## Special announcements

### **Vacancies at the UNFCCC secretariat**

The secretariat is committed to ensuring equitable geographical distribution and gender balance among its staff. To this end, it would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

Participants at the twenty-eighth sessions of the subsidiary bodies, the second session of the Ad Hoc Working Group on Long-term Cooperative Action and the second part of the fifth session of the Ad Hoc Working Group on Further Commitments for Annex I Parties under the Kyoto Protocol are kindly asked to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website: <<http://unfccc.int/1216.php>>.

A number of vacancies ranging from P-2 entry level to D-1 senior management level are expected to be advertised in the remainder of 2008.

## Announcements

### **Webcast**

Live and on-demand webcast coverage of the Bonn Climate Change Talks 2008 is provided, including full coverage of the SBSTA, SBI, AWGLCA and AWG sessions, as well as press conferences. A selection of side events will be webcasted and made available on-demand. All webcasts are available in English and other languages used at the conference and Powerpoint presentations are available when provided by the speaker.

### **Information for participants**

A booklet on the facilities available at the conference venue, entitled “**Information for participants**”, is available from the Information desk in the foyer and also on the UNFCCC website at: <[http://unfccc.int/files/meetings/sb28/services\\_to\\_participants/application/pdf/ifp\\_sb\\_28.pdf](http://unfccc.int/files/meetings/sb28/services_to_participants/application/pdf/ifp_sb_28.pdf)>.

### **Climate Change Kiosk**

The Climate Change Kiosk, located in the delegates’ area on the first floor, provides information about the climate change process and the secretariat as well as the range of secretariat publications and digital materials.

### **...inSide climate change publications counter**

Participants wishing to distribute documents should contact staff of the External Relations/Observer Organizations Liaison team in La Maree on the ground floor. The counter is staffed as follows: 11.00–12.00 and 16.00–17.00.

### **Joint exhibit of the Rio conventions**

The United Nations Framework Convention on Climate Change, the Convention on Biological Diversity and the United Nations Convention to Combat Desertification cooperate on a range of issues and the Joint Liaison Group strengthens common action. All three conventions share the common goal of a sustainable future, as portrayed in the exhibit in the foyer on the ground floor.

**United Nations organizations in Bonn – for "sustainable development worldwide"**

Participants are also invited to view the "UN in Bonn" exhibit on the stage of Saal Beethoven (Computer Centre). The exhibit showcases the 17 United Nations organizations, programmes and projects that are hosted in Bonn by the Government of Germany, among them the Climate Change Secretariat.

For more information, please consult the website: <[www.uno.de/](http://www.uno.de/)>, or contact Mr. Harald Ganns ([harald.ganns@uno.de](mailto:harald.ganns@uno.de)) of the United Nation's Common Information Space project.

**Delegation nameplates**

Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

**Interpretation headsets**

Participants are kindly requested to return interpretation headsets to the distribution desks after meetings.

**Security**

Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will understand the need for such arrangements.

**Lost and found items**

Participants are reminded not to leave personal belongings in meeting rooms. The Security office, located adjacent to the main entrance, is responsible for lost and found items.

**Meditation room**

A room for meditation and prayer is available to participants on the first floor. Turn right at the top of the main staircase and continue straight ahead towards the staff office area. The room is on the left before the small staircase.

**Pigeonholes for delegates**

Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located next to the Documents counter on the ground floor. Participants are requested to refrain from distributing non-official material via the pigeonholes.

**Facilities for observer organizations**

Offices for the business and industry organizations and environmental groups are located at the Ministry of Environment. Contact information is provided below:

#### Other events

##### Photographic exhibition

A Greenpeace photo-exhibition ‘The Human Face of Climate Change’ can be viewed throughout the Maritim conference area. The exhibition catalogues the human cost of extreme weather events and how the world might look without urgent action to combat climate change. Organized by Greenpeace International.

##### Energy-efficiency training with Deutsche Bahn AG

Participants are invited to come and drive a train – in the driving simulator located in the foyer of the Ministry of Environment. The goal is to save as much energy as possible through effective manoeuvres, without getting behind schedule. The trainer uses a simulation programme used for coaching Deutsche Bahn trainee drivers. Following a short introduction, the user may carry out a test drive and produce an individual printout of the energy balance on the test track.

##### Fossil of the Week

There will be a Fossil of the Week ceremony at 14.45 at the CAN exhibit in the corridor between Plenary I and the Computer Centre.
