of the Bonn Climate Change Talks 2008 is provided, including full coverage of the SBSTA, SBI, AWGLCA and AWG sessions, as well as press conferences. A selection of side events will be webcasted and made available on-demand. All webcasts are available in English and other languages used at the conference and Powerpoint presentations are available when provided by the speaker.
- Information for participants** A booklet on the facilities available at the conference venue, entitled "**Information for participants**", is available from the Information desk in the foyer and also on the UNFCCC website at: <http://unfccc.int/files/meetings/sb28/services_to_participants/application/pdf/ifp_sb_28.pdf>.
- Climate Change Kiosk** The Climate Change Kiosk, located in the delegates' area on the first floor, provides information about the climate change process and the secretariat as well as the range of secretariat publications and digital materials.
- ...inSide climate change publications counter** Participants wishing to distribute documents should contact staff of the External Relations/Observer Organizations Liaison team in La Maree on the ground floor. The counter is staffed as follows: 11.00–12.00 and 16.00–17.00.
- Joint exhibit of the Rio conventions** The United Nations Framework Convention on Climate Change, the Convention on Biological Diversity and the United Nations Convention to Combat Desertification cooperate on a range of issues and the Joint Liaison Group strengthens common action. All three conventions share the common goal of a sustainable future, as portrayed in the exhibit in the foyer on the ground floor.
- United Nations organizations in Bonn – for "sustainable development worldwide"** Participants are also invited to view the "UN in Bonn" exhibit on the stage of Saal Beethoven (Computer Centre). The exhibit showcases the 17 United Nations organizations, programmes and projects that are hosted in Bonn by the Government of Germany, among them the Climate Change Secretariat.
- For more information, please consult the website: <www.uno.de/>, or contact Mr. Harald Ganns (harald.ganns@uno.de) of the United Nation's Common Information Space project.
- Delegation nameplates** Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.
- Interpretation headsets** Participants are kindly requested to return interpretation headsets to the distribution desks after meetings.

Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will understand the need for such arrangements.
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. The Security office, located adjacent to the main entrance, is responsible for lost and found items.
Meditation room	A room for meditation and prayer is available to participants on the first floor. Turn right at the top of the main staircase and continue straight ahead towards the staff office area. The room is on the left before the small staircase.
Pigeonholes for delegates	Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located next to the Documents counter on the ground floor. Participants are requested to refrain from distributing non-official material via the pigeonholes.
Facilities for observer organizations	Offices for the business and industry organizations and environmental groups are located at the Ministry of Environment.
