#### Other events

##### Global news on climate action – The road to Copenhagen

Participants are invited to subscribe to a free monthly newsletter that makes it easier to keep track of progress in international climate negotiations.

All news is classified according to the headings in the Bali Action Programme.

Please visit the UNFCCC...inSide climate change publications counter in the central foyer to see a copy of this newsletter – the first issue will be published in September – and visit: [www.naturvardsverket.se/subscribe](http://www.naturvardsverket.se/subscribe).

##### Energy-efficiency training with Deutsche Bahn AG

Participants are invited to come and drive a train – in the driving simulator located in the foyer of the Ministry of Environment. The goal is to save as much energy as possible through effective manoeuvres, without getting behind schedule. The trainer uses a simulation programme used for coaching Deutsche Bahn trainee drivers. Following a short introduction, the user may carry out a test drive and produce an individual printout of the energy balance on the test track.

##### Fossil of the Week

There will be a Fossil of the Week ceremony at 14.45 at the CAN exhibit in the corridor between Plenary I and the Computer Centre.
